HORSE RACING MANUAL

Haynes Publishing UK The Horse Racing Manual guides the reader through a first day at the races, explaining all the elements and considerations, from what to wear to placing a bet. Unlike other books on the market, it takes the reader further and goes 'behind the scenes,' providing explanations into the physiology of the horse and where it comes from, the processes and people involved in leading it to become a racehorse, the breeders, farriers, owners, trainers, jockeys and more.

CHAMPION JUMP HORSE RACING JOCKEYS

FROM 1945 TO PRESENT DAY

White Owl 'It's one of the real sports that's left to us: a bit of danger and a bit of excitement, and the horses, which are the best thing in the world.' HM The Queen Mother on National Hunt racing. This book traces how much National Hunt racing has changed since 1945- and also how Britain has changed too. The advent of motorways has made travel easier and racecourse safety has improved but the challenges for jump jockeys -the bravest of the brave- remain. It covers some of the biggest stories in jump racing over the last seventy-five years, including the dramatic collapse of Devon Loch in the 1956 Grand National and the incredible exploits of three-times Grand National winner Red Rum. But it also contains lots of fascinating stories which the reader will not be so aware of, of trainers and horses long forgotten.

RIDING THE WORLD'S WILDEST HORSE RACE. A RICHARD AND JUDY BOOK CLUB PICK

Random House A RICHARD AND JUDY BOOK CLUB PICK WINNER STANFORD TRAVEL WRITING AWARDS 2020 SHORTLISTED FOR THE WILLIAM HILL PRIZE 2019 'Such an addictive and likeable book...One of this year's best memoirs' The Telegraph 'It's the resistance to the obvious narratives that makes Rough Magic so appealing: the book undermines lazy women-in-the-wilderness tropes at every turn.' Sarah Moss, Guardian 'Think Educated meets Wild' Entertainment Weekly 'Rough Magic is transporting, beguiling and terrifically entertaining' Daily Mail The Mongol Derby is the world's toughest horse race. A feat of endurance across the vast Mongolian plains once traversed by the people of Genghis Khan, competitors ride 25 horses across a distance of 1000km. Many riders don't make it to the finish line. In 2013 Lara Prior-Palmer - nineteen, underprepared but seeking the great unknown - decided to enter the race. Driven by her own restlessness, stubbornness, and a lifelong love of horses, she raced for seven days through extreme heat and terrifying storms, catching a few hours of sleep where she could at the homes of nomadic families. Battling bouts of illness and dehydration, exhaustion and bruising falls, she found she had nothing to lose, and tore through the field with her motley crew of horses. In one of the Derby's most unexpected results, she became the youngest-ever champion and the first woman to win the race. A tale of adventure, fortitude and poetry, Rough Magic is the extraordinary story of one young woman's encounter with oblivion, and herself.

RIDE THE WHITE HORSE

A CHECKERED JOCKEY'S STORY OF RACING, RAGE AND REDEMPTION

Eddiebooks "An electric jockey with a juice machine, Eddie Donnally rode on racing's undercard, lived inside its underbelly and became a part of its underworld. From constant bulimia, broken bones and betrayal of Boston's infamous Winter Hill Gang, he depicts an unseen side of Thoroughbred racing. The five tons of his sweat that disappeared down 'hot box' drains was nothing compared to his struggles with sibling sexual trauma, same-sex promiscuity and an addiction to crack cocaine that in seven months took him from newspaper writing and TV show hosting to 'rubbing horses' on the backstretch. Supernatural redemption came in a jail cell. After 17 years of Christian ministry, he is a hospice and hospital chaplain."--Back cover.

DOPED

THE REAL LIFE STORY OF THE 1960S RACEHORSE DOPING GANG

Racing Post Books 'Doped' is the gripping true-story racing thriller set in Britain in the 1950s and early 1960s. Combining a potent mix of horse racing, drugs, sex, class, crime, gambling and the monarchy, it tells the true story of one of the biggest doping scandals in British racing history. In March 1962 an audacious attempt to nobble one of the royal horses alerted police to a well organised band of racecourse criminals, backed by murderous London gangsters. The subsequent Flying Squad pursuit of the gang brought the quaintly deferential world of racing into sharp conflict with the harsher realities of the 'You've never had it so good' era. This also coincided with the birth of the annual Dick Francis novel. The cast of characters is headed by William Roper, a debonair ex RAF Sergeant turned oddsmaker. His team included an ex jockey, numerous underpaid stable lads, an upper class gambling addict and a violent professional gangster who went on to face charges with the Kray twins in 1969. But the most fascinating member of Roper's firm was a beautiful and selfpossessed young Swiss woman called Micheline Lugeon who became the bookmaker's lover.

