Motorworld

Penguin UK Jeremy Clarkson invites us to Motorworld, his take on different cultures and the cars that they drive. There are ways and means of getting about that don't involve four wheels, but in this slice of vintage Clarkson, Jeremy isn't much interested in them. Back in 1996, he took himself off to twelve countries (okay, eleven - he goes to America twice) in search of the hows, whys and wherefores of different nationalities and their relationships with cars. There were a few questions he needed answers to:

- Why, for instance, is it that Italians are more interested in looking good than looking where they are going?
- Why do Indians crash a lot?
- How can an Arab describe himself as 'not a rich man' with four of the world's most expensive cars in his drive?
- And why have the otherwise neutral Swiss declared war on the car?

From Cuba to Iceland, Australia to Vietnam, Japan to Texas, Jeremy Clarkson tells us of his adventures on and off four wheels as he seeks to discover just what it is that makes our motorworld tick over. Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out

Number-one bestseller Jeremy Clarkson writes on cars, current affairs and anything else that annoys him in his sharp and funny collections. *Born To Be Riled*, *Clarkson On Cars*, *Don't Stop Me Now*, *Driven To Distraction*, *Round the Bend* and *I Know You Got Soul* are also available as Penguin paperbacks; the Penguin App *iClarkson: The Book of Cars* can be downloaded on the App Store. Jeremy Clarkson because his writing career on the Rotherham Advertiser. Since then he has written for the Sun and the Sunday Times. Today he is the tallest person working in British television, and is the presenter of the hugely popular Top Gear.

What Did Jesus Drive

Crisis PR in Cars, Computers and

Christianity

Waldorf Publishing Ever wonder what it would be like to work Public Relations for Ford, or General Motors? Imagine a thousand cameras flashing in your eyes through a forest of microphones, everyone millions of dollars and world-wide headlines riding on your every word as you try to navigate your company through crisis, time and time again. It's not for the faint of heart... But it does make for one entertaining memoir! Welcome to the life of Jason Vines, the man who preserved the good name of Ford/Firestone, Jeep, General Motors, Nissan, Chevy, and other mega-companies throughout one catastrophe after the next. In Vines' candid first book, "What Did Jesus Drive", you'll hear about all the trials, tribulations, hilarity, and heartbreak of being a master PR consultant - straight from the man with the silver tongue himself! Outrageous as it is insightful, shocking as it is refreshing; "What Did Jesus Drive" will have you laughing yourself hoarse all the while teaching you how to keep your cool with IT hits the fan! This isn't the PR class you took in Business School! And relax; this is not a book about Jesus. (Although he does appear in two chapters: first as a Hispanic grandfather from Waterford, Michigan, and later as the real Prince of Peace.) No, this book is about a life in the public relations blast furnace of the automotive industry; being the only man on the front line. If you're a company owner, CEO, PR professional, the lessons and stories in this book are INVALUABLE for you and everyone in your PR department! Even if you're just somebody who enjoys a look into the wild ride in the world of corporate America, this book is for you. Get your copy of "What Did Jesus Drive" now, and let the games begin! **Reviews**** "Jason's story telling is his honest account of time well spent in a career documenting numerous pivotal events we all want to hear about." - Lee Iacocca "Get me Jason Vines! How I wish as the candidates I worked for screamed, screwed, or gaffed their way into crisis, I had called on Jason Vines. This is more than a corporate PR book - it's a masters' class, no holds barred, white knuckle ride of insights and wisdom for anyone whose job it is to communicate for a living." - ?????? "Jason Vines in raw and real story telling of his own journey explains to every politician, celebrity, corporate communications professional and government agency that has ever faced trouble (yes I am talking about you NFL - read this one Goodell!) why we have such a hard time telling the truth, why that's the whole frickin' problem and what we can do about it." - Joe Trippi, Democratic Campaign and Media Consultant. "Jason Vines lived The Hurt Locker, defusing one public relations I.E.D. after another. To think some of the largest corporations we can name have been this close to pure PR disaster, and yet were saved by the insight Jason earned from decades of corporate cage fights, is truly amazing." - Dutch Mandel, AutoWeek Publisher "I always knew I could count on Jason for an unbiased and honest opinion." - Dr. Ricardo Martinez, MD, FACEP and former NHTSA Administrator**

Car Guys vs. Bean Counters

The Battle for the Soul of American Business

Penguin A legend in the car industry reveals the philosophy that's starting to turn General Motors around. In 2001, General Motors hired Bob Lutz out of retirement with a mandate to save the company by making great cars again. He launched a war against penny pinching, office politics, turf wars, and risk avoidance. After declaring bankruptcy during the recession of 2008, GM is back on track thanks to its embrace of Lutz's philosophy. When Lutz got into the auto business in the early sixties, CEOs knew that if you captured the public's imagination with great cars, the money would follow. The car guys held sway, and GM dominated with bold, creative leadership and iconic brands like Cadillac, Buick, Pontiac, Oldsmobile, GMC, and Chevrolet. But then GM's leadership began to put their faith in analysis, determined to eliminate the "waste" and "personality worship" of the bygone creative leaders. Management got too smart for its own good. With the bean counters firmly in charge, carmakers (and much of American industry) lost their single-minded focus on product excellence. Decline followed. Lutz's commonsense lessons (with a generous helping of fascinating anecdotes) will inspire readers at any company facing the bean counter analysis-paralysis menace.

Auto Repair For Dummies

John Wiley & Sons Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide-

-400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Dodge Dart and Plymouth Duster

In 1964, Chrysler offered an optional V-8 with its popular Dodge Valiant. Banking on the resulting success of this option package, Chrysler went on to release a decade worth of low-priced, high-performance muscle cars based on the "A-body" Valiant, including the Dodge Dart GT and GTS, the Swinger 340, and the Demon, as well as the Plymouth Duster. Today, these cars' phenomenal sales figures translate to a thriving Dart and Duster enthusiast scene. Color photography of restored and factory-original vehicles, along with archival black-and-white images, are accompanied by an authoritative history examining the development of the cars. In addition to model histories for each, there are in-depth discussions of vehicle design and production, driving impressions, accessories and options, popular performance upgrades of the period, and the cars' successful histories at the drag strip.

Lifelong Learning

Riding the Tiger

Burns & Oates This book provides the first comprehensive picture of lifelong learning and the radical changes needed if it is to become the cultural norm. Clearly written and readily accessible, the book identifies the shifts in attitude and behaviour which are needed to establish a lifelong learning culture. Looking ahead over the next quarter of a century, Jim Smith and Andrea Spurling show how government and learning providers must fundamentally reassess their use of time, space and finance. But, more than that, they also offer a practical, comprehensive

and robust strategy for lifelong learning. Through trenchant analysis based on research commissioned by The Lifelong Learning Foundation, this book shows ways of confronting difficult choices and realizing the aim of comprehensive lifelong learning.

Vogue x Music

Abrams Vogue has always been on the cutting edge of popular culture, and Vogue x Music shows us why. Moments of Grace

Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a

stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword
