Beyond Monogamy Polyamory and the Future of Polyqueer Sexualities NYU Press A man and woman are in an open relationship. They have agreed that having sexual partners outside of their relationship is permissible. One night, when her partner is in another city, the woman has sex with the man's best friend. What does this mean for their relationship? More importantly, why is there such a strong cultural taboo against this kind of triangulation and what does it reveal about the social organization of gender and sexuality? In **Beyond Monogamy**, Mimi Schippers asks these and other questions to explore compulsory monogamy as a central feature of sexual normalcy. Schippers argues that compulsory monogamy promotes the monogamous couple as the only legitimate, natural, or desirable relationship form in ways that support and legitimize gender, race, and sexual inequalities. Through an investigation of sexual interactions and relationship forms that include more than two people, from polyamory, to threesomes, to the complexity of the 'down-low,' Schippers explores the queer, feminist, and anti-racist potential of non-dyadic sex and relationships. A serious look at the intersections of society and sexuality, **Beyond Monogamy** takes the reader on a compelling and accessible journey through compulsory monogamy, polyamory, and polyqueer sex and relationships. **The Second Sex** Random House Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. **THE SECOND SEX** stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time **My Wife Goes Black A Cuckold Story** CHAZ ALEXANDER He looked at his black classmates in the shower. Now he wants to see them with his wife. He doesn't appreciate how a dominant man treats the husband. The black lover expects submission and obedience. And the husband may have to fill in for the wife on occasion as well as perform other duties. Share his experience as he rises to the challenge in more ways than one. Contains adult themes and is not for under age 18. **Desperate Measures Trinkets and Tales** LLC Once upon a time, I was a princess in a tower. One night, and my entire life went up in flames. All because of him. Jafar. As my world burned down around me, he offered me a choice. Walk away with nothing but my freedom... Or rise to his challenge and win my fortune back. I bargained. I lost. Now Jafar owns me, body and soul. Even as my mind rails against his rules, my body loves the punishments he deals out when I break them. But a gilded cage is still a prison, I'll do anything to obtain my freedom. Even betray the man I'm falling for. In **DESPERATE MEASURES**, you'll find: -> Enemies to lovers -> Captive Heroine -> Kinky Roleplay -> Daddy/baby girl -> Alpha hero **Double-Edged** What's an honest man to do? Isn't that always the question we find ourselves wondering when we get swept up in something bad... Something overpowering and tangibly wrong, with the ability to corrupt our morals down to the core? These boys, they're not mine, but they might as well be. I'm responsible for them, in a sense. And they couldn't be more different, identical in looks alone. One I've noticed... The other has noticed me. One needs me, the other needs him. Sometimes a hero will fall on his own sword, but in my case... I've fallen on two. **Delta of Venus** Erotica Mariner Books A new edition of the classic selection of entertaining, poetic, and erotic stories ranges from lyrical love to high comedy and deals with such subjects as the exotic pleasures of Paris in the 1930s and a woman's awakening to her sexual nature. Reprint. 15,000 first printing. **Cinema Studies: The Key Concepts** Routledge In this second edition essential guide some 150 key genres, movements, theories and production terms are explained and analysed with depth and clarity. **Woman's Inhumanity to Woman** Chicago Review Press Drawing on the most important studies in psychology, human aggression, anthropology, and primatology, and on hundreds of original interviews conducted over a period of more than 20 years, this groundbreaking treatise urges women to look within and to consider other women realistically, ethically, and kindly and to forge bold and compassionate alliances. Without this necessary next step, women will never be liberated. Detailing how women's aggression may not take the same form as men's, this investigation reveals--through myths, plays, memoir, theories of revolutionary liberation movements, evolution, psychoanalysis, and childhood development--that girls and women are indeed aggressive, often indirectly and mainly toward one another. This fascinating work concludes by showing that women depend upon one another for emotional intimacy and bonding, and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth. **Luster Longlisted for the Women's Prize For Fiction 2021** Pan Macmillan 'A book of pure fineness, exceptional.' - Diana Evans, *Guardian* 'A taut, sharp, funny book about being young now. It's brutal—and