THE COMPLETE INFIDEL'S GUIDE TO THE KORAN

Simon and Schuster *The Complete Infidel's Guide to the Koran* exposes how the Koran incites hatred and violence and is anti-democratic, anti-freedom, and intolerant of any other ideology. Stripping out the obsolete debate, *The Complete Infidel's Guide to the Koran* focuses on the decrees toward Jews and Christians, how they were viewed by Muhammad, what "the infidels" have done wrong and what the Koran has in store for them. *The Complete Infidel's Guide to the Koran* is the essential primer to comprehending one of the most cryptic and misunderstood religious texts. Robert Spencer sheds light on the violence inherent in the Koran and reveals the frightening implications for the War on Terror, the U.S. and the world. In *The Complete Infidel's Guide to the Koran* you will learn: The true meaning of celebrated and seemingly benign verses, such as "Strive in the way of Allah" and "Persecution is worse than slaughter" How the Koran sanctions domestic abuse, honor killing, and murder How the Koran not only discourages Infidels from reading it, but mandates that they don't even touch it Why Obama, Clinton, and others are dangerously close to supporting a multiculturalism based on an ideology that aims to destroy the principles America holds dear

THE COMPLETE INFIDEL'S GUIDE TO ISIS

Simon and Schuster A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

KORAN CURIOUS - A GUIDE FOR INFIDELS AND BELIEVERS

'Koran Curious' is arguably the most concise examination of the Islamic faith on bookshelves today. Werleman bravely goes where only angels dare tread, and he

does so in a manner that Muslims will find revealing in regards to the historical origins of their own faith. An end-to-end read of 'Koran Curious' will leave you with not only a deep-level understanding of Islam, it will also explain why the world's fastest growing religion has indeed been hijacked and misinterpreted by Islamic extremists and Christian-Jewish influences alike.

THE COMPLETE INFIDEL'S GUIDE TO IRAN

Simon and Schuster *A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!*

THE POLITICALLY INCORRECT GUIDE TO ISLAM (AND THE CRUSADES)

Simon and Schuster *"The courageous Robert Spencer busts myths and tells truths about jihadists that no one else will tell." -- Michelle Malkin, bestselling author and columnist* While many choose to simply blame the West for provoking terrorists, Robert Spencer's new book *The Politically Incorrect Guide to Islam (and the Crusades)*™ reveals why it is time to ignore political correctness and identify the enemy, if we hope to ever defeat them. In a fast-paced, politically incorrect tour of Islamic teachings and Crusades history, Spencer reveals the roots of Islamic violence and hatred. Spencer refutes the myths popularized by left-wing academics and Islamic apologists who justify their political agendas with contrived historical "facts." Exposing myth after myth, *The Politically Incorrect Guide to Islam (and the Crusades)*™ tackles Islam's institutionalized mistreatment of non-Muslims, the stifling effect Islam has on science and free inquiry, the ghastly lure of Islam's X-rated Paradise for suicide bombers and jihad terrorists, the brutal Islamic conquests of the Christian lands of the Middle East and North Africa, and more. In *The Politically Incorrect Guide to Islam (and the Crusades)*™, you will learn: How Muhammad did not teach "peace and tolerance"—instead he led armies and ordered the assassination of his enemies Why American Muslim groups and left-wing academics are engaged in a huge cover-up of Islamic doctrine and history How today's jihad terrorists following the Qur'an's command to make war on Jews and Christians have the same motives and goals as the Muslims who fought the Crusaders Why the Crusades were not acts of unprovoked aggression by Europe against the Islamic world, but a delayed response to centuries of Muslim aggression What must be done today—from reading the Qur'an to reclassifying Muslim organizations—in order to defeat jihad terrorists

A CONCISE GUIDE TO THE QURAN

ANSWERING THIRTY CRITICAL QUESTIONS

Baker Books *What is so unique about Islam's scripture, the Quran? Who wrote it, and when? Can we trust its statements to be from Muhammad? Why was it written in Arabic? Does it command Muslims to fight Christians? These are a few of the thirty questions answered in this clear and concise guide to the history and contents of the Quran. Ayman Ibrahim grew up in the Muslim world and has spent many years teaching various courses on Islam. Using a question-and-answer format, Ibrahim*

covers critical questions about the most sacred book for Muslims. He examines Muslim and non-Muslim views concerning the Quran, shows how the Quran is used in contemporary expressions of Islam, answers many of the key questions non-Muslims have about the Quran and Islam, and reveals the importance of understanding the Quran for Christian-Muslim and Jewish-Muslim interfaith relations. This introductory guide is written for anyone with little to no knowledge of Islam who wants to learn about Muslims, their beliefs, and their scripture.

