Genius in the Background Quality Chess Uk Llp Genius in the Background introduces brilliant chess that will be unfamiliar to even well-read chess players. Twelve chess stars are profiled with examples of their greatest achievements, but these stars are not famous – they are geniuses who stay in the background. For example, Pervakov and Afek are not household names but they compose chess studies and puzzles of such elegance and cleverness that they deserve to be famous. The names of top players such as Garry Kasparov and Veselin Topalov may be famous to chess fans, but they did not become World Champions without great help – two of their coaches are profiled in this book and provide insights into the education of a champion. A broad range of chess is covered by the twelve profiles – from openings to endgames, puzzles to training. The common thread is beauty and brilliance that deserves to be better known. **Under the Surface** Quality Chess The most significant difference between a grandmaster and a club player is not simply that the grandmaster calculates more accurately, but rather that he sees more deeply. This book invites you beneath the surface, where you can learn to navigate the depths of chess. Jan Markos shows how a strong player perceives chess, which features of a position he focuses on, and how he thinks at the board. The author's philosophy is that understanding chess brings pure happiness, and he would like to share this happiness with you. "In his new book, GM Jan Markos focuses on important, yet often neglected, aspects of chess. He deals with this interesting and difficult topic excellently, making fine use of his chess and teaching abilities. The book is highly readable and belongs among the best chess books I have read in recent years. Although the book is intended to be read by amateurs, even grandmasters will find it interesting and useful. If you want to learn more about chess and don't mind thinking independently, this is the book for you." GM David Navara **Final Fantasy VII Remake: Material Ultimania** Square Enix Books Packed with art and visual reference materials used during development of the game, this deluxe, hardcover

volume is a must-have for fans of Final Fantasy VII Remake. Final Fantasy VII Remake: Material Ultimania presents a comprehensive collection of production art and CG art assets, including character models and illustrations, locations and backgrounds, accessories, weapons, enemies, and more, all accompanied by staff commentary. Totalling over three-hundred pages and collected in a high-quality hard-cover binding, Final Fantasy Ultimania Archive Volume 1 remains faithful to its original Japanese source material while simultaneously offering unparalleled accessibility for Western readers. No Final Fantasy collection is complete without this beautiful tome of art, lore, and history. **Chess Middlegame Strategies** Chess Middlegame Strategies In his well know style Ivan focuses on the different aspects of the complex middlegames. He breaks new ground and provides us with a variety of instructive examples. Volume 2 will be released in January 2018 and the final volume in the Spring of 2019. **Targeting Handwriting NSW Foundation Style** Pascal Press The Targeting Handwriting NSW Year 4 Student Book focuses on consolidation of joining skills, plus: teaching of trickier joins like joining to s, horizontal joins to e, joined double f and joined ft students begin to assess their own letter size and spacing, spacing between words, and slope Handwriting is one of the most crucial skills students will develop in primary school. Targeting Handwriting covers the handwriting curriculum in a clear and structured way, with content directly linked to NSW syllabus outcomes. Writing is a vital, compelling form of communication. Children need to write every day, for a variety of purposes and for a variety of audiences. To be competent writers, their handwriting needs to be fluent and legible. The teaching of handwriting is an essential part of the writing curriculum. **Mulheres de Ditadores** Leya Chamavam-se Inessa, Clara, Nadia, Magda, Felismina, Jiang Qing, Elena, Catherine... E eles Lenine, Mussolini, Estaline, Hitler, Salazar, Mao, Ceausescu, Bokassa. Prostitutas ou mulheres da alta burguesia intelectual, paixões