brilliant.' - Zadie Smith **Winner of the Dylan Thomas Prize Shortlisted for the British Book Awards Fiction Debut of the Year Longlisted for the Women's Prize For Fiction** Edie is just trying to survive. She's messing up in her dead-end admin job in her all-white office, is sleeping with all the wrong men, and has failed at the only thing that meant anything to her, painting. No one seems to care that she doesn't really know what she's doing with her life beyond looking for her next hook-up. And then she meets Eric, a white middle-aged archivist with a suburban family, including a wife who has sort-of-agreed to an open marriage and an adopted black daughter who doesn't have a single person in her life who can show her how to do her hair. As if navigating the constantly shifting landscape of sexual and racial politics as a young black woman wasn't already hard enough, with nowhere else left to go, Edie finds herself falling head-first into Eric's home and family. **Razor-sharp, provocatively page-turning and surprisingly tender**, *Luster* by Raven Leilani is a painfully funny debut about what it means to be young now. **A BEST BOOK OF THE YEAR: Guardian, New York Times, New Yorker, Boston Globe, Literary Hub, Vanity Fair, Los Angeles Times, Glamour, Time, Good Housekeeping, InStyle, NPR, O Magazine, Buzzfeed, Electric Literature, Town & Country, Wired, New Statesman, Vox, Shelf Awareness, i-D, BookPage and more.** One of Barack Obama's Favourite Books of 2020 **When and Where I Enter The Impact of Black Women on Race and Sex in America** Harper Collins "History at its best—clear, intelligent, moving. Paula Giddings has written a book as priceless as its subject"—Toni Morrison **Acclaimed by writers Toni Morrison and Maya Angelou, Paula Giddings's When and Where I Enter is not only an eloquent testament to the unsung contributions of individual women to our nation, but to the collective activism which elevated the race and women's movements that define our times.** From Ida B. Wells to the first black Presidential candidate, Shirley Chisholm; from the anti-lynching movement to the struggle for suffrage and equal protection under the law; Giddings tells the stories of black women who transcended the dual discrimination of race and gender—and whose legacy inspires our own generation. **Forty years after the passing of the Voting Rights Act, when phrases like "affirmative action" and "wrongful imprisonment" are rallying cries, Giddings words resonate now more than ever.** **The Stopover** Montlake Romance A memorable night of passion refuses to stay just a memory in this sizzling and scandalous romance from bestselling author T L Swan. I was upgraded to first class on a flight from London to New York. The food, champagne, and service were impeccable--the blue-eyed man sitting next to me, even better. He was smart, suave, and sexy. We talked and flirted--and though the plane was unexpectedly grounded, we still felt sky high in each other's company. We danced and laughed our way around Boston...and had a night of crazy passion that no woman could forget. That was twelve months ago, and I haven't heard from him--until today. I started a new job and met the CEO. Imagine my surprise when I saw those naughty blue eyes gazing at me from behind his mahogany desk. But I'm not that carefree girl anymore. I have a boyfriend now, and responsibilities. Now he wants to see me in his office for a private meeting. How can I resist? **Teaching Physical Education** Macmillan Publishing Company The definitive source for the groundbreaking ideas of the "Spectrum of Teaching Styles" introduced by Mosston and Ashworth and developed during 35 years in the field. This book offers teachers a foundation for understanding the decision-making structures that exist in all teaching/learning environments and for recognizing the variables that increase effectiveness while teaching physical education. In this thoroughly revised and streamlined edition, all chapters have been updated to include hundreds of real-world examples, concise charts, practical forms, and concrete suggestions for "deliberate teaching" so that teachers can understand their classrooms' flow of events, analyze decision structures, implement adjustments that are appropriate for particular classroom situations, and deliberately combine styles to achieve effective variations. As in prior editions, individual chapters describe the anatomy of the decision structure as it relates to teachers and learners, the objectives (O-T-L-O) of each style, and the application of each style to various activities and educational goals. For physical education teachers. **Ella Baker and the Black Freedom Movement A Radical Democratic Vision** Univ of North Carolina Press A stirring new portrait of one of the most important black leaders of the twentieth century introduces readers to the fiery woman who inspired generations of activists. (Social Science) **Twisted Tangled Web 1** Romig Works LLC To the world, I no longer exist. The life I live occurs outside the third dimension—a memory, a ghost, the boogeyman, or perhaps simply a figment of the imagination. When I'm passed on the street, there is no connection. No eye contact. I'm the one whose presence leaves a cold chill of uncertainty, quickly erased by minds who don't want to acknowledge that men like me exist. On the dark web, I'm known as Kader, and for the right price, I will do what others can't or won't. I've learned to exist within the hard shell I've created—until I see her. **Laurel Carlson.