INFIDEL

Simon and Schuster *The author of The Caged Virgin recounts the story of her life, from her traditional Muslim childhood in Somalia and escape from a forced marriage to her efforts to promote women's rights while surviving numerous threats to her safety. Reprint. 100,000 first printing.*

FANNING THE FLAMES

LULU

UNDERSTANDING THE KORAN

A QUICK CHRISTIAN GUIDE TO THE MUSLIM HOLY BOOK

Zondervan *What You Should Know about Islam's Holy Book How is it like the Bible? How is it different? Why is it important? Muslims believe the Koran exists as a literal book in heaven and was dictated to the prophet Muhammad by the angel Gabriel. It is only the length of the New Testament, yet a fifth of the world claims it is the complete revelation of God. To most Americans, though, the Koran remains a mystery. Did you know that the Koran teaches the virgin birth and miracle-filled, prophetic ministry of Jesus? Claims to fully embrace his teachings? Reveres Abraham, Moses, Jonah, and other biblical prophets? Find out how the Koran resembles the Bible—and the drastic ways in which it differs. Understanding the Koran gives you a fascinating essential grasp of Islam's holy book: where it came from, what it teaches, how Muslims view it, and how the Allah of the Koran compares with the God of the Bible. Cherished as the final, perfect revelation of God's will by 1.2 billion Muslims worldwide, the Koran has become a part of American life. Today, those who read and memorize it may work in your town, shop where you shop, or send their children to the same school your kids attend. What do you know about the holy book that shapes the lives and eternal destinies of your neighbors and a fifth of the world's population? While some similarities exist between the Koran and the Bible, the differences are striking. Written by a pastor who was born to a Muslim father and raised in Saudi Arabia, Understanding the Koran gives you a fascinating, easy-to-understand overview that will show you:*

- Why the background behind the Koran is important
- How the Koran came into existence
- A summary of the main teachings of the Koran, including what it says about Jesus and the crucifixion
- Similarities and differences between Muslim and Christian views of God
- What the Koran teaches about Jihad and holy war
- What the Koran teaches about heaven and hell

More than furnishing you with an essential grasp of Islam's holy book,

Understanding the Koran points you to the one thing that can draw your Muslim friends to Jesus—his love, demonstrated to them through you. Discussion questions enable you to use this book in group studies

TRUE ISLAM: LOST IN TRANSLATION

DIGITAL FULL-COLOUR EDITION

CANDOR Publishing *Contact between Islam and the West is 1400 years old. Both sides have had more than adequate time to become familiar with the other. Yet the world is still arguing about Islam’s teachings. Is Islam peaceful? Does it commend violence? Does Islam respect “the other”? Does Islam abuse women? Is Islam anti-Semitic? Does Islam teach the Torment of the Grave? Does Islam recommend the beating of wives? Do Muslim Scriptures commend Temporary Marriage of Pleasure? Did Zayd divorce Zaynab because he had no further need of her? All these questions are easy to settle for anyone who can read Islamic Scripture in Arabic. The author of this book is such a person. However, to answer all these questions in the affirmative would do the image of Islam much damage in the West, where Islam is keen to present a polished image, especially in the light of much violence committed in its name against westerners. Muslim leaders, and their allies in the West, have popularised a distinction between Muslims and Islamists, in order to distance Islam from thousands of heinous Muslim crimes such as the Charlie Hebdo massacre. Are the English translations of the Qur’an faithful to the original Arabic? Or are they part of the charm offensive Muslim Petro-dollars have financed for years, through sponsorship of university departments of Islamic studies, investing in western media and publishing, building Islamic centres and financing Islamic societies and pressure groups throughout the West. This work gives English readers the ability to access the original Arabic of the Qur’an and hadith, and see the true face of Islam, without its face powder. It is hoped that this work will assist free thinkers to form their own opinion of Islam, based on the true Qur’an, without interference from Muslim propaganda or any agenda driven discourses.*

ALPHABETICAL INDEX TO THE HOLY QURAN

Lulu Press, Inc [111:1] *Perdition overtake both hands of Abu Lahab, and he will perish. [111:2] His wealth and what he earns will not avail him. [111:3] He shall soon burn in fire that flames, [111:4] And his wife, the bearer of fuel, [111:5] Upon her neck a halter of strongly twisted rope.*

