**AFCAT Topic-wise Solved Papers (2011 - 21) with 5 Practice Sets 7th Edition** [Disha Publications](#) **International Books in Print The Indian Publisher and Bookseller The Golden Temple History, Art, and Architecture Painters at the Sikh Court A Study Based on Twenty Documents** [Aryan Books International](#) **Accessions List, South Asia Records publications acquired from Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan, and Sri Lanka, by the U.S. Library of Congress Offices in New Delhi, India, and Karachi, Pakistan. Choice Publication of the Association of College and Research Libraries, a Division of the American Library Association Indian Books in Print Coolie** [Penguin Books India](#) **Munoo, a young boy forced to leave his hill village to fend for himself and discover the world. His journey takes him far from home to towns and cities, to Bombooy and Simla, sweating as servant, factory-worker and rickshaw driver. It is a fight for survival that illuminates, with raw immediacy, the grim fate of the masses in pre-Partition India. The Illustrated Weekly of India Subject Index of Modern Books Acquired The March of India Indian Review of Books Twentieth-century European Painting A Guide to Information Sources** [Detroit, Mich. : Gale Research Company](#) **Painting in South Asia A Bibliography** [Delhi : Bharatiya Publishing House](#) **Grundlagen zur Literatur in englischer Sprache Across the Black Waters** [Orient Paperbacks](#) **Across the Black Waters is widely rated as an outstanding novel. It is a simple story about the ultimate futility and sorrow of war. It is a journey not just from a small village in Punjab to Flanders, from father to soldier, field to front — but from a soul that nurtures to one that kills. Overlooking the claims of war classics like All Quiet on the Western Front, the British Council selected and adapted this novel into a play to mark the 80th anniversary of the end of World War I. "The foremost of Indian novelists." — Daily Telegraph "His descriptions of brutality match in compassion and outrage, and perhaps also in poetic flair, those of Wilfred Owen, Siegfried Sasson, or David Jones." — Alastair Niven, British Literary Critic The Spectator A weekly review of politics, literature, theology, and art. Untouchable** [الهلال](#) **Lajwanti and Other Stories** [Orient Paperbacks](#) **In Lajwanti, Mulk Raj Anand focuses on a woman's predicament and struggle to find an identity for herself. Frustrated by a rigid pattern of social relationships, gender bias, religious bigotry and her own petty human foibles, her abject condition serves as a metaphor for sacrifice and servility which forms the thematic heart of these stories. The Republic of India The Development of Its Laws and Constitution Der moderne englischsprachige Roman Indiens Reading New India Post-Millennial Indian Fiction in English** [A&C Black](#) **Explores the diversity of post-millennial Indian fiction in English and the ways it has reflected the culture of an increasingly confident 'new India'. The Real Ranjit Singh Modern South Asia History, Culture, Political Economy** [Routledge](#) **The South Asian subcontinent is home to nearly a billion people and has been the site of fierce historical contestation. It is a panoply of languages and religions with a rich and complex history and culture. Drawing on the newest and most sophisticated historical research and scholarship in the field, Modern South Asia is written in an accessible style for all those with an intellectual curiosity about the region. After sketching the pre-modern history of the subcontinent, the book concentrates on the last three centuries from c.1700 to the present. Jointly written by two leading Indian and Pakistani historians, it offers a rare depth of historical understanding of the politics, cultures and economies that shape the lives of more than a fifth of humanity. In this comprehensive study, the authors debate and challenge the striking developments in contemporary South Asian history and historical writing. The book provides new insights into the structure and ideology of the British raj, the meaning of subaltern resistance, the refashioning of social relations along lines of caste, class, community and gender, the different strands of anti-colonial nationalism and the dynamics of decolonization. This book is a work of synthesis and interpretation covering the entire spectrum of modern South Asian history - social, economic and political. The authors offer an understanding of this strategically and economically vital part of the world. The Serpent and the Rope About the marriage of Rama, a young Brahmin doing graduate work in France, to Madeleine, an ethereal French college teacher, some six years his senior. In her eagerness to attain Eastern wisdom, Madeleine first casts her husband in the role of guru. Later, as her "saintliness" (or madness) progresses, she transcends the need for**

human companionship, leaving Rama free to pursue his own search for self-awareness. Pārāsaraprasna The Baisakhi of Guru Gobind Singh INDIA'S NEW CAPITALISTS Caste, Business, and Industry in a Modern Nation [Hachette UK](#) It's no secret that certain social groups have predominated India's business and trading history, with business traditionally being the preserve of particular 'Bania' communities. However, the past four or so decades have seen a widening of the social base of Indian capital, such that the social profile of Indian business has expanded beyond recognition, and entrepreneurship and commerce in India are no longer the exclusive bastion of the old mercantile castes. In this meticulously researched book - acclaimed for being the first social history to document and understand India's new entrepreneurial groups - Harish Damodaran looks to answer who the new 'wealth creators' are, as he traces the transitional entry of India's middle and lower peasant castes into the business world. Combining analytical rigour with journalistic flair, India's New Capitalists is an essential read for anyone seeking to understand the culture and evolution of business in contemporary South Asia. Khushwant Singh's Joke Book [Orient Paperbacks](#) South Asian Partition Fiction in English From Khushwant Singh to Amitav Ghosh [Amsterdam University Press](#) Dit boek is een literaire studie naar Zuid-Aziatische Engelstalige fictie vanaf midden jaren vijftig tot de late jaren tachtig over de afscheiding van Pakistan en Bangladesh van India, oftewel de Partitie. Het is een fascinerend verhaal over het ontstaan van een nieuw literair genre. Romanschrijvers van verschillende generaties geven hun kijk op dit beslissende moment in de Zuid-Aziatische geschiedenis. In het begin beschreven zij de catastrofe, later werd er meer getheoretiseerd. Aan de hand van zes romans, van onder andere Salman Rushdie, laat Roy zien welke factoren bepalend zijn geweest voor de grote thema's en verhaallijnen in deze romans. The Hungry Tide A Novel [Houghton Mifflin Harcourt](#) Three lives collide on an island off India: "An engrossing tale of caste and culture... introduces readers to a little-known world."