fugazes ou amores intensos, eles maltratavam ou adoravam-nas, mas, sistematicamente, voltavam para os seus braços. Esposas, companheiras, musas, admiradoras, todas têm em comum o facto de terem sido vencedoras, enganadas e sacrificadas. Aos seus homens cruéis, violentos, tiranos e infiéis, faziam crer que eram belos, charmosos e todo-poderosos. Sendo a virilidade um dos alicerces do poder absoluto, os ditadores sentiam a necessidade de juntar figuras femininas ao imaginário de poder e domínio que criaram. E assim controlando-os na sombra, por vezes, até à morte, como se vivessem sob a égide de um Pigmaleão. Diane Ducret relata em detalhe os momentos, as estratégias de sedução, os casos amorosos, as intervenções políticas e os destinos diversos, ocasionalmente trágicos, das mulheres que cruzaram o caminho ou passaram pelo leito dos ditadores. **Dirge of Cerberus** Brady BradyGames' Final Fantasy VII: Dirge of Cerberus Signature Series Guide includes the following: A complete walkthrough of the entire game. Detailed area maps. In-depth listing of guns and items. Expert boss strategies. Extensive bestiary. Signature Series guide features bonus foldout and more! Platform: PlayStation 2 Genre: Action/Adventure This product is available for sale in North America only. **The Greatest Ever Chess Endgames** Looks at fifty examples of successful endgames and covers the principles of winning endgame play. **Student Solutions Manual with Study Guide Cengage Learning Final Fantasy VII: The Kids Are Alright: A Turks Side Story** Yen On A lot has changed the in two years since the Lifestream erupted, and a new city, Edge, has been born from the wreckage. There, a young man and woman run a private detective agency, but then they run into the infamous Turks of the Shinra Electric Power Company... The world of Final Fantasy VII expands with this prequel to the events of Advent Children! **Javatrekker Dispatches from the World of Fair Trade Coffee** Chelsea Green Publishing In each cup of coffee we drink the major issues of the twenty-first century-globalization, immigration, women's rights, pollution, indigenous rights, and self-determination-are played out in villages and remote areas around the world. In Javatrekker: Dispatches from the World of Fair Trade Coffee, a unique hybrid of Fair Trade business, adventure travel, and cultural anthropology, author Dean Cycon brings readers face-to-face with the real people who make our morning coffee ritual possible. Second only to oil in terms of its value, the coffee trade is complex with several levels of middlemen removing the 28 million growers in fifty distant countries far from you and your morning cup. And, according to Cycon, 99 percent of the people involved in the coffee economy have never been to a coffee village. They let advertising and images from the major coffee companies create their worldview. Cycon changes that in this compelling book, taking the reader on a tour of ten countries in nine chapters through his passionate eye and unique perspective. Cycon, who is himself an amalgam-equal parts entrepreneur, activist, and mischievous explorer-has traveled extensively throughout the world's tropical coffeelands, and shows readers places and people that few if any outsiders have ever seen. Along the way, readers come to realize the promise and hope offered by sustainable business principles and the products derived from cooperation, fair pricing, and profit sharing. Cycon introduces us to the Mamos of Colombia-holy men who believe they are literally holding the world together-despite the severe effects of climate change caused by us, their "younger brothers." He takes us on a trip through an ancient forest in Ethiopia where many believe that