JIHAD IN THE CONTEXT OF CONTEMPORARY TERRORISM

- DIVERSITY OF PERSPECTIVES -

Xlibris Corporation **ABSTRACT** *Since September 11-2001, Western scholars classified the study of Islamic Jihad as one of the most important disciplines to be examined. They began to review the relevant original sources of Islam in depth. Many efforts were made by those scholars to understand The Quran, holy book of all Muslims, looking for evidence that might support existing links between Islamic Jihad and the contemporary terroristic activities, if any. On the other hand, Muslim*

scholars and politicians have condemned all patterns of the contemporary terrorism, and have repeatedly confirmed the fact that Islam is a religion of peace, mercy and justice. Muslim scholars routinely provide positive evidence from The Quran and other Islamic sources to support the quality of Islamic teachings and guidelines. However, Muslim scholars and politicians have never attempted to comment or thoroughly elaborate such evidence or Quranic verses related to Jihad and fighting for the Cause of Allah as pointed-out by non-Muslim scholars. The dilemma facing Muslim scholars and politicians is not only to assure the quality of Islamic teachings, or to quote Quranic verses, which are not readily visible in most of the Islamic communities of today. The real dilemma is to provide satisfactory explanations and a uniform concept of Jihad or fighting for the Cause of Allah based on such variable sources. The challenge facing Muslim Scholars is adopting a common understanding on Jihad and Fighting for the Cause of Allah. It is urgent to determine whether Jihad or Fighting for the Cause of Allah is defensive or offensive, and to what extent. Whom are the targets of Jihad and fighting for the Cause of Allah? How and who is responsible in managing Jihad and Fighting Affares? What is the responsibility of the Islamic countries in combating Jihad and Fighting for the Cause of Allah, as far as they are obliged by the international laws? Does Jihad and Fighting for the Cause of Allah constitute a threat to International peace and security? This study provides an outline for the concept of Jihad and Fighting for the Cause of Allah from the perspective of the Muslim scholars and non-Muslim scholars. The intention of this study is inviting, or even provoking Muslim scholars to provide well established defense and come together with a uniform response that might create a favorable environment for all Muslims first, and for the human being second. This study is an attempt to:

- Enhance the adoption of a uniform understanding of Islamic Jihad and Fighting for the Cause of Allah and enforce such understanding among the Muslims first
- Provide a unanimously acceptable explanation of the Quranic verses related to Jihad and Fighting for the Cause of Allah.
- Underline available Quranic and Sunna evidence that might nullify any allegations against Jihad and Fighting non-Muslims in the context of the contemporary thinking of western scholars.
- Finally, to determine how far Islamic Jihad and Fighting for the Cause of Allah is a religious worshipping, and does not constitute any form of threat or terror for non-Muslims. By highlighting the controversial opinions of Muslim and non-Muslim scholars, this study may provide grounds to distinguish between Islamic Jihad and contemporary terroristic activities and political violence.

THE BOOK OF THE JIHAD OF 'ALI IBN TAHIR AL-SULAMI (D. 1106)

TEXT, TRANSLATION AND COMMENTARY

Routledge *In 1105, six years after the first crusaders from Europe conquered Jerusalem, a Damascene Muslim jurist named 'Ali ibn Tahir al-Sulami (d. 1106) publicly dictated an extended call to the military jihad (holy war) against the European invaders. Entitled Kitab al-Jihad (The Book of the Jihad), al-Sulami's work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted, covering topics as diverse as who should fight and be fought, treatment of prisoners and plunder, and the need for participants to fight*

their own inner sinfulness before turning their efforts against the enemy. Al-Sulami's text is vital for a complete understanding of the Muslim reaction to the crusades, providing the reader with the first contemporary record of Muslim preaching against the crusaders. However, until recently only a small part of the text has been studied by modern scholars, as it has remained for the most part an unedited manuscript. In this book Niall Christie provides a complete edition and the first full English translation of the extant sections (parts 2, 8, 9 and 12) of the manuscript of al-Sulami's work, making it fully available to modern readers for the first time. These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience, the precedents that influenced his work, and possible directions for future study of the text. In addition, an appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher from Asia Minor whose rhetorical style was highly influential in the development of al-Sulami's work.

