## Of Our Fathers' Legacy

*Lulu.com* **OF OUR FATHERS' LEGACY** is the history of Peter Webner who abandoned his homeland to seek freedom in early 1800's America. He lived in German-American towns of middle Pennsylvania, until his luck ran out -- he and his wife died leaving most of their children to be bound out until they became adults. What follows is a story told many times in the Land of Opportunity. Son David is released from his apprenticeship when he reaches the age of 21, travels to small town Smithville, Ohio, where the exciting, new railroad industry starts him in a new business. Soon, David's children all embrace a career involving the Iron Horse. Son Rush spans a 49-year career as railroad station master and operator. **OF A FAMILY LEGACY** also tells about life in middle Pennsylvania in the 1800's and in Ohio in the 1900's and

the traditions of German-Americans. You meet mothers, fathers, brothers and sisters and follow their lives. And in the end, we learn just what legacy was inherited by their descendants.

## Accounting Principles, Volume 2

*John Wiley & Sons* Our top selling introductory accounting product Accounting Principles helps students succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new eighth edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the world outside the classroom.

## Financial Accounting with International Financial Reporting Standards

*John Wiley & Sons* While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.
