## Telephone Tales

Reminiscent of Scheherazade and *One Thousand and One Nights*, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine. Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (*The Forest*), *Telephone Tales* entertains, while questioning and imagining other worlds.

## The Colour Monster

One day, *Colour Monster* wakes up feeling very confused. His emotions are all over the place; he feels angry, happy, calm, sad and scared all at once! To help him, a little girl shows him what each feeling means through colour. A gentle exploration of feelings for young and old alike.

## The Grammar of Fantasy

## An Introduction to the Art of Inventing Stories

*Enchanted Lion Books* A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of *The Grammar of Fantasy* is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, *The Grammar of Fantasy* gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws

and paints for picture books, comics, and animations.

## Iqbal

*Simon and Schuster* When young Iqbal is sold into slavery at a carpet factory, his arrival changes everything for the other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

## The Colour Monster Goes to School

### Perfect book to tackle school nerves

*Kings Road Publishing* Follow The Colour Monster on a brand new adventure, as he navigates his way through his first day at school! Anna Llenas's popular Colour Monster is back, and this time he's heading off to school! But what exactly is school? A spooky castle filled with terrifying animals? A place in the sky, amongst the rainbows and clouds? From music lessons, to lunchtime, to making new friends, the Colour Monster's first day of school is filled with exciting new adventures.

## Letters From Father Christmas

*Houghton Mifflin Harcourt* Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a letter in a strange, spidery handwriting and a beautiful colored drawing or painting. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how the reindeer got loose and scattered presents all over the place; how the accident-prone North Polar Bear climbed the North Pole and fell through the roof of Father Christmas's house into the dining room; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house, and many more. No reader, young or old, can fail to be charmed by Tolkien's inventiveness in this classic holiday treat.

## Italian Made Simple

### Revised and Updated

*Crown* Whether you are planning a romantic Italian getaway, packing a knapsack for your junior year abroad, or just want to engage your Italian business associate in everyday conversation, Italian Made Simple is the perfect book for any self-learner. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

## I Want My Dummy!

*Andersen Press Limited* "Where is my dummy? I WANT MY DUMMY!" shrieks the Little Princess when the royal dummy mysteriously disappears, yet again. Wherever the King, Queen and courtiers hide her dummy, she always finds it even in the strangest of places . . . Will she ever give it up?

## Stick Man

*Scholastic Canada*

## Breaking Dawn

*Hachette UK* In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

## Networked

### The New Social Operating System

*MIT Press* How social networks, the personalized Internet, and always-on mobile connectivity are transforming—and expanding—social life. Daily life is connected life, its rhythms driven by endless email pings and responses, the chimes and beeps of continually arriving text messages, tweets and retweets, Facebook updates, pictures and videos to post and discuss. Our perpetual connectedness gives us endless opportunities to be part of the give-and-take of networking. Some worry that this new environment makes us isolated and lonely. But in *Networked*, Lee Rainie and Barry Wellman show how the large, loosely knit social circles of networked individuals expand opportunities for learning, problem solving, decision making, and personal interaction. The new social operating system of “networked individualism” liberates us from the restrictions of tightly knit groups; it also requires us to develop networking skills and strategies, work on maintaining ties, and balance multiple overlapping networks. Rainie and Wellman outline the “triple revolution” that has brought on this transformation: the rise of social networking, the capacity of the Internet to empower individuals, and the always-on connectivity of mobile devices. Drawing on extensive evidence, they examine how the move to networked individualism has expanded personal relationships beyond households and neighborhoods; transformed work into less hierarchical, more team-driven enterprises; encouraged individuals to create and share content; and changed the way people obtain information. Rainie and Wellman guide us through the challenges and opportunities of living in the evolving world of networked individuals.

### The Wolf Who Wanted to Travel the World

*Auzou Publishing* "Deep in the Faraway Forest, the wolf was bored to tears. One day, he had an idea...he would travel the world!"--Back cover.

