Kiss of the Highlander

Dell **A laird trapped between centuries... Enchanted by a powerful spell, Highland laird Drustan MacKeltar slumbered for nearly five centuries hidden deep in a cave, until an unlikely savior awakened him. The enticing lass who dressed and spoke like no woman he'd ever known was from his distant future, where crumbled ruins were all that remained of his vanished world. Drustan knew he had to return to his own century if he was to save his people from a terrible fate. And he needed the bewitching woman by his side.... A woman changed forever in his arms... Gwen Cassidy had come to Scotland to shake up her humdrum life and, just maybe, meet a man. How could she have known that a tumble down a Highland ravine would send her plunging into an underground cavern — to land atop the most devastatingly seductive man she'd ever seen? Or that once he'd kissed her, he wouldn't let her go? Bound to Drustan by a passion stronger than time, Gwen is swept back to sixteenth-century Scotland, where a treacherous enemy plots against them ... and where a warrior with the power to change history will defy time itself for the woman he loves....**

Captive in a century not her own, entirely too bold, too outspoken, she was an irresistible challenge to the sixteenth-century rogue. Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm's length—but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect "no" on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne's reservations were no match for Hawk's determination to keep her by his side. . . .

Kingdom of Shadow and Light

Dell **NEW YORK TIMES BESTSELLER** • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation. From the moment MacKayla Lane arrived in Dublin to hunt her sister's murderer, she's had to fight one dangerous battle after the next: to survive, to secure power, to keep her city safe, to protect the people she loves. The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her

greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she's ever learned and everyone she's ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . . One who's willing to sacrifice everything.

By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price.
