The Power of Wagging Tails A Doctor's Guide to Dog Therapy and Healing *Demos Medical Publishing Foreword Reviews 2011 Book of the Year Honorable Mention (Health Category)* Medical studies have consistently shown that patients benefit from therapy dog visits. One recent study of 59 adults showed that following a therapy dog visit their energy levels increased, respiratory rated calmed significantly and pain scores decreased by over 20%. Mood scores improved by over 60% with the patients feeling less tense, anxious, angry, tied depressed and dejected. Now in **The Power of Wagging Tails**, Dr. Dawn Marcus showcases the wide range of research that shows the therapeutic and healing power of dogs for people of all ages and with a wide range of health conditions. These research findings are brought to life through the personal stories of healing from dog owners across the United States and Canada. She shows you how to unleash the healing power of your own dog, describes how to effectively add a dog to the home of someone with a chronic condition, explains how the family dog can help with chronic health conditions, and teaches how to train a companion dog to be a certified therapy dog to help others. **The Power of Wagging Tails** will be of interest to dog owners, people wondering how to help family and friends coping with chronic illnesses, and individuals considering training their dogs for therapy work. **Special Features of The Power of Wagging Tails** include : Presentation of reliable medical research showing that dog therapy offers therapeutic benefits to people First-person accounts from service dog trainers, aerobic instructors, and recognized dog training experts such as Carol Lea Benjamin First-person accounts of people who have experienced dog therapy Practical suggestions to help people decide if they should add a dog to their home or have a therapy dog visit Sound advice to help people decide if dog therapy is right for them Practical tips on how to make dog therapy visits safe, effective, and successful for the dog, handler, and people visited **Making Online Teaching Accessible Inclusive Course Design for Students with Disabilities** *John Wiley & Sons* **Making Online Teaching Accessible** offers online teachers, instructional designers, and content developers a comprehensive resource for designing online courses and delivering course content that is accessible for all students including those with visual and audio disabilities. Grounded in the theories of learner-centered teaching and successful course design, **Making Online Teaching Accessible** outlines the key legislation, decisions, and guidelines that govern online learning. The book also demystifies assistive technologies and includes step-by-step guidance for creating accessible online content using popular programs like Microsoft Office and Adobe Acrobat, as well as multimedia tools. Including a wealth of helpful tips and suggestions for effectively communicating with disabled students, the book contains practical advice on purchasing accessible course management systems, developing solutions for inaccessibility issues, and creating training materials for faculty and staff to make online learning truly accessible. "This valuable how-to book is a critical tool for all instructional designers and faculty who teach online. Coombs' many years as a pioneer of online teaching show in his deep knowledge of the principles that can allow the reader to apply these lessons to any learning management system (LMS)." —Sally M. Johnstone, provost and vice president academic affairs, Winona State University, Minnesota; former executive director of WCET at WICHE "As more and more of our social and professional lives come to be mediated by technology, online accessibility is a fundamental right, not a luxury. This book is a must-read for anyone concerned with maximizing access to learning." —Richard N. Katz, former vice president and founding director, EDUCAUSE Center for Applied Research "This valuable book reflects Coombs' unique experience and commitment to the best teaching, learning, and accessibility options for all kinds of students and teachers." —Steven W. Gilbert, founder and president, The TLT Group-Teaching, Learning, and Technology Group If

I was doing my usual, which was working at the daily grind of my slow, but steady home business (of publishing books) when I got this email about a new release coming out. But it said nothing more than "Dillard was releasing something new, and did I want to be part of it?" I knew of Mike Dillard from his days in Magnetic Sponsoring. This is where he "almost single-handedly revolutionized the Network Marketing industry" - simply by introducing them to Attraction Marketing, and the Self-Liquidating Offer ("Funded Proposal") After that, he'd gone on to build something called the Elevation Group which I hadn't paid much attention to, since it was beyond my price range. Then I got another email saying how to login to the affiliate members area - and once I got in, I started reviewing his descriptions about what was being offered... The reason I'm finally publishing this - is so you can learn from someone who's been there, drunk the Kool-Aid, and survived.** **Companion Animal Behaviour Problems Prevention and Management of Behaviour Problems in Veterinary Practice** *CABI* **Behaviour problems are a significant cause of companion animal relinquishment and euthanasia. We have been taking care of our pets better and better every year. The author, Dr. Hector Carbonell, wanted to write something that celebrates the unique bond he has with his clients, as they mutually take care of the star of the office visit: the pet. This book is about things that you and your**

veterinarian might discuss if time was not a factor. He wishes that optimum care can be delivered, and a friendly relationship cultivated in the exam room and beyond, without economics imposing its limits. It tackles concerns such as how to find a hospital that meets your expectations, how to save money on prescriptions, DIY skills, and other common ideas. A chapter called "It is Darkest Before Dawn" also delves deep into questions you might have but were afraid to ask; such as cranky employees, animal abuse, internet pharmacies, high prices, hospital staff drug problems, compassion fatigue, and others. You owe it to your pet to protect his health and welfare. All proceeds from this book will benefit humane societies, animal shelters, and other charitable causes. Do you have lots of sticky notes or labels around the house to remember them? Would you like to find a better way? Bunny is a secret password book that is disguised as a paperback rabbit photobook. Add all your website information in one handy place to organize your internet life. The attractive design is a password journal with a difference. It was created so that opportunist thieves won't know what it is at a glance. This means that you can hide it in plain sight on your bookshelf at home with other books. What you can expect from this internet password organizer: Tabbed effect alphabetical pages Are you looking for a password book with tabs? Bunny is a rabbit password book with alphabetical tabs running down the right page. For an added bonus, if you flick the pages, bunny paw prints run down the side of the page as the tabs disappear. Attractive bunny theme throughout the book Get some rabbit love with our furry friends on every page. This password organizer doesn't just have a cute cover but there are adorable balls of fur looking at you imploring you to love them all through the book. Disguised cover to make it not so obvious what it contains There are several password logbooks on the market but this one was created so it could be hidden in plain sight. It looks like a photo book from the outside but inside there are beautiful bunnies playing around 3 boxes for your login information on each page. Section on creating secure passwords There are risks to however a password is stored. These can be from online thieves or opportunist burglars. At the front of the book is a brief section for creating a secure password that can be written down but can't be used by someone who has the book. Notes and other pages to add other useful information like software licenses There is a section at the back to add information that won't fit in the usual password boxes. There are notes pages but also places to add home network settings and license information. If you have a friend coming around who wants to use the WiFi, just add the information in here and you will be able to instantly find it when you need it. More space to write in your information This handy-sized password keeper is 6 inches wide by 9 inches high for more space to write in your login information. There are 3 boxes per page and 10 pages per double letter. Printable PDF included If you fill the book with passwords, you can download the PDF from the author's website using the link and password inside the book to print out a new copy. Store in in a ring binder with clear plastic wallets to have a password book that never ends. Just print out more pages when you need them to add to or replace pages where passwords have changed. If you are looking for a password logbook that is a bit different and you love rabbits, look no further. There are bunnies galore to make you smile as you write down your usernames and passwords. Academic Pipeline Programs Diversifying Pathways from the Bachelor's to the Professoriate *University of Michigan Press* Academic pipeline programs are critical to effectively support the steady increase of diverse students entering the academy. Academic Pipeline Programs: Diversifying Bachelor's to the Professoriate describes best practices of successful academic government and privately funded pre-collegiate, collegiate, graduate, and postdoctoral/faculty development pipeline programs. The authors explore 21 hallmark academic pipeline programs using their THRIVE index: Type, History, Research, Inclusion, Identity, Voice, and Expectation. The final chapter of the book offers information for using and starting similar programs. The appendix offers an interactive Geographic

Information System (GIS) mapped database of programs using the THRIVE index. This book will equip parents, high school counselors, college advisors, faculty, department chairs, and higher education administrators to identify academic pipeline programs that fit their needs. Readers will also learn about how academic pipeline programs are situated within an institutional or organizational change model. **A Bear Called Paddington (Paddington) HarperCollins UK Unabridged and illustrated in glorious full-colour throughout, this exquisite gift edition of the original story of Paddington, the classic bear from Darkest Peru, is truly to be treasured!** iPad iOS 4.2 iOS4.2 AirPrint AirPlay iTunes10.1
