An adorable cowboy romance from USA Today bestselling author Cindi Madsen featuring fan-favorite tropes: Friends to lovers The girl next door Brady Dawson grew up running the Turn Around Ranch with his parents and his brothers. The Turn Around offers safety and rehabilitation for troubled teens, and doesn't leave a lot of downtime, so it's lucky his best friend is the girl next door, Tanya Greer. Everyone tries to label them as more than friends, but they've never crossed that line. Well, except that one time... Tanya's family's dude ranch isn't attracting a crowd anymore in their small town. Tanya would love to turn the ranch around as a summer riding camp for city kids, but her parents refuse to consider her idea. They still seem to think of Tanya as a kid herself. So when they get an offer from a slick businessman, it looks like they're going to sell. And when Tanya is offered a well-paying job in the city, she knows it's time to forget her dreams for the ranch, and her hopes of being more than friends with Brady.****

Even though their meddling parents have hung what seems like unlimited amounts of mistletoe everywhere she goes this holiday season, Julie knows some things will never change. Gavin is well-aware his family's wanted him and Julie to get together since forever, even though he's been friend-zoned since they could talk—and he's been happy to play that role. After all, as the new starting quarterback for the San Antonio Mustangs, he's got enough on his plate without adding romance to the mix. But between playing elves in the holiday bazaar to nights spent one-on-one watching rom-coms or soaking in their town's hot springs, suddenly the "reverse parent trap" they've fallen into is actually starting to work. But Darby has rules about dating, ones she's culled from her years spent with so-called "princes," and starting something with Jake would break all of them. He's got only a few weeks until draft day to turn things around, and after firing more than half his staff, he can't do it alone. Charlotte James has made a life out of following the rules. But nothing could have prepared her for Lance Quaid—he's a human resources nightmare. The man is brash, has no filter, and, as her new boss, is constantly relying on her to cover his ass. Which is admittedly quite nice. When Lance begs her to join him on a trip down the coast for his brother's wedding so they can finalize details—on a strictly business basis—she agrees...after they fill out the necessary forms, of course. The sultry voice that blares out of your speakers when you're sipping your first coffee of the day, or driving to work, stuck in traffic. I'm the DJ that most of the women in Sacramento lust after. Everyone knows me, knows my reputation: ladies' man, bad boy, eternally single commitment-phobe. I have my own reasons for needing to stay single, my own demons to battle with. To a gorgeous green-eyed girl, Kelley, I only met yesterday in a coffee shop. A killer hangover later, it turns out that this playboy is off the market. But there are three problems: 1) I'm married to a girl I met less than twenty-four hours ago. 2) No woman has ever been able to change my ways - who says that Kelley's going to be any different? 3) Kelley must be the one lady in this city who doesn't know who I am - and that means she doesn't know about my past, about the issues that haunt me. This approach suggests that good and bad

behavior are both learned and can be changed, and proposes specific methods, skills, procedures, and strategies for parents to use in getting improved behavior from their children. The guide is divided into four sections. Section 1 presents some fundamentals of child behavior and effective discipline. Some of the causes of children's misbehavior are examined as well as ways of increasing good behavior and eliminating bad ones. Section 2 provides advice for implementing the "time-out" method. Section 3 gives suggestions on how to: (1) manage bad behavior away from home; (2) use points, tokens, and contracts; (3) use time-out on two children at the same time; (4) use time-out on a toy instead of the child; (5) handle aggressive and dangerous behavior; and (6) help children express feelings. Section 4 suggests some additional resources for helping children. Each chapter includes a review of the most important ideas and instructions presented. The book's two appendices include an index of problem behaviors, quizzes and answers for parents, more resources for professionals, and tear-out sheets for parents and teachers. Approximately 60 references are included. A videotape, not available from ERIC, demonstrates the child-rearing rules, and errors to avoid, as well as other child management methods. A printed "Video Leader's Guide" for the training leaders provides objectives, suggested outlines for workshops, and guidelines for discussing the behavior vignettes in the video. Workshop evaluation forms and handouts are appended. A parent audio cassette on how to use "time out" effectively is also part of this multimedia package. Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In Haunting Experiences, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts Highland Deception Entangled: Select Historical National Readers Choice Winner and Holt Medallion Historical Winner Scotland, 1642.