** Her blue eyes see beyond my impenetrable exterior. Her sensual lips long to be kissed and her hidden curves caressed. My mind is obsessed and my body ignited. Though I exist outside her comfort zone, I must enter her world, take the chance, and learn what it is about this beautiful, intelligent, and marked woman that has me entranced—before her time is up. Popol Vuh The Mayan Book of the Dawn of Life eBookIt.com Popol Vuh, the QuichÃ© Mayan book of creation is not only the most important text in the native language of the Americas, it is also an extraordinary document of the human imagination. It begins with the deeds of Mayan Gods in the darkness of a primeval sea and ends with the radiant splendor of the Mayan Lords who founded the QuichÃ© Kingdom in the Guatemalan highlands. Originally written in Mayan hieroglyphs, it was translated into the Roman alphabet in the 16th century. The new edition of Dennis Tedlock's unabridged, widely praised translation includes new notes and commentary, newly translated passages, newly deciphered hieroglyphs, and over 40 new illustrations. Autistic Community and the Neurodiversity Movement Stories from the Frontline Springer Nature This open access book marks the first historical overview of the autism rights branch of the neurodiversity movement, describing the activities and rationales of key leaders in their own words since it organized into a unique community in 1992. Sandwiched by editorial chapters that include critical analysis, the book contains 19 chapters by 21 authors about the forming of the autistic community and neurodiversity movement, progress in their influence on the broader autism community and field, and their possible threshold of the advocacy establishment. The actions covered are legendary in the autistic community, including manifestos such as "Don't Mourn for Us", mailing lists, websites or webpages, conferences, issue campaigns, academic project and journal, a book, and advisory roles. These actions have shifted the landscape toward viewing autism in social terms of human rights and identity to accept, rather than as a medical collection of deficits and symptoms to cure. What forces shape their conscious and unconscious thoughts and feelings? How can we use this information to best help them? Constructing psychodynamic formulations is one of the best ways for mental health professionals to answer questions like these. It can help clinicians in all mental health settings understand their patients, set treatment goals, choose therapeutic strategies, construct meaningful interventions and conduct treatment. Despite the centrality of psychodynamic formulation to our work with patients, few students are taught how to construct them in a clear systematic way. This book offers students and practitioners from all fields of mental health a clear, practical, operationalized method for constructing psychodynamic formulations, with an emphasis on the following steps: DESCRIBING problems and patterns REVIEWING the developmental history LINKING problems and patterns to history using organizing ideas about development. The unique, up-to-date perspective of this book integrates psychodynamic theories with ideas about the role of genetics, trauma, and early cognitive and emotional difficulties on development to help clinicians develop effective formulations. Psychodynamic Formulation is written in the same clear, concise style of Psychodynamic Psychotherapy: A Clinical Manual (Wiley 2011). It is reader friendly, full of useful examples, eminently practical, suitable for either classroom or individual use, and applicable for all mental health professionals. It can stand alone or be used as a companion volume to the Clinical Manual. Captive in the Dark The Dark Duet, Book 1 Neurotica Books LLC. BOOK ONE OF THE DARK DUET: Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. WARNING: This book contains very disturbing situations, dubious consent, strong language, and graphic violence. Humiliation, Degradation, Dehumanization Human Dignity Violated Springer Science & Business Media Degradation, dehumanization, instrumentalization, humiliation, and nonrecognition - these concepts point to ways in which we understand human beings to be violated in their dignity. Violations of human dignity are brought about by concrete practices and conditions; some commonly acknowledged, such as torture and rape, and