coffee was first discovered 1,500 years ago by the goatherd Kaldi and his animals. And readers learn of Mexico's infamous Death Train, which transported countless immigrants from Central America northward to the U.S. border, but took a horrifying toll in lost lives and limbs. Rich with stories of people, landscapes, and customs, *Javatrekker* offers a deep appreciation and understanding of the global trade and culture of coffee. In each cup of coffee we drink the major issues of the twenty-first century-globalization, immigration, women's rights, pollution, indigenous rights, and self-determination-are played out in villages and remote areas around the world. What is Fair Trade Coffee? Coffee prices paid to the farmer are based on the international commodity price for coffee (the "C" price) and the quality premium each farmer negotiates. Fair Trade provides an internationally determined minimum floor price when the C plus premium sinks below \$1.26 per pound for conventional and \$1.41 for organics (that's us!). As important as price, Fair Trade works with small farmers to create democratic cooperatives that insure fair dealing, accountability and transparency in trade transactions. In an industry where the farmer is traditionally ripped off by a host of middlemen, this is tremendously important. Cooperatives are examined by the Fairtrade Labeling Organization (FLO), or the International Fair Trade Association (IFAT), European NGOs, for democratic process and transparency. Those that pass are listed on the FLO Registry or become IFAT members. Cooperatives provide important resources and organization to small farmers in the form of technical assistance for crop and harvest improvement, efficiencies in processing and shipping, strength in negotiation and an array of needed social services, such as health care and credit. Fair Trade also requires pre-financing of up to sixty percent of the value of the contract, if the farmers ask for it. Several groups, such as Ecologic and Green Development Fund have created funds for pre-finance lending. **Freyschütz Men in My Situation A Novel** Graywolf Press **Espejo de la Vanidad del Mundo, etc Final Fantasy VII On the Way to a Smile** Yen On A series of short stories filling the gaps between the hit video game Final Fantasy VII and its cinematic follow-up Final Fantasy VII: Advent Children, this is an absolute must-own for any enthusiast of the Final Fantasy franchise! **Final Fantasy VII Poster Collection** Square Enix Books Ever since its initial release, Final Fantasy VII has been beloved by generations of fans for its captivating characters, expansive storylines, and outstanding visual design. This compilation of 22 large-format, full-color art prints celebrates that rich legacy with images drawn from the world of Final Fantasy VII, including Advent Children, Dirge of Cerberus, Crisis Core, and Final Fantasy VII Remake. **Petrosian Year by Year Volume I (1942-1962) Rook Endings** Ishi Press **Basic Chess Endings involving rooks and pawns** **The Anti-Anxiety Notebook Cognitive Behavioral Therapy and Other Essentials** Therapy Notebooks Reduce your anxiety, manage stress, and become more aware of your thought patterns through this easy-to-use, guided notebook. This notebook utilizes Cognitive Behavioral Therapy, a rigorously-tested & widely-used treatment modality for anxiety, to help you develop the skills to identify, challenge, and change unhelpful thought patterns for the better. **Lagos_2060** Design and Dream Arts Enterprises What will it be like to live in Lagos 100 years after Nigeria gained independence from the British? In 2010, eight writers came together to contribute stories to an anthology on fictional / futuristic takes on the city of Lagos via a workshop tagged LAGOS_2060, conceived

to commemorate Nigeria's golden jubilee. The anthology that grew out of the workshop is telling in the different versions of the future it foretells. In LAGOS_2060 - an unusual scenario planning exercise achieved through the power and magic of a creative writing programme - there are climate change induced natural disasters actively plugged by doomsday preachers of the day, there are serious government institutions involved in first rate science and more often than not, these institutions tackle and solve the energy crisis to various degrees of success. There are wars and near wars as Lagos threatens to secede from the Nigerian state to have full control of its own economy. There are robots, amphibious speed trains, psychedelic drugs and highly trained security operatives with conflicts of interest, but more importantly, there are the ubiquitous Lagos people, whose industry and inventiveness seems largely unchanged, despite how much their city has travailed in the intervening half century. **Notebook for Natures Lined Journal with Cutest Panda Knights Design - Cool Gift for a Friend Or Family who Loves Wildlife Presents! - 6x9" - 180 White Lined Pages - You Can Use It for School, College, Tracking, Brainstorming, Journaling Or as a Diary** This notebook contains blank wide ruled line paper which makes it great as a: Gratitude Journal Mindfulness Journal Mood Journal Prayer Journal Poetry or Writing Journal Travel Notebook Daily Planner Dream Journal Yoga, Fitness, Weight Loss Journal Recipe, Food Journal Password Log Book Log Book Diary Specifications: Paper: White Layout: Lined Dimensions:6x9 inch Premium Design High quality 180 pages **The Great Suppression Voting Rights, Corporate Cash, and the Conservative Assault on Democracy** Crown A New York Times Book Review Editor's Choice Finalist for the J. Anthony Lukas Book Prize In the wake of Donald Trump's victory in the 2016 presidential election, a deeply reported look inside the conservative movement working to undermine American democracy. Donald Trump is the second Republican this century to triumph in the Electoral College without winning the popular vote. As Zachary Roth reveals in The Great Suppression, this is no coincidence. Over the last decade, Republicans have been rigging the game in their favor. Twenty-two states have passed restrictions on voting. Ruthless gerrymandering has given the GOP a long-term grip on Congress. Meanwhile, the Supreme Court has eviscerated campaign finance laws, boosting candidates backed by big money. It would be worrying enough if these were just schemes for partisan advantage. But the reality is even more disturbing: a growing number of Republicans distrust the very idea of democracy—and they're doing everything they can to limit it. In The Great Suppression, Roth unearths the deep historical roots of this anti-egalitarian worldview, and introduces us to its modern-day proponents: The GOP officials pushing to make it harder to cast a ballot; the lawyers looking to scrap all limits on money in politics; the libertarian scholars reclaiming judicial activism to roll back the New Deal; and the corporate lobbyists working to ban local action on everything from the minimum wage to the environment. And he travels from Rust Belt cities to southern towns to show us how these efforts are hurting the most vulnerable Americans and preventing progress on pressing issues. A sharp, searing polemic in the tradition of Rachel Maddow and Matt Taibbi, The Great Suppression is an urgent wake-up call about a threat to our most cherished values, and a rousing argument for why we need democracy now more than ever. **Paddy Cole King of the Swingers** The O'Brien Press Ltd The colourful story of the 80-year-

