*Racehorse for Young Readers A bright, illustrated retelling of the classic children's tale! Based on one of the most best-selling books*

ever written, this hopeful feel-good tale is inspiring for all who read it. Long ago, before the Shirley Temple movie, orphaned Heidi was sent to live in the mountains with her grandfather. She is incredibly happy there and spends her days running through the fields, helping her friend Peter tend to the goats. One day, however, her aunt comes and takes her to a large house at the bottom of the mountain, where she could assist with the owner's daughter, the sickly, wheelchair-bound Clara, and receive an education. Clara and Heidi become fast friends, but Heidi soon becomes sick with stress and worry for being away from her beloved mountain and grandfather. Clara and her father bring Heidi back to her beloved grandfather, who suggests Clara stay with them as well, to see if the fresh mountain air could help with her illness. With bright, full-color illustrations and simple text, this picture book is perfect for early readers or as a bedtime story. Introduce your child to the classic story of love and friendship in this new version of Heidi! Introducing a new series from Racehorse for Young Readers! These brightly illustrated and easy-to-read retellings are perfect for introducing your child to classic fairy tales and children's stories. With simple verses and colorful pictures, your child will love to dive into these magical and intriguing stories. Perfect for beginning readers, or for reading as a family or at bedtime, this brand-new series will bring a smile to everyone's face—young or old!

## THE ORIGINALS : HEIDI

---

Om Books International It sounds plausible enough tonight, but wait until tomorrow. Wait for the common sense of the morning. Born out of H.G. Wells' literary vision of the future, *The Time Machine* (1895) is an extraordinary work of early science fiction. A Victorian scientist builds a time machine and lands in the year 802,701 AD. Initially, he is transported to the pastoral idyll of an unknown land which is delightfully peaceful. Soon, however, the paradisiacal façade shatters and he discovers the reality of two distinct species: Eloi are useless, childlike adults surviving on a fruit based diet and Morlocks who are barbarians thriving underground. The Time Traveller saves one of the Eloi from drowning and navigates through tunnels to retrieve his time machine that has gone missing. Before returning to his era, The Time Traveller also visits a land where a bloated red sun stares motionless in the sky and the only sign of life is a black blob with tentacles. Once again, the scientist prepares to leave on another time travel, but this time will he return?

'Heidi' (1881) is a novel written by Swiss author Johanna Spyri. It is one of the best-selling books of all time, not only a defining work of Swiss literature, but a beloved masterpiece of children's fiction. When an aunt drops five-year-old Heidi off to live with her grandfather in the Alps-the two of them alone in a small hut on a hill-she's initially very lonely. Soon, however, she comes to appreciate her new,

simple life; she loves walking through the pastures with her friend Peter the goatherd and spending quiet time with her grandfather. Three years later, Heidi's aunt returns to take her to the town to become a companion for Clara, a sick little girl of a wealthy family. But even though Heidi bonds with Clara and brings new life to the household, she becomes more and more homesick and wants desperately to return to her grandfather. Since its original publication in Switzerland in 1880, Johanna Spyri's classic story has delighted generations of children. The book has been translated into more than fifty languages and has sold over fifty million copies. A classic tale of a young girl's coming-of-age, of friendship, and familial love, the story has inspired countless dramatic versions, both on TV and in film, including Shirley Temple's famous 1937 version.

## ERICK AND SALLY

---

*Createspace Independent Publishing Platform* Erick and Sally by Johanna Spyri that Auntie formed the sentences, no indeed, she was not going to cheat the teacher; but she knew well what was needed to form a sentence and she pushed and spurred Ritz and brought so many things before him, and reminded him how they looked, that he had his three sentences and his nine qualities together in no time. Now there came a feeling to Ritz that he had not acted right, when he said that an aunt must not always be reminding people, and when now Auntie asked: "Ritz, why had you to write the sentences?" then the feeling grew stronger in him, for he felt that he could not tell the cause of his punishment without making his aunt angry. He stuttered, "I have--I have--the teacher has said, that I made an unfitting sentence." "Yes, I can imagine that," said Auntie. "Now quickly to bed." Edi and Ritz slept in the same room and that was the place where the two boys, every evening after the mother had said evening prayer with them, and they were alone, exchanged their deepest thoughts and experien We are delighted to publish this classic book as part of our extensive Classic Library collection. ### POLLYANNA & POLLYANNA GROWS UP

