The Book of Isaiah, Chapters 1 39

Wm. B. Eerdmans Publishing Oswalt's study on the first 39 chapters of the Book of Isaiah is part of The New International Commentary on the Old Testament. Like its companion series on the New Testament, this commentary devotes considerable care to achieving a balance between technical information and homiletic-devotional interpretation.

The Book of the Prophet Isaiah, 1-39

Cambridge University Press Comments on the oracles of a prophet who lived in the closing half of the 8th century B. C. and whose interest in contemporary politics and international affairs was the product of his faith in the Holy God, who rules in and over all history.

Isaiah 1-39

Smyth & Helwys Publishing "The prophet Isaiah's influence extended from his long career in Jerusalem in the late 8th century bce through Judah's exilic and Second Temple periods. Through the ages in both Judaism and Christianity, Isaiah's words have funded subsequent theological writings, liturgies, lectionaries, hymns, poetry, and art. Among early Christian writings, Isaiah was seen as an evangelist rather than prophet, foretelling Christ's birth, life, death, and resurrection a view that continues to prevail today, though scholars have long argued that Isaiah addressed his own time and not, in the first instance, the distant future. Readers of Tull's engaging guide will come to understand Isaiah as visionary spokesperson of ancient Jerusalem's God in a critical moment in the history of western faith. They will learn about the paths the book traveled as it grew, absorbed new meanings, underwent reinterpretion, and emerged as Scripture for synagogues and churches. Preachers, teachers, and students will imagine afresh the connections between modern people and this ancient book ... the primary goal of the Smyth & Helwys Bible Commentary series is to make available serious, credible biblical scholarship in an accessible and less intimidating format. A visual generation of believers deserves a commentary series that contains not only the all-important textual commentary on Scripture, but images, photographs, maps, works of fine art, and drawings that bring the text to life. Each volume of the Smyth & Helwys Bible Commentary series features a CD-ROM, which expands the uses and capabilities of the Commentary even more"--Publisher description.

The Book of the Prophet Isaiah : Chapters 1-39

The Book of the Prophet Isaiah

The Epic of Eden

A Christian Entry into the Old Testament

InterVarsity Press Does your knowledge of the Old Testament feel like a grab bag of people, books, events and ideas? Sandra Richter gives an overview of the Old Testament, organizing our disorderly knowledge of the Old Testament people, facts and stories into a memorable and manageable story of redemption that climaxes in the New Testament.

Isaiah 1-39

With an Introduction to Prophetic Literature

Wm. B. Eerdmans Publishing Sweeney's work on the first 39 chapters of the Book of Isaiah is part of The Forms of the Old Testament Literature series which aims to present, according to a standard outline and methodology, a form-critical analysis of every book and each unit in the Old Testament.

The Book of the Prophet Isaiah

Isaiah 1-39

Interpretation: A Bible Commentary for Teaching and Preaching

Westminster John Knox Press This unique commentary allows the interpretation of Isaiah 1-39 to be guided by the final form of the book. It focuses on the theological aspect of the book of Isaiah, giving special attention to the role of literary context. Christopher Seitz explores structural and organizational concerns as clues to the editorial intention of the final form of the material, which he argues is both intelligible and an intended result of the efforts of those who gave shape to the present form of the book. **Interpretation: A Bible Commentary for Teaching and Preaching** is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

The Book of the Prophet Isaiah

Chapter 1-39

The Book of the Prophet Isaiah Chapters 1-39 in the Revised Version with Introduction and Notes

Isaiah: Isaiah 28-39

Continental Commentaries This is the final volume in Wilberger's comprehensive treatment of Isaiah 1-39. In addition to verse-by-verse commentary, the author provides a systematic overview of the entire Book of Isaiah. This introduction to Isaiah covers: the book and the text, the formation of Isaiah 1-39, the prophet Isaiah and his religious roots, the theology of post-Isaianic materials, language and forms of speech in Isaiah, and a listing of recent Isaiah scholarship.

Reward, Punishment, and Forgiveness

The Thinking and Beliefs of Ancient Israel in the Light of Greek and Modern Views

BRILL This comparative study provides a fascinating insight into understanding the central themes of reward, punishment and forgiveness within the Hebrew Bible, Greek literature and in modern interpretation. The emphasis is both on the intrinsic operation of reward and punishment and on the ultimate personalist reason for God's mercy and forgiveness.

A Commentary on Isaiah the Prophet

(Isa. 1-39)

Isaiah the Prophet His Glorious Epiphanies

A Bible Commentary Chapters 1-39

What is an epiphany but a sudden, intuitive perception of or insight into reality or essential meaning of something, usually initiated by a simple homely, a commonplace occurrence or human experience? The experience that Isaiah would come to know was that of God Almighty who chose him to prophecy against the nation of Israel and the gentile world that He is God and that there is no other deity that exists. Isaiah's prophecy would not only touch Israel, but the gentile world at large. This book gives the reader insight into how God works through people and nations to bring about His will given through His Old Testament prophets and now through His Word today outlined in the greatest book ever written (the Bible). May the reader of this book receive a blessing that he or she will cherish for life!

The Hebrew Bible Today

An Introduction to Critical Issues

Westminster John Knox Press Dealing with each section of the canon, this book explains standard questions, paying special attention to where scholars agree and where they don't.

(Cambridge Bible for Schools & Colleges).. Chapters 1-39

Handbook on the Prophets

Baker Books Provides a thorough introduction to the Old Testament prophetic books, considering their historical and social setting while surveying the important theological themes.

How to Preach the Prophets for All Their Worth

A Hermeneutical, Homiletical, and Theological Guide to Unleash the Power of the Prophets

Wipf and Stock Publishers **The Old Testament prophetic books play a key role in revealing God's plan of salvation. They occupy a significant portion of the biblical canon, similar in size to the entire New Testament. Yet most believers stay clear of this part of Scripture. They avoid traveling through this forest of oracles and visions. Many preachers also struggle to navigate this unfamiliar territory. Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books. The church, however, needs to hear and respond to the beauty, depth, and relevance of the prophetic message. This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers (small group leaders, youth workers, etc.) to communicate the message of the prophets with hermeneutical precision, theological depth, genre sensitivity, and pastoral pulse. This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word.**

Reading Prophetic Books

Form, Intertextuality, and Reception in Prophetic and Post-Biblical Literature

Mohr Siebeck In this volume, Marvin A. Sweeney builds upon his former work *Form and Intertextuality in Prophetic and Apocalyptic Literature* (FAT 45, 2005). He introduces further studies that take up several key issues, including the reading of prophetic books in their final literary form and the significance of textual versions for this reading. He also observes the intertextual relationships between the prophets and other works of biblical and post-biblical literature, and the reception of the prophetic books. Following an introduction that lays out methodological perspective, it includes the title essay for the volume, *Reading Prophetic Books*, as well as selections of papers devoted to Isaiah, Jeremiah in both its Masoretic and Septuagint forms, Ezekiel, individual books from the Twelve Prophets, and the reading of biblical texts in Qumran, Rabbinic, and Targumic literature.

Introduction to the Prophets

Wm. B. Eerdmans Publishing Writing in a conversational rather than a scholarly tone, Paul Redditt assumes little or no prior knowledge of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible. The chapters of Redditt's *Introduction to the Prophets* discuss the place of each book in the canon; the literary setting of each book; their structure, integrity, and authorship; the main genre(s) in each; special features of each book; basic emphases of each book; and problems -- theological, literary, or historical -- raised by a study of the book. Among other things, Redditt demonstrates that the prophets were both "foretellers" and "forthtellers," and he argues that the Old Testament prophets developed the concept of monotheism. Each chapter ends with questions for further reflection. Concluding the volume are a helpful glossary and several indexes.

Isaiah

Westminster John Knox Press In this addition to the critically acclaimed "The Old Testament Library", internationally renowned scholar Brevard Childs writes on what arguably is the Old Testament's most important theological book. Childs furnishes a fresh translation from the original Hebrew and discusses questions of text, linguistics, historical background and literary architecture. He also presents a theological interpretation of the text.

The Prophets

Introducing Israel's Prophetic Writings

Fortress Press The prophets remain figures of enduring interest and importance in contemporary Judaism, Christianity, and even secular society. *The Prophets* introduces students to the rise of prophecy in ancient Israel, possible ancient Near Eastern parallels, the messages of individual prophets, and the significance of the compositional and editorial history of the prophetic writings. The book guides students into leading questions and issues in contemporary scholarship, and surveys different contemporary approaches to the messages of the prophets. Part 1 introduces the prophets and prophecy in context. The rise of prophecy, the role of the prophet, key themes, and the fate of prophecy are explored. Part 2 profiles Israel's prophets during the eighth century, the exile, and the postexilic period. This section will also look at each book of the prophets and how the prophetic writings fit within the complete Hebrew Bible and the Old Testament. These chapters also provide insights into interpreting the prophetic writings today, including Jewish and Christian interpretations, prophecy and prediction, and the secular legacy of Israelite prophecy. This textbook includes numerous images, charts, and maps to enhance the experience of the students.

Reflections of Empire in Isaiah 1-39

Responses to Assyrian Ideology

This book will allow the reader to understand better the hidden meaning behind many passages in Isaiah. Many of the majestic prophecies of Isaiah contain a hidden polemic with the imperial propaganda of the Assyrian Empire, which ruled the ancient world in the time of Isaiah. This book explains the arguments found in many passages of Isaiah, including chapters 1-2, 6-8, 10-12, 14, 19, 31, and 36-37. In these, the prophet adapts motifs from Assyrian propaganda, while subverting Assyrian claims to universal dominion. He does this in order to promote belief in a single omnipotent God who is more powerful than any human empire. The book exposes the meaning behind these passages, as well as the history of biblical Israel in the period 745-701 BCE.

An Introduction to the Old Testament Prophetic Books

Moody Publishers The Old Testament prophets spoke to Israel in times of historical and moral crisis. They saw themselves as being a part of a story that God was weaving throughout history--a story of repentance, encouragement, and a coming Messiah. In this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them.

Isaiah 40-55 Vol 1

A Critical and Exegetical Commentary

A&C Black For over one hundred years International Critical Commentaries have had a special place among works on the Bible. They bring together all the relevant aids to exegesis - linguistic, textual, archaeological, historical, literary, and theological - to help the reader understand the meaning of the books of the Old and New Testaments. The new commentaries continue this tradition. All new evidence now available is incorporated and new methods of study are applied. The authors are of the highest international standing. No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought. >

Isaiah 1-39

Prophet to the Nations

Cwr Grasp an overall picture of Isaiah 1-39, and gain a deeper command of the key biblical concepts of holiness, atonement, salvation and evangelism.

TAn excellent companion to the Holman Illustrated Bible Commentary.

Isaiah 40-55

A New Translation with Introduction and Commentary

Anchor Bible Scholars have traditionally isolated three distinct sections of what is known as the Book of Isaiah, and in Isaiah 40–55, distinguished biblical scholar Joseph Blenkinsopp provides a new translation and critical commentary on the section usually referred to as Second or Deutero Isaiah. The second volume in a three-volume commentary, it easily maintains the high standards of academic excellence established by Isaiah 1–39. Second Isaiah was written in the sixth century b.c.e., in the years just before the fall of the mighty Babylonian Empire, by an anonymous prophet whom history has erroneously identified with the real Isaiah (born ca. 765 b.c.e.). Scholars know Second Isaiah was written by someone other than Isaiah because the contexts of these prophecies are so very different. When Second Isaiah was written, the prophet believed that Israel's time of suffering was drawing to a close. There was, he insisted, a new age upon them, a time of hope, peace, and renewed national prosperity. The main thrust of the prophet's argument was intended to rally the spirits of a people devastated by war and conquest. One of the most famous examples of this optimistic tone is the well-known and beloved Song of the Suffering Servant, which is found in Chapters 52–53, and about which Blenkinsopp has some challenging new ideas. The final chapters of Second Isaiah, however, are in an entirely different key as it becomes clear that the new world the prophet foresaw earlier was not going to come to pass. This despair finds its most poignant expression in the final section of the Book of Isaiah, which Blenkinsopp will address in his forthcoming third volume.

The Concept of Exile in Ancient Israel and its Historical Contexts

Walter de Gruyter The exile is a central turning point in Israel's construction of the past as it is recorded in the Hebrew Bible. The latter's concept/s of exile are involved, among others, in constructions of patriarchal narratives, the Egyptian sojourn and slavery that led to the Exodus, and the motif of "the empty land" during the Babylonian period. Moreover, ancient Israelite concepts of exile have exerted much influence in later Christian and Jews discourses. This volume gathers papers presented at two workshops organized by the University of Munich and the University of Alberta.

Holman Illustrated Pocket Bible Dictionary

B&H Publishing Group An updated package on the Bible Dictionary for the popular Holman Pocket Reference series, this portable Bible reference basic allows the reader to quickly find entries on thousands of the most common Bible people, places, terms, and events. The user-friendly edition also features more than 300 photographs, maps, reconstructions, and charts to aid in study of the Bible, whether at home, school, church, or study groups. This pocket-sized reference tool has a new cover design, full-color pages throughout, and works with any Bible translation.

The Old Testament Prophetic Books

An Introduction

Xulon Press The Old Testament Prophetic Books: An Introduction is a valuable reference tool designed for those students who want a comprehensive guide to the Old Testament prophetic books. The book serves primarily as an introduction, providing a thorough discussion of introductory matters such as authorship, date, historical background, purpose, structure, and outline. The book also functions as a sort of survey/handbook, providing a summary of the contents of each book accompanied by helpful background information such as the meaning of character's names and the dates of significant events. Finally, the book acts as a study guide, providing a series of study questions at the end of each chapter for review and discussion. Israel P. Loken is Chair and Professor of the Bible and Theology Departments at College of Biblical Studies. He is also Adjunct Professor of Bible Exposition at Dallas Theological Seminary. He previously taught at Dallas Christian College. Dr. Loken has earned degrees from Lancaster Bible College (B.S.) and Dallas Theological Seminary (Th.M. and Ph.D.). He is a frequent speaker at churches, conferences, and schools. He is the author of the Loken Expository Commentary series. Dr. Loken and his wife Kimberley live in Houston, TX.