old saxophone player and singer affectionately know as The King of The Swingers. Paddy Cole has taken his style of Jazz, Dixieland and Swing band music all over the world - and back home too. Paddy Cole is the grand old man of Irish Showbiz who still is young at heart and has built a new radio career with his show on Dublin's Sunshine Radio every Sunday. His story is as heart-warming as it is hilarious! **Recommendations to the Congress The Electronics of Radio** Cambridge University Press A stimulating introduction to radio electronics and wireless communications. **Math and Science Workout for the ACT** Princeton Review Offers test-taking tips along with practice tests for the math and science portion of the test, along with explanations for the correct answers. **The World of Sanditon The Official Companion to the ITV Series** Hachette UK The official TV tie-in to accompany the ITV drama scripted by Andrew Davies The World of Sanditon delves behind the scenes of Sanditon, giving you the inside scoop on Jane Austen's unfinished masterpiece, adapted for television by Andrew Davies. Produced by Red Planet Pictures, ITV's Sanditon series tells the story of the joyously impulsive, spirited and unconventional Charlotte Heywood and her spiky relationship with the humorous, charming and slightly wild Sidney Parker. Written by Emmy and BAFTA-Award winning writer Andrew Davies, the series brought Austen's story to life and this book will allow you to go behind the scenes of the cast and crew, exploring the world that Austen created and offering fascinating insights about the period and about the real-life heartbreak behind her final story. Readers will also have access to location guides, interviews with the cast, and in-depth historical information by esteemed author Sara Sheridan. **Kasparov's Fighting Chess 1993-1998** Batsford Garry Kasparov has dominated the world of competitive chess for longer than any world champion. The period 1993-1998 represents one of the richest phases in his career. With the announcement of his retirement, it is only appropriate that the games should now be appreciated in the greatest depth possible. Earlier games are analyzed with computer assistance for the first time - sometimes revealing blemishes in existing analysis - showing the richness of thought and the supreme versatility of the player many consider to be the greatest of all time. Particular emphasis is placed on evaluations of the openings chosen and statistics on the champion's record against his most fiercely competitive rivals. The author, International Master Tibor Károlyi, who played against Kasparov as a World Junior, gives an appreciation of an undoubted genius - this is an unashamed celebration of dynamism, diligence, desire and fighting chess. **Sleaze Castle The Director's Cut. Part #0** Markosia Enterprises Panda Quartile - Empress of a strange other-dimensional Earth - becomes stuck in our own world after a cosmic accident during a shopping trip. Unable to return for 6 months, she poses as a university student to pass the time, and makes friends with neighbour Jo Dribble. Panda's naivete(c) and enthusiasm to experience Earth lead them to a series of daft adventures together..." **Beat the KID Three Lines Against the King's Indian** Quality Chess Uk Llp In chess, the King's Indian Defence is one of Black's most ambitious and popular replies to 1.d4, so White needs to be well prepared. Jan Markos shows the way with three separate repertoires for White. Each of the lines he explains has a different style, ranging from solidly positional to wildly attacking. Expert chess analysis from a grandmaster. Explains how to tackle one of the most popular chess openings. Up-to-date analysis Jan Markos is a young chess grandmaster from Slovakia who has won

many international tournaments. **The Best of Rick James** Hal Leonard Publishing Corporation This super-freaky collection contains 12 top hits from the King of Punk Funk, plus a biography. Songs: Can't Stop * Cold Blooded * Dance Wit' Me * Ebony Eyes * Give It to Me Baby * Glow * Loosey's Rap * Seventeen * Standing on the Top * Super Freak * Sweet and Sexy Thing * You and I. Includes photos.