THE QURAN (KORAN) FOR INFIDELS

INCLUDING INTRODUCTION, HISTORY, COMMENTARY AND THREE COMPLETE ENGLISH TRANSLATIONS

The history of the Prophet Mohammed, the development of Islam, implementation of Shariah Law, and views of Qur'anic interpretations are all presented along with three separate classical translations of the Holy Qu'ran. Put simply, The Qu'ran is viewed as an unfolding revelation. Thus, the last statement in the Qu'ran regarding a subject supersedes any statement that came before it. This is called ABROGATION. Thus, we list verses in chronological order and examine the list for the last verses written on a subject to see what instructions are to be followed by Islam today. What is revealed answers the great questions facing modern Western civilization. What is Islam? What does the Qu'ran really say? How has Islam become so violent and why is Islamic terrorism flooding the world today?

THE KORAN FOR DUMMIES

John Wiley & Sons *With the current turmoil in the Middle East, there is a growing interest about Islam—the world's second largest religion and one of the fastest growing—and its holy book, the Koran (or Qur'an). Now, with this easy-to-follow, plain-English guide, you can explore the history, structure, and basic tenets of Islam's sacred scripture. The Koran For Dummies is for non-Muslims interested in the Koran as well as Muslims looking to deepen their understanding. Islamic scholar Sohaib Sultan provides a clear road map, revealing: The meaning of Koran and its basic message The Koran's place in history and in Islamic spiritual life Explanations of its language, structure, and narrative style How to live by the Koran's teachings The Koran's role in key global issues, such as Jihad vs. terrorism Different interpretations of the Koran No other book provides such a straightforward look at what the Koran says, how it says it, and how believers live according to its guidance. From how the Koran was received by Mohammed and how it was compiled to how it's interpreted by Islam's two main branches, you'll see how to put the Islamic faith in perspective. Plus, you'll discover: What the Koran really says about women and*

civil law How Islam relates to Judaism and Christianity The Koran's view of God, prophets, mankind, and the self How its teachings are lived and recited every day by devout Muslims Common misconceptions of the Koran How to raise a family the Koranic way Complete with lists of important passages, Koranic terminology, famous quotes, and further reading resources, The Koran For Dummies makes it easy and enjoyable for you to grasp the teachings and significance of Islam's holy book.

THE COMPLETE INFIDEL'S GUIDE TO FREE SPEECH (AND ITS ENEMIES)

Simon and Schuster *"JUST STAY QUIET AND YOU'LL BE OKAY."* That's what Mohamed Atta told the doomed airline passengers on 9/11. And we still hear the exact same message today from the powerful but shadowy lobby that is working behind the scenes to gut the First Amendment and prohibit "hate speech"—or any criticism—of Islam. As bestselling author Robert Spencer shows in his startling new book, *The Complete Infidel's Guide to Free Speech (and Its Enemies)*, aggressive Muslims and their appeasers have mounted a dangerous and disturbingly successful campaign against our constitutional rights. Spencer reveals: How social media behemoths Facebook and Twitter—not to mention student groups at American college campuses—are doing the bidding of anti-First Amendment Muslim activists Why core Islamic teachings make criticism of Islam punishable by death How American representatives at the United Nations have already agreed to limit freedom of speech How Curt Schilling and other outspoken conservatives have lost their jobs for criticizing Islam Why Twitter and Facebook now regularly censor speech critical of Islam—while allowing death threats against its critics How blasphemy laws in Muslim countries are used as a pretext for arresting, even lynching Christians How European "hate speech" laws are used to prosecute and harass critics of Islam Why appeasement of Islam is endangering our First Amendment freedoms and could lead to your prosecution for "hate speech" If you value your First Amendment rights, you owe it to yourself to read *The Complete Infidel's Guide to Free Speech (and Its Enemies)*. It will give you the information and tools you need to fight back—because Islam and its progressive fellow travelers have only begun their campaign to define what you can read, say, and think.

THE TRUTH ABOUT MUHAMMAD

FOUNDER OF THE WORLD'S MOST INTOLERANT RELIGION

Simon and Schuster *Muhammad: a frank look at his influential (and violent) life and teachings* In *The Truth about Muhammad*, New York Times bestselling author and Islam expert Robert Spencer offers an honest and telling portrait of the founder of Islam—perhaps the first such portrait in half a century—unbounded by fear and political correctness, unflinching, and willing to face the hard facts about Muhammad's life that continue to affect our world today. From Muhammad's first "revelation" from Allah (which filled him with terror that he was demonpossessed) to his deathbed (from which he called down curses upon Jews and Christians), it's all here—told with extensive documentation from the sources that Muslims themselves consider most reliable about Muhammad. Spencer details Muhammad's development