MISSIONVILLE

Greed. Desperation. Humanity. PETE FELL IN LOVE WITH HORSES, then devoted his career to training racehorses at Missionville, a low level racetrack in rural Pennsylvania where horses and humans depend on each other - just to survive. He quickly learns that winning at the races isn't easy under ordinary circumstances, and that some successes at Missionville aren't the result of luck or talent - but flagrant cheating. Thanks to a potential love interest, plus death, deception, and more Pete opens his eyes to what's really going on around him to discover he doesn't want to play the game anymore. A push in the right direction sends Pete on a journey that leads him from Harrisburg to Quebec in an effort to help restore a bit of humanity to the racing world.

THE MIRACLE OF CASTEL DI SANGRO

Sphere Through 1996 and 1997 bestselling author Joe McGinniss followed the Italian football season from Castel di Sangro, a small town nestled in the Abruzzi region of Italy. The motley crew that comprised the di Sangro soccer team in the early 90s masked an unparalleled prowess for playing soccer. This is the story of a team and a town with no aspirations, just a passion for the game, and how that passion allowed this team to rise to the top of the professional Italian soccer league. With the lust for life of Robert Crichton's THE SECRET OF SANTA VITTORIA and the sporting dreams of modern movie classic FIELDS OF DREAMS, THE MIRACLE OF CASTEL DI SANGRO is an ebullient story of how a two-hour game transformed a dot on the map into a place of magic, miracles and wonder.

RIMFIRE: THE BARREL RACING MORGAN HORSE

Willow Bend Publishing Rimfire, the sixth book in the Morgan Horse series, takes readers to a whole new realm within the world of horses. When Heather travels to Oklahoma to visit family friends, she is introduced to barrel racing. Falling in love with this quick-paced sport, Heather is thrilled when she returns home and discovers Rimfire, a fabulous Morgan barrel racer that just happens to be for sale. When her parents refuse to buy yet another horse, Heather convinces her friend Nicholas to purchase Rimfire. Everything is going well until Heather decides to take Rimfire to a competition without Nicholas's permission. What will happen to the horse as he makes that final turn around the last barrel, and more importantly, has Heather jeopardized her friendship with Nicholas, all for the sake of a ribbon?

GAMBLING FOR LIFE

THE MAN WHO WON MILLIONS AND SPENT EVERY PENNY

Imagine what it would be like to turn your back on the nine-to-five drudgery of normal working life and risk everything you've ever had on the fate of a horse race or the outcome of a ball game. In the gambling fraternity, Harry Findlay has earned legendary status. He has been skint dozens of times, won over £20 million and spent just as much. But he will not change. Fearless and formidable, bullish and bombastic, there is no one in the gambling game who can match Harry's style and seismic impact. When he first ran a betting slip through his fingers as a 16-year-old, Harry said he had been handed the keys to the Magic Kingdom. Gambling has taken him all around the globe, enjoying five-star travel and a gourmet indulgence at the world's biggest sporting events. In his much-awaited book, Harry recounts the mind-boggling tales behind the thousand and million pound multi-sport bets that will make ordinary punters shudder including the day he wagered £2.5 million on a rugby match. It is a remarkable life story of ups and downs. Aged 21 years old, he served nearly a year in some of Her Majesty's toughest jails. Who'd have thought he would go on to own Big Fella Thanks, winner of the Derby at Clonmel and the most famous dog to come out of Ireland and be part owner of the legendary racehorse Denman, who carried his colours to Gold Cup glory. Harry's subsequent controversial disqualification from racing destroyed him, despite the ruling being overturned on appeal. Most fascinating of all, Harry tells how he has survived and continues to work his magic in the gambling world, and still believes in his own special talent to read sports events and to continue to stay one step ahead of the internet companies that flood our minds with the temptation to risk so much. Harry Findlay: Gambling For Life reflects one man's extraordinary passion for gambling. How he cannot live without it. And how he knows that, even if he loses all of his money, he can never be a loser.

HORSE RACING THE STATISTICAL ROUTE SIX HORSES AGES

Lulu Press, Inc A Statistical Study of the Age of Horses-Older Horses or Younger Horses, which fare the best. D older horses run better than younger horses or vice versa. Race analysts will often comment on the age of the horse, "probably past its best" or, "an in-experienced horse" sometimes for the younger horses. In this book I have tried to see if there is any merit in it. Over a period of time 1731 races were analyzed. Taking the three oldest and the three youngest horses in each race and the results were analyzed as well as any profit. The results are shown dividing the races into handicaps, non handicaps, jumps, flat, all weather etc and numbers of runners; 4-7 runn, 8-11 runn, 12-15 runn and 16+ runn to see if there was any particular type of race where an advantage was more evident. The book contains tables of win and place percentages for each type of race and profits gained or lost. The book does not contain a betting system or any guarantee of profits to be made; just the results.

