IN NORTH AND SOUTH AMERICA, IN INDIA, CHINA AND THE BRITISH COLONIES****SELF-FULFILLING PROPHECY****A PRACTICAL GUIDE TO ITS USE IN EDUCATION**

Greenwood Publishing Group What we expect, all too often, is exactly what we get. Nowhere is this more true than in education, where teachers' expectations of students are crucial. The self-fulfilling prophecy should be of great interest to teachers, both those in training and those in service. Whether or not a teacher is aware of it, the self-fulfilling prophecy is at work, impacting students either to their benefit or their detriment. It follows that teachers should be made aware of the SFP and how it can be used effectively in education. Using the new on-line research facilities, Dr. Tauber has compiled over 700 doctoral dissertations and countless journal articles on stereotyping, perception of social differences, race, gender, ethnicity, body features, age, socioeconomic levels, special needs, and other personal and situational factors. The last part of the book presents a collection of testimonials written from the viewpoint of practitioners.

PROPHETS OF RAGE**THE BLACK FREEDOM STRUGGLE IN SAN FRANCISCO, 1945-1969**

Taylor & Francis The Black Panther Party has been at once the most maligned and most celebrated Black Power organization, and this study explores the party's origins in the tumultuous history of race relations in the San Francisco Bay Area after the Second World War. The massive influx of African American migrants into the Bay Area during the war years upset the racial status quo that the white majority and tiny black minority had carefully crafted and maintained for more than a century. This realignment of racial boundaries strained relations between whites and blacks, and the postwar crises of black unemployment, inadequate housing, segregated schools, and police brutality produced in the Bay Area a virtual race war that culminated in the black revolution of the 1960s. Despite the attempts of moderate African American leaders to push for civil rights and black equality in the 1950s and 1960s, a new generation of militants came to the fore in the 1960s. Emerging from the direct-action protests of the Congress of Racial Equality and the Community Action Programs of the War on Poverty, this new radical leadership agitated for black self-determination and trumpeted black pride and self-sufficiency. From this maelstrom sprang the Black Panther Party, led by two ghetto toughs whose families had fled Dixie for the promised land of California during the Second World War. These prophets of rage would transform the nature of African American protest, change the character of domestic policy, and redefine the meaning of blackness in America. Also includes maps.

THE NEW PROPHECY AND "NEW VISIONS"**EVIDENCE OF MONTANISM IN THE PASSION OF PERPETUA AND FELICITAS**

CUA Press In this book, Rex D. Butler examines the Passion for evidence of Montanism and proposes that its three authors--Perpetua, Saturus, and the unnamed editor--were Montanists.

THE PROPHET OF NAZARETH; OR, THE ONE STORY OF THE FOUR GOSPELS. WITH A PREFACE BY REV. J. C. MILLER**JOHN THE BAPTIZER AND PROPHET****A SOCIOHISTORICAL STUDY**

Wipf and Stock Publishers This volume, a revised version of a doctoral dissertation submitted to the University of Sheffield in 1990, places John the Baptist within his first-century Jewish context by exploring his public roles and activities as a baptizer and a prophet as they would have been understood within the sociohistorical context of Second Temple Judaism. After surveying the relevant traditions concerning John the Baptist (in particular, Josephus, canonical Gospels, and extracanonical sources), the volume turns to the use of ablutions and immersions in the Hebrew Bible, in Second Temple Jewish literature, and especially in the Qumran literature. In light of this context, several functions of John's baptism are proposed both in continuity with his context and in distinction from it. Then, Webb explores John's role as a prophet in two respects. First, after surveying the expectation of eschatological figures of judgment and restoration in the Hebrew Bible and Second Temple Jewish literature, John's own proclamation of a coming one is understood as describing

Yahweh's coming to judge and restore, but through an unspecified human agent. Second, in light of the varieties of prophetic figures in the Second Temple period, John is best understood as a popular prophet who uses the symbolic event of the people's baptism in the Jordan River and their return home to symbolize not only their entrance into the true remnant Israel but also their entrance into the Promised Land. When this symbolic activity is placed alongside John's prophetic critique of Herod Antipas and of Herod's marriage, the social and political implications of this critique become evident. The symbolic activity and strong critique led to the Baptist's death under Herod Antipas.