Pawn Endings Ishi Press At age 97, Yuri Averkakh is the World's Oldest still living chess grandmaster and is still active in chess. In the ending, the advantage of a single "insignificant" pawn can frequently prove decisive, as that pawn inexorably pushes forward and is finally able to reach the last rank and is able to transform itself into a queen.

Stealing Rose A Novel Bantam The second novel in New York Times bestselling author Monica Murphy's sizzling series about three powerhouse sisters and the men who would have their hearts People say the youngest child has it easy, but nothing can be further from the truth. Unlike my two sisters, Violet and Lily, I'm never in the limelight. I just work my butt off for Fleur Cosmetics and get little to no thanks for it. I've been pushed too far one too many times, and I'm finally brave enough to do something about it. Maybe my newfound courage has something to do with the amazing pink and white diamond necklace I wear to the party in Cannes. The instant those dazzling heirloom jewels touch my skin, they excite some deep, aching need inside. And when that guy—that totally gorgeous guy—locks eyes with me, I know this nice girl is going to be naughty. For once it's my turn. My turn to say no to my father, to outshine my sisters, to walk away from it all—straight into the arms of a mysterious stranger. But what if Caden is much more than I bargained for? Sure, he makes me feel sexy and free in a way I never have before, but there's something else I can't quite place—something dangerous. Maybe our "chance" meeting wasn't so random. Maybe he was looking for me for a reason. Whatever his motive, there's no going back now. And maybe I don't want to. Praise for Stealing Rose "Prepare to have your heart stolen! Rose and Caden's story crackles and sizzles right to the swoony end."—New York Times bestselling author Katy Evans "Cannes, London, diamonds, glitz, glamour, a jewel thief, and steamy sex—[Monica] Murphy delivers it all! . . . Readers who can't resist a bad boy and hot, hot sex will find much to enjoy."—Booklist "Entertaining characters ignite the pages."—Publishers Weekly "Murphy is an incredible talent. . . . Rose and Caden have formed an unlikely relationship that seems perfect, but is an illusion. Their chemistry is off-the-charts hot, but is that enough for them to get their happily ever after? Readers will be hanging on the edge of their seats wondering what Murphy has in store for this couple. A fantastic book that you simply must read!"—RT Book Reviews (4 1/2 stars) "Mesmerizing characters, stellar writing, sexy as sin: just wow!"—Fresh Fiction

Vasily Smyslov Endgame Virtuoso Everyman Chess The endgame is a subtle phase of the game many ordinary players would like to improve. In taking the reader through over 150 instructive examples, taken mostly from his own games, Smyslov covers a very broad range of positions - and provides an excellent overall insight into the endgame as a whole. Unlike standard endgame manuals, which concentrate purely on the most basic and technical positions, this book has numerous

examples with many pieces on the board - the type of endgame you are in fact most likely to reach. By learning from Smyslov's impeccable technique, readers will improve their own endgame abilities - and results! Grandmaster Vasily Smyslov is renowned for his artistic mastery of the endgame, and his 1957 World Championship victory over Botvinnik can be largely attributed to his unique gifts in this aspect of the game. The winner of innumerable first prizes in international tournaments, Smyslov became, at 61, the oldest player ever to qualify for the World Championship Candidates Matches. Now in his mid-seventies, he still participates constantly in international events - with remarkable success. **Amateur Radio Techniques The Packet Radio Handbook** Tab Books A manual for amateur radio enthusiasts discusses the history of packet radio, hardware systems, networking, setting up an amateur packet radio station, and equipment and accessories