SOUTHERN HOOFPRIENTS

FriesenPress One-part lively oral history, one-part meticulously researched encyclopaedia, and one-part wild ride, Southern Hoofprints colorfully conveys the story of horse racing in Southern Alberta. And in so doing, it also becomes a fascinating history of the region itself, from the late 1880s through to the present day. From racing's rough, Wild West beginnings to the vast grandstands of modern times, this regional history of the Sport of Kings has been deeply researched and is delivered in a unique and engaging fashion. With wry humour and occasional pulse-throbbing drama, the reader is treated to an intimate perspective on family traditions of husband and wife owners, the dynasties of multi-generational riders, the spectators, and even the horses themselves. The chronicle of the rise of women riders from the trivialized 'powder puff' races to becoming power players on the track, and that of the First Nations people from the early days through to today, make this a completely inclusive history. It tells a distinctly Canadian story and its focus on the Southern Alberta region allows it to paint the picture in vivid detail. With its historical data enriched and enlivened through the human dimension of the oral histories, Southern Hoofprints entertainingly recounts horse-racing's triumphs, tragedies, and continual reinvention.

STRICTLY CLASSIFIED

SECRETS AND INSIGHTS INTO THE TRAINERS MIND

Racing Post Delve into a horse trainer's mind, seeing how they work with and try to best understand their horses Strictly Classified offers readers a unique insight into the workings of a trainer's mind, notably in relation to their understanding of a racehorse's psyche, emotions, and character. Calling from his training in psychotherapy and other disciplines, Marten Julian sheds light on how trainers and horsemen try to unravel the innermost workings of a horse's mind. He has asked many of the world's top trainers how they identify and relate to a horse's individual personality, and thereby encourage it

to realize its full potential. Reference is made to how they address the potential effect of a racehorse's formative years, their integration into a yard, their emotional range of experiences, their spirit, their will to win, and their end days. This is a book specifically about trainers and the way they deal with a horse's character and psychological profile, and is illustrated with examples of well-known horses they have trained.

TENNESSEE'S ARABIAN HORSE RACING HERITAGE

Arcadia Publishing Historically Tennessees horse breeding industry has received recognition for producing prized Thoroughbred racehorses, smooth-gaited Tennessee Walking horses, and sturdy work mules. Historical accounts, however, largely overlook the contributions of Tennessee horse breeders to the sport of Arabian horse racing. One hundred years have passed since anti-gambling legislation ended Tennessees reign over the sport of kings, Thoroughbred horse racing. However, the state has figured prominently in the development of Arabian horse racing. Leading up to the inaugural race event in 1959, and in more recent years as the amateur recreation became a bona fide sport, Tennesseans have had a calculable effect on the creation and advancement of Arabian horse racing in the United States.

It is a contemporary masterpiece."—San Francisco Chronicle Hailed by The New Yorker for its "remarkable achievements," *The Sport of Kings* is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellsmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as each is driven---and haunted---by the same, enduring question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

HORSING AROUND IN NEW JERSEY

THE HORSE LOVER'S GUIDE TO EVERYTHING EQUINE

Rutgers University Press Arline Zatz has written the first guidebook to everything equine in the Garden State: *Horsing Around in New Jersey*. This accessible, easy-to-use volume is essential reading for the novice who yearns to go horseback riding but doesn't know how or where to begin; for the experienced equestrian seeking new trails and campsites; for anyone wishing to attend an equestrian event; and for those seeking a job in the equestrian field, which already employs nearly 6,000 New Jerseyans. The industry generates more than 650 million dollars in annual revenue. Millions of people attend equine events in New Jersey each year. The U.S. Equestrian team makes its home there, and New Jersey's state animal is the horse. Zatz tells readers--including those with disabilities--where they can take lessons, rent a horse, and prepare for riding. She includes safety and first aid tips. Horse history and breeds common to New Jersey are discussed, as are health concerns, including diseases, preventative medicine, and emergency care. The book showcases New Jersey's eighty-five equestrian trails and covers information on where to obtain riding permits and their accompanying rules and regulations. There is advice for both new horse owners and renters, including recommendations on tack and clothing, stable management, and horse adoption. The book acquaints readers with year-round equine entertainment opportunities, and offers dozens of suggestions on where to watch or participate in sports on horseback. Zatz lists equine education programs for all ages, and outlines numerous employment opportunities within the equine industry. The book concludes with a glossary of common horse industry terminology, a listing of national equine associations and breed registries, equipment sources, and equine publications for further reading.