from a preacher of hellfire and damnation into a political and military leader who expanded his rule by force of arms, promising his warriors luridly physical delights in Paradise if they were killed in his cause. He explains how the Qur'an's teaching on warfare against unbelievers developed-with constant war to establish the hegemony of Islamic law as the last stage. Spencer also gives the truth about Muhammad's convenient "revelations" justifying his own licentiousness; his joy in the brutal murders of his enemies; and above all, his clear marching orders to his followers to convert non-Muslims to Islam-or force them to live as inferiors under Islamic rule. In The Truth about Muhammad, you'll learn - The truth about Muhammad's multiple marriages (including one to a nine-year-old) - How Muhammad set legal standards that make it virtually impossible to prove rape in Islamic countries - How Muhammad's example justifies jihad and terrorism - The real "Satanic verses" incident (not the Salman Rushdie version) that remains a scandal to Muslims - How Muhammad's faulty knowledge of Judaism and Christianity has influenced Islamic theology--and colored Muslim relations with Jews and Christians to this day. Recognizing the true nature of Islam, Spencer argues, is essential for judging the prospects for largescale Islamic reform, the effective prosecution of the War on Terror, the democracy project in Afghanistan and Iraq, and immigration and border control to protect the United States from terrorism. All of which makes it crucial for every citizen (and policymaker) who loves freedom to read and ponder The Truth about Muhammad

A TOPICAL GUIDE TO THE KORAN & SHARIA LAW

VOLUME 1

Xlibris Corporation *This book is based on the 1734 translation of the Koran by George Sale. This translation is in King James English, making comparisons between it and the King James Bible easily. This is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears. These verses are placed together so that the reader can readily determine the context and, therefore, the meaning of the word or phrase. In some instances such as the word "jihad," which does not appear in the Sale translation, it is traced in the University of Michigan's online translation of the Koran. There it appears thirteen times, but in only two does it mean an internal struggle. In the other eleven, it means warfare. When analyzing words and phrases in the Koran, it is important to know when they were received and written. It is also important to know that the Koran includes material that seems to come from other sources. This has been outlined in volume 2 of the 1,300 Years' War. As noted in volume 1 of the 1,300 Years' War, Muhammad (PBUH) has been thought by many for over 150 years to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations. These seizures last less than three minutes. It is, therefore, important to know which suras might have come from a single episode. A table shows this in volume 1 (table 8). Many scholars divide the Koran into four major periods: early Mecca (AD 610-615), mid-Mecca (AD 616), late Mecca (AD 617-621) and Medina (AD 622-632). The analysis of the verses in these periods found that militancy against non-Muslims progresses: 7.7 percent of the verses from early Mecca are militant. This rises to*

10.6 percent in the mid-Mecca period, and 18.3 percent in the late Mecca period. It tops out at 29.3 percent in the Medina period. The colored version of the topical guide shows these periods in black, blue, green, and red. In the black and white edition, it shows these four periods of the Koran in plain italics, boldface italics, regular plain type, and boldface regular type. The reason this division is important is the doctrine of abrogation (2:106) given early in the Medina period. This states that verses given later may nullify verses given earlier. Thus, many peaceful verses given in the early parts of the Koran may be nullified by the "verse of the sword" (9:5) given later toward the end of the prophet's life: "Slay the idolaters wherever you find them." So far as I have been able to determine, there has been no stylistic analysis of the Koran. A person studying the Koran or the history of Islam will find this work most valuable.

MUSLIMS OF MEDIEVAL LATIN CHRISTENDOM, C.1050-1614

Cambridge University Press An innovative study which explores how the presence of Muslim communities transformed Europe and stimulated Christian society to define itself.

A COMPREHENSIVE COMMENTARY ON THE QURAN

COMPRISING SALE'S TRANSLATION AND PRELIMINARY DISCOURSE:

Routledge This comprehensive set includes thorough examinations of the Qurán in Wherry's essential four volume commentary. There is also an excellent overview of Islam by the well known scholar Edward Sell, *The Faith of Islam* which examines the history of Islam, the different forms of Islam and religious practice. This set will prove to be an excellent historical resource for anyone interested in western scholarship of Islamic doctrine, and the writings in the Qurán

THE HIDAYAH OR GUIDE

A COMMENTARY ON THE MUSSULMAN LAWS

THE HEDAYA, OR GUIDE; A COMMENTARY ON THE MUSSULMAN LAWS: TRANSLATED BY ORDER OF THE GOVERNOR-GENERAL AND COUNCIL OF BENGAL, BY CHARLES HAMILTON

QURAN ENGLISH TRANSLATION

Ahmet Özdemir *The Quran*, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of

the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhmmad

THE KORAN (AL-QUR'AN)

Library of Alexandria

A COMPREHENSIVE COMMENTARY ON THE QURAN: COMPRISING SALE'S TRANSLATION & PRELIMINARY DISCOURSE, WITH ADDITIONAL NOTES & EMENDATIONS...BY THE REV. E.M. WHERRY...

