Get your copy today " Tapir Is My Spirit Animal Animal Nature Collection Great Journal and Book For School or College Students. Great Animal Nature Gift For Yourself Or A Friend. Time of Death *Open Road + Grove/Atlantic* Two British police detectives take on a case close to home: "One of the most consistently entertaining, insightful crime writers

working today” (Gillian Flynn). One of Entertainment Weekly’s “10 Great Summer Thrillers” Tom Thorne is on holiday with his girlfriend, DS Helen Weeks, when two girls are abducted in Helen’s hometown in Warwickshire. When a body is discovered and a man is arrested, Helen recognizes the suspect’s wife as an old school friend, and reluctantly returns home for the first time in twenty-five years to lend her support. As his partner faces up to a past she has tried desperately to forget and a media storm engulfs the town, Thorne becomes convinced that, despite overwhelming evidence of his guilt, the police have got the wrong man. There is still an extremely clever killer on the loose—and a missing girl who Thorne believes might still be alive . . . “Some ingenious forensic footwork. What is most impressive about the novel, however, is the astute observation of the beleaguered Bates family, who turn in on themselves as the inhabitants of the town turn on them.” —The Guardian

Three Sides and the Round One *Children's Press(CT)* A discussion between a circle and a triangle introduces basic geometric shapes and suggests where they can be found in common objects. *Arizona Odyssey Bibliographic Adventures in Nineteenth-century Magazines From Place to Place Good Press* "From Place to Place" by Irvin S. Cobb. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

*Safe Laparoscopic Cholecystectomy An Illustrated Atlas CRC Press* Laparoscopic cholecystectomy is a straightforward abdominal surgery performed worldwide, which can occasionally be mired with life-threatening complications when the safety principles are flouted. The tips and tricks of safety given in this book provide a complete insight into the variability of biliary anatomy, the nuances, and the technique of addressing the safety issues during routine and complicated procedures. Additionally, the book also explores the reasons for complications in real-life situations and suggests means for their avoidance. Using high-resolution video grabs, appropriately edited, an attempt has been made to explain all critical issues during laparoscopic cholecystectomy. *Key Features Explains the Do's & Don'ts of laparoscopic cholecystectomy in a concise and focused atlas form. Serves as an illustrated reference to perform a safe uncomplicated cholecystectomy for postgraduate students in general surgery, surgeons practicing minimally invasive surgery and hepatobiliary surgeons. Uses high quality operative videos to provide a detailed understanding of real-life situations and means to comply with safety measures.* *Madame Tussaud Hachette UK Paris, 1788.* Marie is a young woman in love with her oldest friend and neighbour, Henri. But she is also a determined businesswoman, eager to see her family's waxwork museum keep them safe and solvent. Her gift for modelling faces in wax brings her

to Versailles, where she must teach the king's sister her skill. But the coming revolution will place Marie, her family and all of Paris in grave danger. As the monarchy is overthrown and the guillotine becomes a fixture in French life, Marie is expected to show her patriotism by making death masks from the severed heads of every key figure killed as the Reign of Terror begins and France enters its darkest time. How will Marie survive the Revolution? Who will survive it with her? And just how will this girl come to be known as the woman behind one of the most famous museums in the world? *Washington's Circle The Creation of the President* *Random House* History enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation's first chief executive: Together, they created the presidency for a country disgusted by crowns and the people who would wear them. In 1789, as George Washington became the first president of the United States, the world was all but certain that the American experiment in liberty and representative government would founder. More than a few Americans feared that the world was right. In *Washington's Circle*, we see how Washington and his trusted advisers, close friends, and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic. This is a fresh look at an aloof man whose service in the Revolutionary War had already earned him the acclaim of fellow citizens. Washington was easy to revere, if difficult to know. David S. Heidler and Jeanne T. Heidler reveal Washington's character through his relationship with his inner circle, showing how this unlikely group created the office of the presidency. Here is a story of cooperation, confrontation, triumph, and disappointment, as the president, Congress, and the courts sorted out the limits of executive power, quarreled over funding the government, coped with domestic strife, and faced a world at war while trying to keep their country at peace. Even more, it is a story of remarkable people striving for extraordinary achievements. Many of these characters are familiar as historic icons, but in these pages they act and speak as living individuals: the often irked and frequently irksome John Adams, in the vice presidency; the mercurial Alexander Hamilton, leading the Treasury Department; the brilliant, deceptively cunning Thomas Jefferson, as secretary of state; James Madison, who was Washington's advocate—and his eyes and ears—in Congress; and Washington's old friend and former brother-in-arms Henry Knox, at the administration's beleaguered War Department. Their stories mingle with those of Edmund Randolph, John Jay, Gouverneur Morris, and the others who stood with a self-educated Virginia farmer to forge the presidency into an institution protective of its privileges but respectful of congressional prerogatives. Written with energy, wit, and an eye for vivid detail, *Washington's Circle* is the fascinating account of the people who met the most formidable challenges of the government's earliest hours with pluck, ability, and enviable resourcefulness. When the world said they would fail, they rolled up their sleeves. This is their story. Praise for *Washington's Circle* "A fine,