others more contested, such as poverty and exclusion. This volume collates reflections on such concepts and a range of practices, deepening our understanding of human dignity and its violation, bringing to the surface interrelationships and commonalities, and pointing to the values that are thereby shown to be in danger. In presenting a streamlined discussion from a negative perspective, complemented by conclusions for a positive account of human dignity, the book is at once a contribution to the body of literature on what dignity is and how it should be protected as well as constituting an alternative, fresh and focused perspective relevant to this significant recurring debate. As the concept of human dignity itself crosses disciplinary boundaries, this is mirrored in the unique range of perspectives brought by the book's European and American contributors - in philosophy and ethics, law, human rights, literature, cultural studies and interdisciplinary research. This volume will be of interest to social and moral philosophers, legal and human rights theorists, practitioners and students. Economic Fables Open Book Publishers "I had the good fortune to grow up in a wonderful area of Jerusalem, surrounded by a diverse range of people: Rabbi Meizel, the communist Sala Marcel, my widowed Aunt Hannah, and the intellectual Yaacovson. As far as I'm concerned, the opinion of such people is just as authoritative for making social and economic decisions as the opinion of an expert using a model." Part memoir, part crash-course in economic theory, this deeply engaging book by one of the world's foremost economists looks at economic ideas through a personal lens. Together with an introduction to some of the central concepts in modern economic thought, Ariel Rubinstein offers some powerful and entertaining reflections on his childhood, family and career. In doing so, he challenges many of the central tenets of game theory, and sheds light on the role economics can play in society at large. Economic Fables is as thought-provoking for seasoned economists as it is enlightening for newcomers to the field. New Media A Critical Introduction Taylor & Francis My Secret Garden Women's Sexual Fantasies Rosetta Books The #1 New York Times bestselling author's "groundbreaking" work on women's sexual fantasies (Publishers Weekly). First published in 1973, My Secret Garden ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women's inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, My Secret Garden remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. "The author whose books about gender politics helped redefine American women's sexuality." —The New York Times Silas Marner Illustrated Silas Marner is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community. Her Soul to Take Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order. Content Note This book contains sexual scenes, kink/fetish content, horror elements, drug use, and depictions of hard kink/edgeplay. Reader discretion is advised. Three Simple Rules 2015 Goodreads Choice Award Semifinalist for Best Debut The Cigarette Century The Rise, Fall, and Deadly Persistence of the Product That Defined America Hachette UK The invention of mass marketing led to cigarettes being emblazoned in advertising and film, deeply tied to modern notions of glamour and sex appeal. It is hard to find a photo of Humphrey Bogart or Lauren Bacall without a cigarette. No product has been so heavily promoted or has become so deeply entrenched in American consciousness. And no product has received such sustained scientific scrutiny. The development of new medical knowledge demonstrating the dire harms of smoking ultimately shaped the evolution of evidence-based medicine. In response, the tobacco industry engineered a campaign of scientific disinformation seeking to delay, disrupt, and suppress these studies. Using a massive archive of previously secret documents, historian Allan Brandt shows how the industry pioneered these campaigns, particularly using special interest lobbying and largesse to elude regulation. But even as the cultural dominance of the cigarette has waned and consumption has fallen dramatically in the U.S., Big Tobacco remains securely positioned to expand into new global markets. The implications for the future are vast: 100 million people died of smoking-related diseases in the 20th century; in the next 100 years, we expect 1 billion deaths worldwide. Greek Homosexuality M J F Books Beyond Eden Penguin A heart-stopping story of romantic suspense from #1 New York Times bestselling author Catherine Coulter. As an adult he has approached that confusing country from many arresting angles, and interviewed its literati, filmmakers, thinkers, opinion makers, leaders and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bulow. Steven Spielberg gets a visit, as does Brian de Palma, whom Amis asks why his films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler.
