### **SEE YOU AT HARRY'S**

---

**Candlewick Press Starting middle school brings all the usual challenges – until the unthinkable happens, and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her: Mom (when she’s not meditating) helps Dad run the family restaurant; Sarah is taking a gap year after high school; and Holden pretends that Mom and Dad and everyone else doesn’t know he’s gay, even as he fends off bullies at school. Then there’s Charlie: three years old, a “surprise” baby, the center of everyone’s world. He’s devoted to Fern, but he’s annoying, too, always getting his way, always dirty, always commanding attention. If it wasn’t for Ran, Fern’s calm and positive best friend, there’d be nowhere to turn. Ran’s mantra, “All will be well,” is soothing in a way that nothing else seems to be. And when Ran says it, Fern can almost believe it’s true. But then tragedy strikes- and Fern feels not only more alone than ever, but also responsible for the accident that has wrenched her family apart. All will not be well. Or at least all will never be the same.**

### **HARRY POTTER AND THE CURSED CHILD**

---

**Sphere The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it**

belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for *Harry Potter and the Cursed Child* was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of *Harry Potter and the Cursed Child*.

### **THE TRANSFORMATION OF HARRY LOGAN**

---

AuthorHouse *Harry Logan*, a loud, arrogant, obsessive man is the successful author of two books. His last won the

Pulitzer Prize Award for Literature and he has spent the last two years on a successful lecture tour throughout the United States. As he now prepares to write his third book his head inexplicably aches and his personal life is in chaos due to his absolute belief that he is the only one who is right and knows the truth. He now faces a very real and perhaps debilitating illness and despite his desire to control his own life is too ill to start his book and must give in for the first time to human frailty. How Harry struggles through the thicket of decisions, alters his personal persona, and learns to share his life and his success is a journey of disconsolate fear and ultimate happiness he neither expects nor believes he deserves.

### **HARRY'S APOLOGY**

---

ConRoca Publishing Harry Kaplonsky is a veteran of World War II, a survivor of the USS Houston's sinking in the South Pacific, and one of the few men still alive who can recount in detail the one thousand and fifteen days of captivity in the notorious Omori POW prison south of Tokyo. It is there Harry was tortured and beaten and witnessed countless atrocities including the murder of his best friend, Curly. Only problem, Harry can't seem to erase the event from his memories, and he sure can't seem to forgive his captors for the barbaric things which took place during his imprisonment. Now, sixty years later, he's angry and on a mission to sue the Obuchi government for an apology. Since

his liberation in August, 1945, Harry's life has been spiraling downward, highlighted by one failed relationship after another, five marriages in total, all marred by battering and cruelty. For Harry the suit is more than a legal means to even the score, it is the last opportunity to lay blame for his own failings. Only days from death, Harry's litigation appears to be lapsing with his demise unless he can convince one of the other four Omori survivors to collaborate in the litigation. Unfortunately, all four despise him and won't enjoin the suit. Furthermore, the U.S. government is siding with the Japanese in hopes of winning trade concessions, and vows to fight Harry to the end. The government's legal team is led by none other than Harry's bastard son, Harold, turning the legal battle into a nasty family affair. All appears to be going adversely against the old veteran. Enter Tinker, an aspiring author in the throws of a literary dry spell. She is searching for the one great story (oddly, a non-fiction piece) to turn her fledgling career around. It is the television interview with Harry by Larry King, however, that motivates her into journeying to Texas for the annual USS Houston survivors' reunion and a shot at the rights to Harry's story. A victim of childhood physical abuse herself, Tinker's past soon becomes intertwined with Harry's, the battering both experienced providing common ground. During the course of the interview, Tinker discovers the dark secrets surrounding Harry and his seeming culpability in the deaths of five crewmates. It is this connection which has created a schism between Harry and the last of the Omori survivors. In the end, Tinker must not only reunite the five Omori brothers, she must also come to terms with her own past and forgive her estranged father.

### **THE REAL STORY**

---

---

eBook Partnership A balanced account of game changes, conflicts and ambitions in the Royal Family from the bestselling author of DIANA IN PRIVATE. The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne as a consequence of his marriage to the beautiful and dynamic Hollywood actress and Suits star, Meghan Markle, makes for fascinating reading in this new book from Lady Colin Campbell, best-selling biographer of Princess Diana, the Queen Mother and the Queen's marriage. With unique breadth of insight Lady C goes behind the scenes, speaking to friends, relations, courtiers, and colleagues on both sides of the Atlantic to reveal the most unexpected royal story since Edward VIII's Abdication. She highlights the dilemmas involved and the issues that lurk beneath the surface, as to why the couple decided to step down as senior royals. She analyses the implications of the actions of a young and ambitious Duke and Duchess of Sussex, in love with each other and with the empowering lure of fame and fortune, and leads the reader through the maze of contradictions, revealing how Californian culture has influenced the couple's conduct. MEGHAN AND HARRY: THE REAL STORY exposes how the royal couple tried and failed to change the royal system by adapting it to their own needs and ambitions, and, upon failing, how they decided to create a new system altogether. PRAISE FOR BOOKS BY LADY COLIN CAMPBELL 'The most believable Diana biography' People Magazine 'The most sensational book of the year' Mail on Sunday 'Brilliant' Literary Review 'Lady Colin Campbell's books are now must haves' Royal Book News 'I admire her; buy her book' Lynn Barber 'It was Lady Colin, not Morton who first put [all the revelations about Princess Diana] in print' The Sunday Times ABOUT THE AUTHOR LADY COLIN CAMPBELL was born in Jamaica in 1949 and is a London Times and New York Times bestselling author. Her works include People of Colour and the Royals (2019), The Queen's Marriage (2018), The Untold Life of Queen Elizabeth the Queen Mother (2012), Daughter of Narcissus (2009), Empress Bianca (2005), The Real Diana (2004), A Life Worth Living (1997), The Royal Marriages (1993), Diana in Private (1992), and Guide to Being a Modern Lady (1986). A renowned animal lover, she also ghosted With Love from Pet Heaven by Tum Tum the Springer Spaniel (2010). She lives between London and Castle Goring with her sons and her pets.