THE QURAN

ENGLISH EDITION

e-artnow *The Quran is the central religious text of Islam, believed by Muslims to be a revelation from Allah. Muslims regard the Quran as Muhammad's most important miracle; a proof of his prophethood; and the culmination of a series of divine messages. The Quran describes itself as a book of guidance for mankind. It offers detailed accounts of specific historical events, and it often emphasizes the moral significance of an event over its narrative sequence. The Quran consists of 114 chapters of varying lengths, each known as a sūrah. Chapters are classified as Meccan or Medinan, depending on whether the verses were revealed before or after the migration of Muhammad to the city of Medina. Each sūrah consists of several verses, known as āyāt, which originally means a "sign" or "evidence" sent by God. The Quranic content is concerned with basic Islamic beliefs including the existence of God and the resurrection. Narratives of the early prophets, ethical and legal subjects, historical events of Muhammad's time, charity and prayer also appear in the Quran. The Quranic verses contain general exhortations regarding right and wrong and historical events are related to outline general moral lessons. In this edition of Quran the sūrahs are ordered chronologically.*

HERETIC

HarperCollins Australia *While the world of political Islam continues to be dominated by acts of violence and a separatist agenda, there are signs of reform in the Arab Spring movement. Ayaan Hirsi Ali who has been at the forefront of the reform movement offers an analysis of what's happening and how it could happen faster. Around the world cracks are starting to appear in the world of political Islam. While its leaders remain strong and defiant and while it continues to be characterized by separatism and an agenda of violence, a number of people have questioned its rigid stances - from Pakistani schoolgirl Malala Yousafzai to Amina Tyler, the activist who posed nude on Facebook to make a point about women's bodies belonging to themselves. Beyond that, political movements across the Middle*

East - the 'Arab Spring' protests - show that a number of Muslims are increasingly fed up by what they see as a system which is too inflexible, often corrupt and which prevents countries from getting ahead. Author Ayaan Hirsi Ali has long been an outspoken critic of political Islam, specifically its treatment of women. In her books she's told her own story and how she escaped the bonds of a strict Muslim upbringing. In this book she moves beyond the personal story to a more overtly political stance. While women remain her main concern she also addresses Islam's other problems - its emphasis on passivity, its hypocrisy about the modern world, its defensiveness when criticized. Analysing the embryonic protest movements from around the world, she asks what it would take to achieve a reformation - and how long it will take.

DEATH TO THE INFIDELS

RADICAL ISLAM'S WAR AGAINST THE JEWS

St. Martin's Press For more than a century, much of the attention given to the Middle East has focused on the Arab-Israeli conflict. The rise of a Palestinian offshoot of Egypt's Muslim Brotherhood, the Islamic Resistance Movement, or Hamas, transformed the nature of the conflict between Israel and the Palestinians. According to Bard, the dispute, in the view of Hamas, is not over a division of Palestine, but rather about Jews ruling over Muslims and the presence of Jews on Islamic land. However, this Islamic-Jewish conflict is not simply confined to the Middle East. Muslim terrorist attacks have been directed at Jews all around the world, from Europe to Asia to Latin America. Radical Muslims in European countries are becoming more brazen, particularly in France, where the Muslims constitute nearly ten percent of the population. In just the last year, there have been several Muslim attacks on Jews throughout France. *Death to the Infidels* documents the growth of radical Islam in the Middle East and how, from the author's interpretation, it has transformed what had primarily been a political conflict into a one-sided religious war limiting the prospect for peace, particularly in Israel.

NOW THEY CALL ME INFIDEL

WHY I RENOUNCED JIHAD FOR AMERICA, ISRAEL, AND THE WAR ON TERROR

Penguin A political and personal odyssey from hatred to love When Nonie Darwish was a girl of eight, her father died while leading covert attacks on Israel. A high-ranking Egyptian military officer stationed with his family in Gaza, he was considered a *shahid*, a martyr for jihad. Yet at an early age, Darwish developed a skeptical eye about her own Muslim culture and upbringing. Why the love of violence and hatred of Jews and Christians? Why the tolerance of glaring social injustices? Why blame America and Israel for everything? Today Darwish thrives as an American citizen, a Christian, a conservative Republican, and an advocate for Israel. To many, she is now an infidel. But she is risking her comfort and her safety to reveal the many politically incorrect truths about Muslim culture that she knows firsthand.