### The Adventures of Captain Underpants

*Scholastic UK* George and Harold have created the greatest superhero in the history of their school — and now they're about to bring him to life! MEET CAPTAIN UNDERPANTS! HIS TRUE IDENTITY IS SO SECRET, EVEN HE DOESN'T KNOW WHO HE IS! FIGHTING FOR TRUTH, JUSTICE AND ALL THINGS PRE-SHRUNK AND COTTONY!

### The Story of a Snail Who Discovered the Importance of Being Slow

*Alma Books* Rebelde the snail can't stop asking his fellow molluscs awkward questions, starting with: why are we so slow? When he is finally banished from the snail community because of this, he is forced to travel the world alone. As he explores in his slow snail-like way, Rebelde makes new friends and goes on plenty of adventures, gaining wisdom from every new encounter. But when he finds out his friends are in danger, he decides to rush home to warn them. Will he get there in time to save them? Luis Sepúlveda's bestselling *The Story of a Snail Who Discovered the Importance of Being Slow* is a wonderful ode to diversity and unity, celebrating the importance of being slow in a world obsessed with speed.

## Visualising Facebook

### A Comparative Perspective

*UCL Press* Since the growth of social media, human communication has become much more visual. This book presents a scholarly analysis of the images people post on a regular basis to Facebook. By including hundreds of examples, readers can see for themselves the differences between postings from a village north of London, and those from a small town in Trinidad. Why do women respond so differently to becoming a mother in England from the way they do in Trinidad? How are values such as carnival and suburbia expressed

visually? Based on an examination of over 20,000 images, the authors argue that phenomena such as selfies and memes must be analysed in their local context. The book aims to highlight the importance of visual images today in patrolling and controlling the moral values of populations, and explores the changing role of photography from that of recording and representation, to that of communication, where an image not only documents an experience but also enhances it, making the moment itself more exciting.

## Digital Anthropology

*Taylor & Francis* Anthropology has two main tasks: to understand what it is to be human and to examine how humanity is manifested differently in the diversity of culture. These tasks have gained new impetus from the extraordinary rise of the digital. This book brings together several key anthropologists working with digital culture to demonstrate just how productive an anthropological approach to the digital has already become. Through a range of case studies from Facebook to Second Life to Google Earth, Digital Anthropology explores how human and digital can be defined in relation to one another, from avatars and disability; cultural differences in how we use social networking sites or practise religion; the practical consequences of the digital for politics, museums, design, space and development to new online world and gaming communities. The book also explores the moral universe of the digital, from new anxieties to open-source ideals. Digital Anthropology reveals how only the intense scrutiny of ethnography can overturn assumptions about the impact of digital culture and reveal its profound consequences for everyday life. Combining the clarity of a textbook with an engaging style which conveys a passion for these new frontiers of enquiry, this book is essential reading for students and scholars of anthropology, media studies, communication studies, cultural studies and sociology.

## Rapunzel

There's more to Rapunzel than excellent hair. Golden-haired princess Rapunzel is kept trapped in her lofty tower by a wicked witch, who lops off locks of her beautiful hair and sells them for her own profit. Can Rapunzel ever figure out a way to escape? From the Macmillan Prize-winning creator of Little Red, Bethan Woollvin, comes another witty twist on of a favourite fairy tale. This bold and funny story removes the handsome prince altogether, making Rapunzel the mistress of her own destiny. Printed with stunning pantone inks, Bethan Woollvin's unique and striking art style and drily comic voice make this the perfect gift for fairy tale fans of all ages.

## My Brilliant Friend

Beginning in the 1950s Elena and Lila grow up in Naples, Italy, mirroring two different aspects of their nation.

## The Tiny Seed

*Simon and Schuster* Text and illustrations relate the growth of a small seed that survives the winter cold to become a beautiful spring flower. On board pages.

## The Raft

*CreateSpace* "He opened his suitcase and a ray of sunshine came out. -It's for when I'm afraid of the dark in the new house where I will live.-" Five little refugees traveling on a raft, in the middle of the sea, hold on to their hopes for a brighter future. It ends on a positive note. \*\*\*\*\* 40 million refugees in the world are forced to flee their homeland under threat of persecution, conflict and violence. Children constitute about 40 percent of the world's refugees.