---

*Strelbytsky Multimedia Publishing* Pollyanna by Eleanor H. Porter was released in 1913 and immediately became the bestseller. Eleven-year-old Pollyanna Whiter becomes an orphan after the death of her father, poor pastor. Her mother died earlier. Only some books are left as a heritage from her father. The only relative Pollyanna has is a distant Aunt Polly, who Pollyanna hasn't ever seen and who didn't have any relations with the Whiters. Her sister, Pollyanna's mother, married a poor pastor against the will of her family. The aunt takes Pollyanna very cold. But the little girl is not upset because she has the game that her father invented and taught her how to play, "The Glad Game". It's an easy and at the same time rather intricate ability to find something to be glad about in a smallest piety thing. Pollyanna Grows Up by Eleanor H. Porter that was published in 1915 is the sequel of the famous Pollyanna. Pollyanna, the favorite character of a lot of girls, grew up. And like any other young woman she fell in love. The young thing is going to live through joy and pain. And nobody knows how everything will end. But even during the most difficult times Pollyanna remembers her famous "glad game". Eleanor H. Porter Pollyanna & Pollyanna Grows Up Pollyanna, the favourite character of a lot of girls, grew up. And like any other young woman she fell in love. The young thing is going to live through joy and pain. And nobody knows how everything will end. But even during the most difficult times Pollyanna remembers her famous "glad game".

### CLASSIC OF CHILDREN'S LITERATURE

---

*Musaicum Books* Heidi is a novel about the events in the life of a young girl in her grandfather's care, in the Swiss Alps. It was written as a book "for children and those who love children". Heidi is one of the best-selling books ever written and is among the best-known works of Swiss literature. Johanna Louise Spyri (1827-1901) was a Swiss-born author of novels and best known for her children's stories. Born in the rural area of Hirzel, Switzerland, as a child she spent several summers in the area around Chur in Graubünden, the setting she later would use in her novels.

---

## HEIDI

---

*Ladybird Books* Based on the classic story by Johanna Spyri. Heidi loves living in the mountains with her grandfather and her friend Peter, and is homesick when she moves to Frankfurt. Will she make it back to her beloved mountains? Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Heidi is a Level 4 Read it yourself title, ideal for children who are ready to read longer stories with a wider vocabulary and are keen to read independently.

---

### THE SECRET GARDEN

---

*Scholastic UK* When orphaned Mary Lennox comes to live at her uncle's great house on the Yorkshire moors, she finds it full of secrets. Then one day she discovers a secret garden, walled and locked, which has been completely forgotten for years and years. Can Mary bring the garden back to life - and solve its mystery?

---

## **GOLDSILKS AND THE THREE HARES**

---

Paper Star Presents a contemporary takeoff on the familiar folktale.

---

## **TELLING TALES**

---

---

## **THE IMPACT OF GERMANY ON ENGLISH CHILDREN'S**

---

Open Book Publishers Germany has had a profound influence on English stories for children. *The Brothers Grimm*, *The Swiss Family Robinson* and Johanna Spyri's *Heidi* quickly became classics but, as David Blamires clearly articulates in this volume, many other works have been fundamental in the development of English children's stories during the 19th Century and beyond. *Telling Tales* is the first comprehensive study of the impact of Germany on English children's books, covering the period from 1780 to the First World War. Beginning with *The Adventures of Baron Munchausen*, moving through the classics and including many other collections of fairytales and legends (Musaus, Wilhelm Hauff, Bechstein, Brentano) *Telling Tales* covers a wealth of translated and adapted material in a large variety of forms, and pays detailed attention to the problems of translation and adaptation of texts for children. In addition, *Telling Tales* considers educational works (Campe and Salzmann), moral and religious tales (Carove, Schmid and Barth), historical tales, adventure stories and picture books (including Wilhelm Busch's *Max and Moritz*) together with an analysis of what British children learnt through textbooks about Germany as a country and its variegated history, particularly in times of war.

---