### **THE PHASES OF HARRY MOON**

---

---

Crossroad Press Harry Moon romps through time right into your heart in this baroque and bawdy, delicious and daring,

sexy and sinful contemporary-historical novel. Journey from then to now with the Moon brothers: Nicki—who was born to be a gangster and loves activities such as breaking kneecaps; Stu—who adores women’s clothing, so much so, in fact, that he wears dresses whenever possible; Stanley—who likes stimulants, depressants, and any other drug he can get hold of; and, finally, Harry—one of the greatest heroes since Don Quixote saw his first windmill. This perfectly paced blending of comedy and drama is a novel that reaches to the heart of life itself. Four eccentric brothers move toward four parallel fates that echo the destinies of four eccentric ancestors. On the way they encounter sexual blackmail, petty crime, political radicalism, space-age illness, and last but not least, maturation and purpose—disguised and hard to recognize to be sure, but theirs all the same. *The Phases of Harry Moon* is violent and tender, inspired and earthy, and Harry himself is one of the most endearing, mad, and moving characters of fiction in the last decade. *Harry Moon* is a hero for everyone, and his world is our world—full of laughter and sighing and the bright if tenuous light of understanding.

### **THE EXTRAORDINARY JOURNEY OF HARRY FORTH**

---

AuthorHouse In January 1950 young Harry Forth, his brother, and his father experience a sudden blizzard on a mesa outside Albuquerque, New Mexico that leaves a deep impression that will affect him for decades to come—the fear of being left behind, the danger of the blinding snowstorm, and the providence of their surprising rescue. In 1960 Harry, now a junior in high school struggles to fit in. He is attracted to several girls but too shy to ask them out. Instead, he concentrates on responsibilities at home, in school, at his church, and at after-school jobs while he really longs for greater independence. He reaches a turning point when his French teacher persuades him to apply for a summer student exchange program that might enable him to travel to France. Still struggling to improve his academic

performance, he applies and builds his hopes on acceptance. Eventually a host family in Germany rather than France welcomes him. Harry buys a transcontinental bus ticket to Montreal and sets out on a great adventure. He boards a ship with hundreds of other young Americans headed to host families in Europe. During his odyssey across the United States he talks with several interesting strangers. In discussions with them and with students onboard the ship he realizes he is on a much grander journey to see a more interesting world than he had ever imagined. Along the way he becomes more aware and sure of his feelings towards strangers and some of the young women he encounters in school and during his voyage to Europe. He anticipates that the summer will be a turning point in his life. This fictionalized autobiography tells the story of a young man setting out to meet challenges and opportunities that the world offers him in a way that will change him forever.

### **HARRY POTTER'S WORLD WIDE INFLUENCE**

---

Cambridge Scholars Publishing The Harry Potter series forms a single epic story that has been published in nearly 70 languages, and has been examined in a large number of disciplines. This collection of essays contributes to the scholarly discourse that forms Potter Studies. These essays take on the consideration of Rowling's work as being worthy of study as a phenomenon and influence, as well as a work of literary value. They add genuine statistical information about the reasons for the books' popularity, consider their effects on child readers, and examine some deep-rooted reasons for their having been manipulated in American publishing, in film adaptations, in musical complements, and in their thingification in popular culture around the world. Some of these essays take on the critics of the books' religion and considerations of psychological, as well as philosophical good and evil, and well as some stylistic anomalies. The fact that scholars from China, Germany, Poland, Romania, and Israel, in addition to English-speaking nations, have felt compelled to examine these books in detail testifies in part to Harry Potter's world-wide influence.

## **SEVENTH CROSSING**

---

FriesenPress Jess Jameson's life changes significantly when he receives a distress call from his childhood buddy informing him that an old friend may be in need of legal counsel. Jess learns that the friend is his former high school sweetheart, Lacey Monroe. She was found next to the body of her husband and may be a suspect in his brutal murder. Without hesitation Jess packs a bag and informs his wife that he will be out of town indefinitely. He reminisces about his life and the girl he left behind on the trip to Kings Crossing. He encounters a cantankerous Lacey who makes it perfectly clear that she wants nothing to do with him. His heart skipped a beat when he first saw her and he is determined to win her trust. Nothing is easy with her but he convinces her to let him help her, and in doing so enters into her world which has been one of secrets and lies, and denial for the last two decades. One such secret is life altering. He believes that Lacey is innocent and that a killer is lurking amongst the colourful characters that inhabit her domain. As unresolved feelings come to the surface there is no going back for either of them. Jess vows to keep her safe as she may be next on the assassin's list. He will risk his life for her as it is the only way he can save himself....