## Parliamo Italiano!

*Houghton Mifflin College Division* The Second Edition of Parliamo italiano! instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute Parliamo italiano! video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

# Colloquial Italian

## The Complete Course for Beginners

*Routledge* **Colloquial Italian: The Complete Course for Beginners** has been carefully developed by an experienced teacher to provide a step-by-step course to Italian as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Italian in a broad range of situations. No prior knowledge of the language is required. Colloquial Italian is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points An overview of the sounds of Italian Balanced, comprehensive and rewarding, Colloquial Italian is an indispensable resource both for independent learners and students taking courses in Italian. Audio material to accompany the course is available to download free in MP3 format from [www.routledge.com/cw/colloquials](http://www.routledge.com/cw/colloquials). Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Groundbreaking volume on the impact of the age of information on all aspects of society Includes coverage of the influence of the internet and the net-economy Describes the accelerating pace of innovation and social transformation Based on research in the USA, Asia, Latin America, and Europe

## The Wonderful Adventures of Nils

*Library of Alexandria* Once there was a boy. He was—let us say—something like fourteen years old; long and loose-jointed and towheaded. He wasn't good for much, that boy. His chief delight was to eat and sleep; and after that—he liked best to make mischief. It was a Sunday morning and the boy's parents were getting ready to go to church. The boy sat on the edge of the table, in his shirt sleeves, and thought how lucky it was that both father and mother were going away, and the coast would be clear for a couple of hours. "Good! Now I can take down pop's gun and fire off a shot, without anybody's meddling interference," he said to himself. But it was almost as if father should have guessed the boy's thoughts, for just as he was on the threshold—ready to start—he stopped short, and turned toward the boy. "Since you won't come to church with mother and me," he said, "the least you can do, is to read the service at home. Will you promise to do so?" "Yes," said the boy, "that I can do easy enough." And he thought, of course, that he wouldn't read any more than he felt like reading. The boy thought that never had he seen his mother so persistent. In a second she was over by the shelf near the fireplace, and took down Luther's Commentary and laid it on the table, in front of the window—opened at the service for the day. She also opened the New Testament, and placed it beside the Commentary. Finally, she drew up the big arm-chair, which was bought at the parish auction the year before, and which, as a rule, no one but father was permitted to occupy. The boy sat thinking that his mother was giving herself altogether too much trouble with this spread; for he had no intention of reading more than a page or so. But now, for the second time, it was almost as if his father were able to see right through him. He walked up to the boy, and said in a severe tone: "Now, remember, that you are to read carefully! For when we come back, I shall question you thoroughly; and if you have skipped a single page, it will not go well with you." "The service is fourteen and a half pages long," said his mother, just as if she wanted to heap up the measure of his misfortune. "You'll have to sit down and begin the reading at once, if you expect to get through with it." With that they departed. And as the boy stood in the doorway watching them, he thought that he had been caught in a trap. "There they go congratulating themselves, I suppose, in the belief that they've hit upon something so good that I'll be forced to sit and hang over the sermon the whole time that they are away," thought he. But his father and mother were certainly not congratulating themselves upon anything of the sort; but, on the contrary, they were very much distressed. They were poor farmers, and their place was not much bigger than a garden-plot. When they first moved there, the place couldn't feed more than one pig and a pair of chickens; but they were uncommonly industrious and capable folk—and now they had both cows and geese. Things had

turned out very well for them; and they would have gone to church that beautiful morning—satisfied and happy—if they hadn't had their son to think of. Father complained that he was dull and lazy; he had not cared to learn anything at school, and he was such an all-round good-for-nothing, that he could barely be made to tend geese. Mother did not deny that this was true; but she was most distressed because he was wild and bad; cruel to animals, and ill-willed toward human beings. "May God soften his hard heart, and give him a better disposition!" said the mother, "or else he will be a misfortune, both to himself and to us."