AHMED-DEEDAT-REVEALING-THE-TRUTH-THE-ULTIMATUM-MANUAL

ALL YOU YOU SHOULD KNOW ABOUT JESUS, PEACE BE UPON HIM

THE ROLE OF WOMEN TOWARDS THE SYSTEM OF WILAYAT

Createspace Independent Publishing Platform Why do you need a System of Wilayat? What are the effects of a Fironic system on a society? What current system are you living your live? Can you secure your end by being indifferent to the system in which you are living? What role women have to play in establishing a system of wilayah in a society? This book addresses these questions in an elegant and easy to understand manner. This book is a translation of the Urdu Seminar "Nizam-e-Wilayat" delivered by: Hujjatul Islam Sayed Jawad Naqvi. It is an eye opener for us that makes us realize our faults and our responsibilities towards the society in which we are living our lives. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, For a complete list of our published books please refer to our website (www.shia.es) or send us an email to info@shia.es

THE SECULAR CHRONICLE

ISLAM AND OTHER FAITHS

IIIT Collected in this volume are Ismail al-Faruqi's articles written over a span of two decades, which deal directly with Islam and other faiths, and Christianity and Judaism in particular. The book provides a good cross-section of al-Faruqi's contribution to the study of comparative religion and covers a wide spectrum of inter-religious issues including commonality and differences between Islam, Christianity and Judaism, Muslim-non-Muslim relations, and the issue of Mission and

Da'wah. It is a fascinating study by an engaging and challenging scholar and activist of our time.

CHASING DAVIS

AN ATHEIST'S GUIDE TO MORALITY USING LOGIC AND SCIENCE

iUniverse *When author James Luce was a boy, his father once summarized his moral philosophy of life in one sentence: Your rights end at the tip of my nose. Many years later, after embarking on his own voyage of reflection, Luce finally understood his fathers words. In Chasing Davis, he shares a set of unique ethical tools and blueprints that can be conceived and implemented by either societies or individuals, ultimately creating a moral life solely guided by logic and science rather than superstition or belief in divine guidance. Luce believes it is time for a new genesis of moral living. He relies on several decades of research and contemplation as well as ancient and newly acquired wisdom as he carefully examines the difference between good and evil, the importance of self-awareness, and the reasons that morality is not dependent upon the existence of any god. Seekers of the truth and new ideas will learn the meaning and consequences of perception, as well as how to train ourselves to think more productively and morally and why laws, government, and religions are symptoms of our immorality. Chasing Davis provides a practical, objective set of behavioral and cognitive guidelines that will help anyone live a moral life, regardless of individual cultural, religious, or philosophic antecedents.*

RESURRECTION (MA'AD) IN THE QURAN

Createspace Independent Publishing Platform *Discussions on Resurrection and life after death from Islamic perspective.*

A TOPICAL GUIDE TO THE KORAN & SHARIA LAW

VOLUME 2

Xlibris Corporation *This book is based on the 1734 translation of the Koran by George Sale. This translation is in King James English, making comparisons between it and the King James Bible easily. This is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears. These verses are placed together so that the reader can readily determine the context and, therefore, the meaning of the word or phrase. In some instances such as the word "jihad," which does not appear in the Sale translation, it is traced in the University of Michigan's online translation of the Koran. There it appears thirteen times, but in only two does it mean an internal struggle. In the other eleven, it means warfare. When analyzing words and phrases in the Koran, it is important to know when they were received and written. It is also important to know that the Koran includes material that seems to come from other sources. This has been outlined in volume 2 of the 1,300 Years' War. As noted in volume 1 of the 1,300 Years' War, Muhammad (PBUH) has been thought by many for over 150 years to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations. These seizures last less than three minutes. It is, therefore, important to know which suras*

