THEORIZING TWILIGHT

CRITICAL ESSAYS ON WHAT'S AT STAKE IN A POST-VAMPIRE WORLD

McFarland Since the publication of *Twilight* in 2005, Stephenie Meyer's four-book saga about the tortured relationship between human heroine Bella Swan and her vampire love Edward Cullen has become a world-wide sensation—inciting screams of delight, sighs of derision, and fervent pronouncements. Those looking deeper into its pages and on screen can find intriguing subtexts about everything from gender, race, sexuality, and religion. The 15 essays in this book examine the texts, the films, and the fandom, exploring the series' cultural reach and offering one of the first thorough analyses of the saga.

THE TWILIGHT OF CUTTING

AFRICAN ACTIVISM AND LIFE AFTER NGOS

Univ of California Press The last three decades have witnessed a proliferation of nongovernmental organizations engaging in new campaigns to end the practice of female genital cutting across Africa. These campaigns have in turn spurred new institutions, discourses, and political projects, bringing about unexpected social transformations, both intended and unintended. Consequently, cutting is waning across the continent. At the same time, these endings are misrecognized and disavowed by public and scholarly discourses across the political spectrum. What does it mean to say that while cutting is ending, the Western discourse surrounding it is on the rise? And what kind of a feminist anthropology is needed in such a moment? *The Twilight of Cutting* examines these and other questions from the vantage point of Ghanaian feminist and reproductive health NGOs that have organized campaigns against cutting for over thirty years. The book looks at these NGOs not as solutions but as sites of "problematization." The purpose of understanding these Ghanaian campaigns, their transnational and regional encounters, and the forms of governmentality they produce is not to charge them with providing answers to the question, how do we end cutting? Instead, it is to account for their work, their historicity,

the life worlds and subjectivities they engender, and the modes of reflection, imminent critique, and opposition they set in motion.

A private detective and occasional bodyguard, he is hesitant when asked to hunt down one of his own. A clonie assassin has been killing politicians, police, and just about anyone else threatening the clonie population. The killer even took out two innocents, merely because they witnessed one of his vicious attacks. Jordan does not want to hunt his own kind, but he does want to stop the perpetuation of fear among humans. He makes the acquaintance of Linda St. John, who just lost her family to the assassin's bloody cause. Due to his investigation, Jordan soon becomes a target, as does Linda. Together, they must avoid a powerful assassin and find a way to make him stop. But is there method behind this killer's madness? Navigating government policy and science, a clonie and human must work together in a fight for survival in an unforgiving, futuristic world.

THE TWILIGHT MYSTIQUE

CRITICAL ESSAYS ON THE NOVELS AND FILMS

McFarland The 13 essays in this volume explore Stephenie Meyer's wildly popular Twilight series in the contexts of literature, religion,

fairy tales, film, and the gothic. Several examine Meyer's emphasis on abstinence, considering how, why, and if the author's Mormon faith has influenced the series' worldview. Others look at fan involvement in the Twilight world, focusing on how the series' avid following has led to an economic transformation in Forks, Washington, the real town where the fictional series is set. Other topics include Meyer's use of Quileute shape-shifting legends, Twilight's literary heritage and its frequent references to classic works of literature, and the series' controversial depictions of femininity.

TWILIGHT IN THE VINEYARD

Twilight in the Vineyard *It's no secret that just about everyone today realizes that we are now living in the last of the last days. What Christ proclaimed in Matthew 24, Mark 13 and Luke 21 is coming to pass! Christ gave warning that the period of time known as day, when the works of the Father could be done, would then be followed by night, when no man could work. 1000 years are as a day to the Lord and a day as 1000 years. Therefore might we not deduce that 41.7 years are as an hour and .7 years as a minute? Twilight lasts an average of forty minutes in the natural, therefore Twilight in Gods Spiritual Day would be 28 years. We are now well into this time*

of spiritual twilight and TWILIGHT IN THE VINEYARD proclaims the lateness of the hour and gives warning of how little time is left before the Tribulation begins."And when all things shall be subdued unto Him, then shall the Son also Himself be subject unto Him that put all things under Him, that Yahweh may be all in all." I Cor.15:28 The above verse states the eternal PURPOSE of Yahweh. It is to this end that we should be striving. Thus I have been led to write this book:1. To warn His adopted children who make up the Body of Christ that His return is near2. To state the truth about the nation of Israel and encourage our Jewish brethren to realize that Yahshua is their Messiah (Mashiach) 3. To warn America and other nations that they need to repent and humble them selves before The Almighty Creator4. To explain why America and Britain are allies of Israel5. To inform His dispersed, chosen children of the House of Israel that they will soon be undergoing terrible times during that period referred to as Jacobs trouble but to realize their heritage and know that He will help them.6. To give information on topics that has often been ignored or misunderstood.CAN YOU ANSWER THESE QUESTIONS?Why is the story of JOSEPH so relevant for today?When will the tribulation will begin?Who will really make up the 144,000 and where will they be found?What is the Gospel of the Kingdom?When and where will Christ return?Who is the Mahdi?What is the difference between Satan's angels and his demons?What happened between Genesis 1:1 and 1:2?Why should we know about Nimrod, Semiramis and Tammuz?Why is America under Yahweh's judgement?Was Eve really created from only a rib of Adam?Who is the one who restrains the coming of the antichrist?Who is the woman in the 12th Chapter of Revelation?Will persecution be vented upon American Christians?What is the importance of the Feast Days of the Lord?Did Christ really die on Friday and rise up on Sunday?What did Hananiah, Mishael and Azariah do?Why is the story of Joseph and his sons significant...especially for us today!Why is Babylon mentioned so often in scripture?To find the answers to these questions and to learn more on many other topics, I urge you to read this book...which was ordained to be written by Yahweh in 1983 at which time He gave this author its title.TWILIGHT IN THE VINEYARD is an anthology and includes the following topics:Name of the Almighty Creator - YHWH, Creator of the Spiritual Realm - YHWH, Creator of Man - YHWH, the Planter - America, Past, Present?QFuture? - America, Wake Up! - Babylon - Gospel of the Kingdom - Kingdom of Darkness - The One Who Restrains - Present Day Vineyard of the Lord - The Antichrist - Coming Persecution - Words and Dreams From the Lord - Words from the Heart - To All My True Brothers and Sisters in Our LordPsalm 26:7 "That I may publish with the voice of thanksgiving, and tell of all Thy wondrous works."Shalom, JoJean
