This book analyzes his exemplary life, his relationship with the Prophet, and his unique role in the birth period of Islam.

The book clarifies her critical role at establishing the Islamic teaching, with particular reference to her role in the transmission of private matters concerning women and marital relations, as well as recording the authentic sayings of the Prophet. Women Around the Messenger Great Women of Islam Who Were Given the Good News of Paradise The Book of the Jihad of 'Ali ibn Tahir al-Sulami (d. 1106) Text, Translation and Commentary *Routledge* In 1105, six years after the first crusaders from Europe conquered Jerusalem, a Damascene Muslim jurist named 'Ali ibn Tahir al-Sulami (d. 1106) publicly dictated an extended call to the military jihad (holy war) against the European invaders. Entitled Kitab al-Jihad (The Book of the Jihad), al-Sulami's work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted, covering topics as diverse as who should fight and be fought, treatment of prisoners and plunder, and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy. Al-Sulami's text is vital for a complete understanding of the Muslim reaction to the crusades, providing the reader with the first contemporary record of Muslim preaching against the crusaders. However, until recently only a small part of the text has been studied by modern scholars, as it has remained for the most part an unedited manuscript. In this book Niall Christie provides a complete edition and the first full English translation of the extant sections (parts 2, 8, 9 and 12) of the manuscript of al-Sulami's work, making it fully available to modern readers for the first time. These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience, the precedents that influenced his work, and possible directions for future study of the text. In addition, an appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher from Asia Minor whose rhetorical style was highly influential in the development of al-Sulami's work.

Great Women of Islam Who Were Given the Good News of Paradise *Darussalam*

Heroes of Islam Muslims have no need to look for fictitious or mythical heroes, because their history is abundant with heroes of real flesh and blood, whose acts were heroic because of their faith, and a consequence of their attitude to life and the world. For all the heroes of Islam share two very special traits: full conviction and dedication to their pristine faith and constant attempt to seek the Pleasure of their Creator, Allah, alone, regardless of the circumstances and times they live in. For a Muslim hero, be he a military genius, a scholar teacher, or a devout common person, knows that the transient life in this world is a means to the eternal life in the Hereafter, and that ephemeral pains and pleasures are nothing compared to the everlasting pains and pleasures of Hell and Heaven. To this hero, the key to the whole thing is Divine Pleasure. Through it alone can a person enjoy peace and tranquility in this world and attain real happiness in the life Hereafter.

The Succession to Muhammad A Study of the Early Caliphate *Cambridge University Press* In a comprehensive study of early Islamic history, Wilferd Madelung examines the conflict which developed after Muhammad's death for the leadership of the Muslim community. He pursues the history of this conflict through the reign of the four 'Rightly Guided' caliphs to its climax in the first inter-

Muslim war. The outcome of the war, which marked the demise of the reign of the Early Companions, resulted in the lasting schism between Sunnite and Shi'ite Islam. Contrary to recent scholarly trends, the author brings out Ali's early claim to legitimate succession, which gained support from the Shi'a, and offers a convincing reinterpretation of early Islamic history. This book will make a major contribution to the debate over succession. Wilferd Madelung's book *The Succession to Muhammad* has been awarded the Best Book of the Year prize by the Islamic Republic of Iran for the year 1997. **The Life and Teachings of the Prophet Muhammad Companions of the Prophet The Blessed Model of the Holy Prophet Muhammad (sa) and the Caricatures Friday Sermons** [Islam International](#) **Prophet Muhammad The Beloved Messenger of Allah** [Tughra Books](#) This book is a short summary of Prophet Muhammad's life for the younger readers. In a few places, the author notes reasons for which the Shi'i tradition does not venerate certain Companions. Discussing controversial history as it relates to Companions and the ahl al-bayt remains a difficult enterprise, where methods and premises, let alone conclusions, substantially differ from scholar to scholar. As an expert of the Shi'i tradition, Dr. Nakshawani presents relevant Shi'i narratives for non-specialists who would otherwise be unaware of them. Thus, the following biographies fill a gap in knowledge about Companions not only revered in the Shi'i tradition, but according to the collective memory of pro-Alid Sunni and Shi'i authors, granted Paradise. **Zayd The Rose that Bloomed in Captivity** [Tughra Books](#) Zayd ibn Haritha, an emancipated slave of the Prophet Muhammad, was a sincere friend and a loyal servant. Sharaf an-Nawawi (1233-78), who was the author of a large number of legal and biographical works. **Milestones** [CreateSpace](#) On Islam and Islamic civilization. **History of Arabic Literature** [International Publications Service](#) **The History of al-Tabari Vol. 15 The Crisis of the Early Caliphate: The Reign of 'Uthman A.D. 644-656/A.H. 24-35** [SUNY Press](#) Before the caliphate of the 'Uthman b. 'Affan, the Muslim community had grown from strength to strength in spite of a series of major crises--the Hirah, the death of the Prophet, the Riddah wars, the assassination of 'Umar by a Persian slave. But 'Uthman's reign ended in catastrophe. His inability to manage the social and political conflicts that were now emerging among various factions within the community led to his death at the hands of Muslim rebels. The consequences of this tragic event were bitter: not only a century of civil war, but also political and religious schisms of such depth that they have not been entirely healed even now. Most medieval Muslim historians told this story in an overtly partisan manner, but al-Tabari demands more of his readers. First of all, they must decide for themselves, on the basis of highly ambiguous evidence, whether 'Uthman's death was tyrannicide or murder. But, more than that, they must ask how such a thing could have happened at all; what had the Muslims done to bring about the near-destruction of their community? Al-Tabari presents this challenge within a broad framework. For, even while the internal crisis that issued in 'Uthman's death was coming to a head, the wars against Byzantium and Persia continued. The first expeditions into North Africa, the conquest of Cyprus, the momentary destruction of the Byzantine fleet at the Battle of the Masts, the bloody campaigns in Armenia, the Caucasus, and Khurasan are all here, in narratives that shift constantly between hard reporting and pious legend. Muslim forces retain the offensive, but there are no more easy victories; henceforth, suffering and endurance will be the hallmarks of the hero. Most evocative in the light of 'Uthman's fate is the moving account of the murder of the last Sasanian king, Yazdagird III--a man betrayed by his nobles and subjects, but most of all by his own character. **Muhammad the Last Prophet A Model for All Time** [Islamic Books](#) **Purification of the Heart Signs, Symptoms and Cures of the Spiritual Diseases of the Heart** [Starlatch Press](#) Afflictions that assail and control people--such as miserliness, envy, treachery, malice, and arrogance--are examined in a study that discusses the causes and cures of these diseases and reveals how Islamic spirituality deals with spiritual and psychological problems.