## The Secret of Childhood

*Orient Blackswan* Dr Montessori's revolutionary method of education began early this century. In this classic work she expounds her conviction that in the child there are laws of growth in character and disposition as marked as those in his physical life. This book will be of great interest and importance to all those who care for the young.

## Story of the Little Mole Who Knew It Was None of His Business [30th Anniversary Edition]

*Pavilion Children's Books* A special edition celebrating 30 years of a picture book phenomenon. A success since its publication in 1989, *The Story of the Little Mole* has delighted adults and children alike to become an all-time humour classic. This hilarious picture book tells the tale of a little mole who wakes up one morning only to have one of the other animals 'do its business' on his head. The Little Mole then sets out to track down the culprit to exact his revenge in his own little way. This new anniversary edition is a fantastic way to introduce children to the amazing world of books. This children's classic by story and illustrator duo Werner Holzwarth and Wolf Erlbruch is now reissued in a special anniversary edition, with accompanying marketing and publicity campaign.

## The World Through Picture Books

## Librarians' Favourite Books from Their Country

## Lamberto, Lamberto, Lamberto

*Melville House* A fable for children and adults: a story of life, death, and terrorism—in the grand tradition of Exupéry's *The Little Prince* When we first meet 93-year-old millionaire Baron Lamberto, he has been diagnosed with 24 life-threatening ailments—one for each of the 24 banks he owns. But when he takes the advice of an Egyptian mystic and hires servants to chant his name over and over again, he seems to not only get better, but younger. Except then a terrorist group lays siege to his island villa, his team of bank managers has to be bussed in to help with the ransom negotiations, and a media spectacle breaks out . . . A hilarious and strangely moving tale that seems ripped from the headlines—although actually written during the time the Red Brigades were terrorizing Italy—Gianni Rodari's *Lamberto, Lamberto, Lamberto* has become one of Italy's most beloved fables. Never before translated into English, the novel is a reminder, as Rodari writes, that "there are things that only happen in fairytales."

## Kamishibai Man

*Houghton Mifflin Harcourt* The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces—the children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.

## White on Black

*IOS Press* Share these familiar shapes with your baby. It is never too early to look and talk together!

## Puss in Boots

## A Fairy Tale

A retelling of the French fairy tale in which a clever cat wins his master a fortune and the hand of a princess.

## De Que Color Es la Cebra?

*Alfaguara*

## Sleepless Nights and Kisses for Breakfast

## Reflections on Fatherhood

*Penguin* This #1 Italian bestseller, offering a father's observations of the everyday moments that might otherwise go unnoticed, has struck a chord with readers around the globe. Matteo Bussola is a designer and cartoonist who lives in Verona, Italy with his wife Paola; their three young daughters, Virginia, Ginevra, and Melania (ages eight, four, and two); and their two dogs. For two years, he's been writing posts on Facebook capturing the beauty of ordinary moments with his family. *Sleepless Nights and Kisses for Breakfast* is the memoir that grew out of these writings. Divided into winter, spring, summer, and fall, the book follows the different seasons of parenthood and life. At times moving, and at others humorous, these writings remind people to savor the present and appreciate the simple things in life. As Matteo says, "Virginia, Ginevra, and Melania are the lens through which I observe the world. . . . My daughters remind me that being a father means living in that gray area between responsibility and carelessness, strength and softness." *Sleepless Nights and Kisses for Breakfast* is an eloquent memoir by a gifted storyteller. *Sleepless Nights and Kisses for Breakfast* is a winner of the 2017 Family Choice Awards.

## The Story of the Year

*Lindhardt og Ringhof* The new year had begun and January was already nearing its end, but it was still very cold. The sparrows found it strange, that the men had declared that it was the new year, as everyone knows that the year only begins with the coming of spring. However, spring was late and a few intrepid sparrows decided to go looking for it. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

## The Night Before the Night Before Christmas!

*HarperCollins UK* **When Mr. Frumble decides to help out Santa, christmas in Busytown becomes the busiest christmas ever! Mr. Frumble is so full of Christmas cheer that he decides to go straight to the North Pole to offer Santa some help. And what a helper he is!