readable history of the first presidency . . . [David and Jeanne Heidler] provide not only a lively history but a group portrait of Washington and the various figures vying to influence him.”—The Wall Street Journal

“Washington’s Circle positively glows with narrative exuberance. This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading.”—Open Letters Monthly

“Traditional accounts portray Washington as a solitary actor in the drama of American nationhood, as chilly and featureless as the marble shaft that dominates his namesake capitol. In fact, he was the intensely human lead in one of history’s most colorful, and contentious, ensembles. David S. Heidler and Jeanne T. Heidler bring the whole cast to unforgettable life in this character study-cum-group portrait-cum-old-fashioned page-turner.”—Richard Norton Smith, author of *On His Own Terms*

**Rachelle Personalized Lined Journal - Colorful Floral Waterfall (Customized Name Gifts) THE BOOK TITLE ABOVE FOR MORE NAMES (OVER 1,500 AVAILABLE)** A cascade of flowers decorates this this beautiful 6x9 line journal. And it is already personalized with her name. It makes a thoughtful gift idea for a mother, sister, best friend, coworker, bridesmaid, teacher (or even for yourself). 100 lined pages inside with a greyscale graphic of the floral waterfall found on the front.

**Aladdin** *Capstone Classroom* A retelling of the Middle Eastern tale about Aladdin and his magic lamp.

**Home and Dry** One Person's Catastrophic Attempt at Being Practically Perfect in Every Way Mother, Wife, Daughter, Friend, Employee, Drunk! One woman's true story of living as all-of the above. Beautifully written as a letter, **Anonymous Mummy** literally talks to you about her life and her deep-rooted battle with never feeling good enough and her eventual addiction to alcohol. This little book is so much more than a sad story, it is filled with hope, honesty and a real insight into the struggles and desperation we can all face as we try to build a marriage a home and a future. This is a story that resonates within households all over the world, it gets right under the kitchen table of an addiction that has been running riot behind closed doors for centuries. **Home and Dry** is a small book containing a hugely honest and powerful story. The author takes you by the hand and talks you through her brutal journey of self- sabotage, self- destruction and eventual victory. This is not a self-help book, it's a book of self-discovery.

**The One Safe Place** *Algonquin Young Readers* “What is this place?” In a drought-stricken world, Devin and his grandfather have barely scraped out a living on their isolated farm. When his grandfather dies, Devin knows he can’t manage alone and heads for the nearest city to find help. But in the city he finds only children alone like him, living on the streets. Then a small act of kindness earns Devin an invitation to the **Gabriel H. Penn Home for Childhood**—a place with unlimited food and toys and the hope of finding a new home. But Devin soon finds out that the **Gabriel Penn Home** is no paradise. A zombie-like sickness afflicts many of the children who live there—and it will claim Devin, too, unless he can become the first to find a way out of this dystopian nightmare. “[A] chilling
