KEY=VS - HUFFMAN NICHOLSON

DC VERSUS MARVEL

Presenting the long-contested face-off between the powerhouses of comics, we find heroes and villains crossing over from each dimension into the other and celestial beings begin a strange and deadly cosmic chess game to determine which universe is more powerful.

DC VERSUS MARVEL COMICS

Dc Comics Written by Ron Marz and Peter David; Art by various Imagine if Coke and Pepsi got together and let consumers decide who would win in a fight. That's exactly what happened when the two biggest comic book publishers, DC Comics and Marvel Comics decided to write an epic story in which their legendary characters would not only interact and battle, but the fans would decide who would win those wars. See who triumphs when Superman takes on the Hulk, Spider-Man goes up against Superboy, Batman fights Captain America, Wolverine battles Lobo, Wonder Woman faces off against Storm, and the Silver Surfer brawls with Green Lantern.

LEGENDS (1986-) #1

DC Comics Continued from DETECTIVE COMICS #568, featuring the first appearance of Amanda Waller! Darkseid once again reigns supreme on Apokolips, but the legendary super heroes of Earth remain a thorn in his side. Thus, he begins his quest to conquer the DC heroes—by turning the people themselves against them! Continued in GREEN LANTERN CORPS #207.

BATMAN AND CAPTAIN AMERICA

Dc Comics /John Byrne As World War II rages on, Batman and Captain America, along with their teenaged sidekicks Robin and Bucky, must become allies to combat the villainy of their greatest foes, the Joker and the Red Skull. This fun, fast paced tale is co-published with Marvel Comics and is drawn in a style reminiscent of the 1940s Golden Age of

SLUGFEST

INSIDE THE EPIC, 50-YEAR BATTLE BETWEEN MARVEL AND DC

Hachette UK Over the years, the companies have deployed an arsenal of schemes in an attempt to outmaneuver the competition, whether it be stealing ideas, poaching employees, planting spies, ripping off characters or launching price wars. Sometimes the feud has been vicious, at other times, more cordial. But it has never completely disappeared, and it simmers on a low boil to this day. This is the story of the greatest corporate rivalry never told. Other books have revealed elements of the Marvel-DC battle, but this will be the first one to put it all together into a single, juicy narrative. It will also serve as an alternate history of the superhero, told through the lens of these two publishers.

INFINITY GAUNTLET

Marvel Enterprises The battle that rocked the very foundation of the Marvel Universe comes to you in one collected trade paper back. In the known universe there are six stones, called the Infinity Gems, that control all power, space, time, minds, reality and souls. The mad Titan, Thanos, brutally collects the stone so that he may reshape the universe in the visage of his love, the embodiment of Death. His tribute to her; the death of half the universe Only the combined forces of Earth's heroes and villains stand in the way of Thanos accession. Can even the mingled might of the Avengers, Dr. Strange, the X-Men, Spider Man and the Silver Surfer stay the power of a god? Prepare True Believer, for one of the greatest battles in the history of the Marvel Universe What comic book fan doesn't remember the threat of Thanos and his quest for godhood. Infinity Gauntlet is a modern classic that no collector would want to be

STAN LEE

THE MAN BEHIND MARVEL

Rowman & Littlefield The Amazing Spider-Man. The Incredible Hulk. The Invincible Iron Man. Black Panther. These are just a few of the iconic superheroes to emerge from the mind of Stan Lee. From the mean streets of Depression-era New York City to recipient of the National Medal of Arts, Lee's life has been almost as remarkable as the thrilling adventures he spun for decades. From millions of comic books fans of the 1960s through billions of moviegoers around the globe, Stan Lee has touched more people than almost any person in the history of popular culture. In Stan Lee: The Man behind Marvel, Bob Batchelor offers an eye-opening look at this iconic visionary, a man who created (with talented artists) many of history's most legendary characters. In this energetic and entertaining biography, Batchelor explores how Lee capitalized on natural talent and hard work to become the editor of Marvel Comics as a

teenager. After toiling in the industry for decades, Lee threw caution to the wind and went for broke, co-creating the Fantastic Four, Spider-Man, Hulk, Iron Man, the X-Men, the Avengers, and others in a creative flurry that revolutionized comic books for generations of readers. Marvel superheroes became a central part of pop culture, from collecting comics to innovative merchandising, from superhero action figures to the ever-present Spider-Man lunchbox. Batchelor examines many of Lee's most beloved works, including the 1960s comics that transformed Marvel from a second-rate company to a legendary publisher. This book reveals the risks Lee took to bring the characters to life and Lee's tireless efforts to make comic books and superheroes part of mainstream culture for more than fifty years. Stan Lee: The Man behind Marvel not only reveals why Lee developed into such a central figure in American entertainment history, but brings to life the cultural significance of comic books and how the superhero genre reflects ideas central to the American experience. Candid, authoritative, and utterly absorbing, this is a biography of a man who dreamed of one day writing the Great American Novel, but ended up doing so much more—changing American culture by creating new worlds and heroes that have entertained generations of readers.
