*Classroom Complete Press* Travel to an imaginary land to discover the true power of friendship and the heartache of loss. Provide open-ended application and journal prompts to excite students about the reading. Make a prediction on what the story will be about based solely on the front cover of the novel. Put events in order that led to the creation of Terabithia. Find the meaning of vocabulary words, then use each word in a sentence. Students describe how they would respond to someone bullying them. Then, students create their own imaginary place like Terabithia. Keep track of events as they happen month by month in the novel with an Events Calendar graphic organizer. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: A dramatic and fascinating story of friendship! Jesse Aarons is a fourth grader who loves to run. Once the fastest and best runner at Lark Creek Elementary School in Virginia, until he was challenged by a girl—Leslie Burke. Leslie and her parents were new to this community, and they soon became best friends; their relationship was a strong one. Then, Leslie gets a great idea to create Terabithia, a secret place in the woods only for themselves. One day, while Jesse is not there, Leslie tries to cross the bridge to Terebithia, but falls in and drowns. When Jesse finds out, he is devastated. Soon after, the Burke family moves away, but Jesse believes that she has taught him something.

**THE FAMILY UNDER THE BRIDGE - LITERATURE KIT GR. 3-4**

---

*Classroom Complete Press* In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include Before You Read and After You

Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: *The Family Under the Bridge* is a Newbery Honor winning story about the Calcet family — a mother and her three children who— end up living under a bridge on the Seine River. Here, they befriend the carefree Parisian hobo, Armand. When two nosy women appear at their makeshift home, and it appears that the authorities have been summoned, Armand takes the family to live with a community of gypsies. Here, they are befriended and their relationship with the old hobo deepens. After promising the children a new home for Christmas, Armand decides his only option is to seek employment, and he manages to get a job as the caretaker of an apartment building, which offers the family a place to stay. Here, they determine to live as one big family, with Armand serving as the grandfather the children never had. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

## **THE GOOD EARTH - LITERATURE KIT GR. 9-12**

---

*Classroom Complete Press* Experience the hardships and tribulations of a Chinese family living in poverty prior to World War II. Our resource acts as a great supplement to the novel in order to help students comprehend it deeper. Set the tone by brainstorming the traditional ways people celebrate the birth of babies. Analyze the actions of Wang Lung's uncle to describe his true character. Identify what is being described from the metaphors and similes in the text. Understand key vocabulary words prior to reading with fill-in-the-blank paragraphs. Research the meaning of each form of literary irony, then identify the type of irony used in the novel. Write a sensory poem to express the many representations of the land to Wang Lung. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: The Good Earth is a Pulitzer Prize-winning story about family life in a Chinese village before World War II. Wang Lung and his new wife O-Lan buy land from the Hwang family in the hopes of starting a modest farm. During

this time, O-Lan gives birth to three sons and three daughters. The first daughter becomes mentally handicapped due to severe malnutrition and famine, causing O-Lan to kill the second daughter and sell the third to a merchant. Famine and drought force the family to leave for a large city in the South to find work. Arriving in the city, Wang Lung finds a job pulling a rickshaw, while his family turns to begging. Things get better when armies approach the city and a food riot erupts. Wang Lung receives enough money to return home and have a prosperous life.

## **OLD YELLER - LITERATURE KIT GR. 5-6**

---

*Classroom Complete Press* Discover the power behind the friendship of a boy and his dog. The easy-to-use format allows for lots of variety in activities to go along with the book. Enter the mind of Travis as he explains his feelings after shooting the deer. Identify statements about the novel as true or false. Describe how Travis' attitudes change towards certain characters from the story. Predict what will become of Old Yeller based on events from previous chapters. Conduct a study on women settlers and describe how you would feel if put in their position. Categorize the different dangers Travis faces throughout the novel on a graphic organizer. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Old Yeller tells the story of a boy, his dog, and the events that lead to their unlikely friendship. Travis Coates has no need for a dog, regardless of what his father tells him. Instead, he wants a horse. Travis' father promises to bring one home for him if he is able to step up and take care of the farm while his father is away. The 14-year-old takes this newfound responsibility to heart and sets out to prove that he deserves the title of "man of the house". A short time after Travis' father leaves the farm, a stray dog wanders onto their property. The Coates family name him "Old Yeller" in part because of his filthy yellow fur. Travis wants no part of this nuisance dog. He comes to change his mind when Old Yeller saves Travis' younger brother from a bear. From then on, Travis and Old Yeller become inseparable, leading to Old Yeller helping Travis keep up his duties on the farm. The story progresses in this manner until one task threatens the health of them both.

## **MATH STORIES FOR PROBLEM SOLVING SUCCESS**

---

### **READY-TO-USE ACTIVITIES BASED ON REAL-LIFE SITUATIONS, GRADES 6-12**

---

*John Wiley & Sons* This second edition of the popular math teaching resource book *Math Stories for Problem Solving Success* offers updated true-to-life situations designed to motivate teenagers to use math skills for solving everyday problems. The book features intriguing short stories followed by sets of problems related to the stories that are correlated to the standards of the National Council of Teachers of Mathematics. Each of the easy-to-read stories is followed by three increasingly difficult groups of problem sets. This makes it simple for teachers to select the appropriate problem set for students of different abilities and at different grade levels. To further enhance student involvement, the stories feature recurring characters and can be used either sequentially or out of order. The problems in the book cover many basic math topics, including decimals, fractions, and percents; measurement; geometry; data, statistics, and probability; algebra; and problem solving. In addition to having all the answers, an Answer Key at the end of the book offers explanations and background information about the problems that can be helpful to both teachers and students. *Math Stories for Problem Solving Success* will help you show students that math is something they are already using every day.

### **ECONOMICAL BRIDGE SOLUTIONS BASED ON INNOVATIVE COMPOSITE DOWELS AND INTEGRATED ABUTMENTS**

---

---

#### **ECOBRIIDGE**

---

*Springer* The bridges are vital structures for the transport infrastructure. It is a fact that, in the last decades, composite bridges became a well-liked solution in many European countries as a cost-effective and aesthetic alternative to concrete bridges. Their competitiveness depends on several circumstances such as site conditions, local costs of material and staff and the contractor's experience. Beside the classical solutions, the new ones with efficient design and construction improve and consolidate the market position of steel construction and steel producing industry. The book contains the technical description, the construction details, economic aspects and the results of monitoring and testing of already executed bridge structures implementing composite dowels realised within the research RFCS project

entitled Eco Bridge.