might have come from a single episode. A table shows this in volume 1 (table 8). Many scholars divide the Koran into four major periods: early Mecca (AD 610–615), mid-Mecca (AD 616), late Mecca (AD 617–621) and Medina (AD 622–632). The analysis of the verses in these periods found that militancy against non-Muslims progresses: 7.7 percent of the verses from early Mecca are militant. This rises to 10.6 percent in the mid-Mecca period, and 18.3 percent in the late Mecca period. It tops out at 29.3 percent in the Medina period. The colored version of the topical guide shows these periods in black, blue, green, and red. In the black and white edition, it shows these four periods of the Koran in plain italics, boldface italics, regular plain type, and boldface regular type. The reason this division is important is the doctrine of abrogation (2:106) given early in the Medina period. This states that verses given later may nullify verses given earlier. Thus, many peaceful verses given in the early parts of the Koran may be nullified by the “verse of the sword” (9:5) given later toward the end of the prophet’s life: “Slay the idolaters wherever you find them.” So far as I have been able to determine, there has been no stylistic analysis of the Koran. A person studying the Koran or the history of Islam will find this work most valuable.

ISLAM UNVEILED

DISTURBING QUESTIONS ABOUT THE WORLD'S FASTEST-GROWING FAITH

Encounter Books In *Islam Unveiled*, Robert Spencer dares to face the hard questions about what the Islamic religion actually teaches--and the potentially ominous implications of those teachings for the future of both the Muslim world and the West. Going beyond the shallow distinction between a "true" peaceful Islam and the "hijacked" Islam of terrorist groups, Spencer probes the Koran and Islamic traditions (as well as the history and present-day situation of the Muslim world) as part of his inquiry into why the world's fastest growing faith tends to arouse fanaticism. *Islam Unveiled* evaluates the relationship between Islamic fundamentalism and "mainstream" Islam; the fixation with violence and jihad; the reasons for Muslims' disturbing treatment of women; and devastating effects of Muslim polygamy and Islamic divorce laws. Spencer explores other daunting questions--why the human rights record of Islamic countries is so unrelievedly grim and how the root causes of this record exist in basic Muslim beliefs; why science and high culture died out in the Muslim world--and why this is a root cause of modern Muslim resentment. He evaluates what Muslims learn from the life of Muhammad, the man that Islam hails as the supreme model of human behavior. Above all, this provocative work grapples with the question that most preoccupies us today: can Islam create successful secularized societies that will coexist peacefully with the West's multicultural mosaic?

JESUS WARS

HOW FOUR PATRIARCHS, THREE QUEENS, AND TWO EMPERORS

DECIDED WHAT CHRISTIANS WOULD BELIEVE FOR THE NEXT 1,500 YEARS

Harper Collins *The Fifth-Century Political Battles That Forever Changed the Church* In this fascinating account of the surprisingly violent fifth-century church, Philip Jenkins describes how political maneuvers by a handful of powerful characters shaped Christian doctrine. Were it not for these battles, today's church could be teaching something very different about the nature of Jesus, and the papacy as we know it would never have come into existence. *Jesus Wars* reveals the profound implications of what amounts to an accident of history: that one faction of Roman emperors and militia-wielding bishops defeated another.

A FOOL'S GUIDE TO WISDOM

Xulon Press *Paradox is present when the opposite of what one expects to be true, is true. The capacity to see paradox is the prerequisite to becoming wise. It is expressed when the weak become strong, those who lose their life find it, and the disheartened find the Lord who uses those "things that are not to nullify the things that are" (1 Corinthians 1:28 NIV). This work demonstrates paradox in health, medicine, business, organizational leadership, cultural myths related to the family, the symptomatic solutions common in political and social structures, and in the spirituality expressed by people of faith. As the former director of an adolescent rehabilitation facility, the author has a keen awareness of the devastation caused by the failures of this generation. Clear and concise recommendations demonstrate the small changes that create enormous differences. We will discover that wisdom begins when we 'fear the Lord' and have 'knowledge of the Holy One.' The wise see paradox, but not because they look for it. Their openness of thought leads to a perception that life is an interaction of complex systems and ideas that truly transcend us all. Those with the God-given capacity to integrate knowledge, emotion, and faith will, in the end, find wisdom.* Rick Myatt is a licensed psychotherapist with an extensive history. From building an orphanage in a war-torn country to becoming the director of an adolescent psychiatric rehabilitation facility, his experience includes crisis intervention, treating sexual addictions, and caring for children victimized by the murder of parents and child prostitution. With Masters Degrees in Marriage and Family Therapy and in Theology, he has also completed all Ph. D. coursework in Family Sociology. He currently specializes in organizing his community to detect and prevent workplace violence.

THE INTERPRETATION OF THE MEANING OF THE HOLY QURAN VOLUME 49 - SURAH AL-QASAS VERSE 46 TO 88

I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The

misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin
