Kitchen and Bath Design simplifies these complex decision-making processes with a comprehensive strategy for achieving kitchen and bath designs that successfully integrate beauty and practicality—while meeting client expectations. Fundamental design basics are covered, along with a host of important issues that designers must consider when conceptualizing these specialized rooms, such as ergonomics, codes and safety requirements, proper lighting and ventilation, flooring,

cabinetry, countertops, wall surfaces, and more. Some of the topics that appear in this book include: A detailed introduction to construction, plumbing, and electrical basics A systematic approach to incorporating "green," energy-conscious design An overview of crucial design elements, including pattern, texture, line, form or mass, color, space and light, and sound The latest building codes and manufacturers' guidelines Written by a leading expert in interior design, Kitchen and Bath Design uses three-dimensional drawings and corresponding photographs to deliver valuable information that is critical when it comes to planning, designing, specifying, estimating, building, pricing, or evaluating a kitchen or bathroom. Whether they're working on a new or existing space, professional designers can apply the lessons learned from this current and accessible resource to masterfully take on all kitchen or bathroom projects—from the simplest to the most highly challenging. **Profit Motive Money Making Guide AuthorHouse** The first few chapters of the book help you realize what you think about and which of your thoughts are part of your own money making process. dog called Talulah. Kac loved other people's dogs, but "I never had time, and they smell funny, lick off your makeup, and pee on your new shoes." All that changed when she met Talulah, and just had to take her back to her home in the Californian forest, that she shared with her partner and six cats. Soon after Talulah took up residence, Truffle was also adopted by Kac, and this book is the fascinating story of Kac's progression from slightly shell-shocked beginner to savvy, adoring dog guardian. Right from the start, Kac consulted behaviourist Lisa Tenzin-Dolma on all things dog-related, and Lisa's observations and wise guidance on a wide range of subjects follow Kac's accounts, providing vital insight about the best way to go about building a loving, trusting relationship between you and your dog. Entertaining and informative, this book will appeal to new and seasoned dog guardians alike. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 11.0px Arial}