—Entertainment Weekly Off the easternmost coast of India, in the Bay of Bengal, lies the immense labyrinth of tiny islands known as the Sundarbans. For settlers here, life is extremely precarious. Attacks by tigers are common. Unrest and eviction are constant threats. At any moment, tidal floods may rise and surge over the land, leaving devastation in their wake. In this place of vengeful beauty, the lives of three people collide. Piya Roy is a marine biologist, of Indian descent but stubbornly American, in search of a rare, endangered river dolphin. Her journey begins with a disaster when she is thrown from a boat into crocodile-infested waters. Rescue comes in the form of a young, illiterate fisherman, Fokir. Although they have no language between them, they are powerfully drawn to each other, sharing an uncanny instinct for the ways of the sea. Piya engages Fokir to help with her research and finds a translator in Kanai Dutt, a businessman from Delhi whose idealistic aunt and uncle are longtime settlers in the Sundarbans. As the three launch into the elaborate backwaters, they are drawn unawares into the hidden undercurrents of this isolated world, where political turmoil exacts a personal toll as powerful as the ravaging tide. From the national bestselling author of Gun Island, The Hungry Tide was a winner of the Crossword Book Prize and a finalist for the Kiriya Prize. "A great swirl of political, social, and environmental issues, presented through a story that's full of romance, suspense, and poetry."—The Washington Post "Masterful."—Publishers Weekly (starred review) Two Leaves and a Bud A Concise History of Modern India [Cambridge University Press](#) In a second edition of their successful Concise History of Modern India, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story. Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation. Banda Singh Bahadur and Sikh Sovereignty [Deep and Deep Publications](#) Seeks To Study Banda Singh Bahadur`S Role Objectively-His Life And Achievements. An Account Of His Struggle Against The Mughals. Emphasizes That Banda Had The Acumen To Plan And The Ability To Excente. Presents His Role In Raising The Mighty Struggle For The Establishment Of A Sikh State In Punjab. Has Eight Chapters And Is Lavishly Illustrated. The Great Indian Novel [Simon and Schuster](#) In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence. World Literature for the Wretched of the Earth Anticolonial Aesthetics, Postcolonial Politics [Fordham University Press](#) "Lays out a novel and provocative argument . . . Essential reading for those concerned with the future of comparative literature and the world." —Natalie Melas, Cornell University World Literature for the Wretched of the Earth recovers a genealogy of anticolonial thought that advocated collective inexpertise, unknowing, and unrecognizability. Early-twentieth-century anticolonial thinkers endeavored to imagine a world emancipated from colonial rule, but it was a world they knew they would likely not live to see. Written in exile, in abjection, or in the face of death, anticolonial thought could not afford to base its politics on the hope of eventual success, mastery, or national sovereignty. J. Daniel Elam shows how anticolonial thinkers theorized inconsequential practices of egalitarianism in the service of an impossibility: a world without colonialism. Framed by a suggestive reading of the surprising affinities between Frantz Fanon's political writings and Erich Auerbach's philological project, World Literature for the Wretched of the Earth foregrounds anticolonial theories of reading and critique in the writing of Lala Har Dayal, B.R. Ambedkar, M.K. Gandhi, and Bhagat Singh. These anticolonial activists theorized reading not as a way to cultivate mastery and expertise but as a way, rather, to disavow

mastery altogether. To become or remain an inexpert reader, divesting oneself of authorial claims, was to fundamentally challenge the logic of the British Empire and European fascism, which prized self-mastery, authority, and national sovereignty. Bringing together the histories of comparative literature and anticolonial thought, Elam demonstrates how these early-twentieth-century theories of reading force us to reconsider the commitments of humanistic critique and egalitarian politics in the still-colonial present. [A Suitable Boy Penguin Books India](#) [Indian Writing in English South Asia Books](#) [The Sikh Art From the Kapany Collection Roli Books](#) This volume brings together leading scholars of Sikhism and of Sikh art to assess and interpret the remarkable art resource known as the Kapany Collection, using it to introduce to a broad public the culture, history, and ethos of the Sikhs. Fifteen renowned scholars contributed essays describing the passion and vision of Narinder and Satinder Kapany in assembling this unparalleled assemblage of great Sikh art, some of which has been displayed in exhibitions around the globe. The Kapanys' legacy of philanthropic work includes establishing the Sikh Foundation (now celebrating its 50th year) and university endowments for Sikh studies. Through this profusely illustrated book's chapters, scholars examine the full range of Sikh artistic expression and of Sikh history and cultural life, using artworks from the Kapany Collection.
