A FINE ROMANCE

THE PASSAGE OF COURTSHIP FROM MEETING TO MARRIAGE

*BoD - Books on Demand Where is this thing called love? And how do you get there from here? For many it's an elusive goal that's over even before it has a chance to start -- but it doesn't have to be. In A FINE ROMANCE, nationally recognized psychologist Dr. Judith Sills shows how the whole agonizing and exhilarating process of love actually develops between two people -- and how the rules of successful courtship can be learned and mastered. Dr. Sills covers all the skills you need to develop the right relationship in the areas of intimacy, compromise, and commitment. She also takes you step-by-step through the five stages of a relationship: * SELECTION -- when you actively or passively choose a partner. * SEDUCTION -- the dating days when you and your partner decide if the relationship is romantic, platonic, or dead. * SWITCH -- that uncomfortable period when the pursuer backs off just as the partner responds. * NEGOTIATION -- when you both acknowledge your differences and try to find a decent way to fight about them. * COMMITMENT -- the negotiation to marriage. There is no one right person. There is only your ability to give and receive love. This book will help lovers learn how to do just that.*

LOVE, COURTSHIP AND MARRIAGE

Friendship, relationship, love, courtship, marriage, being one with your spouse?what does it mean to you? What does it mean to your partner? Building a foundation, what is it built on? From your evaluation, which of the following words would you describe your relationship is built on? Is it under the heading of a relationship that is built on trust or lies, uncertainty, misconception, an illusion, a fantasy, blackmail, a minefield, or is it as solid rock or in sinking quicksand? Is it a relationship that will make you soar as high as the eagles, or are you scaffold around a building or a prisoner doing time in a relationship that strips you of your dignity, your identity, your ambition, and the life you wanted? It could be even worse?a relationship that you are seeing yourself being buried alive without any hope of being saved? Now you tell me, is this the concept of love, courtship, and marriage? Is your relationship like playing golf? Guess what, you are the balls being hit. Did I say hit? Yes, all over the place, and sometimes the place is not green grass. Is your relationship described as being in a torture chamber and you are the one being experimented on? You are the study subject for research in fear, tears and screams, dismemberment, known and unknown theories of abuse, and how well inflicting pain is measured. Can it be described as going to a fun park, heaven on earth, and they lived happily ever after? The choice you make for this lifelong decision will determine whether you will live in heaven or hell, or in a prison or paradise.

ALL ABOUT LOVE

NEW VISIONS

HarperCollins A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

HER HAND IN MARRIAGE

BIBLICAL COURTSHIP IN THE MODERN WORLD

Canon Press & Book Service The modern dating system is bankrupt. It does not train young people to form a relationship but rather to form a series of relationships, hardening themselves to all but the current one. Recreational dating encourages emotional attachments without covenantal fences and makes a joke of a father's authority. The disrespect children have for their fathers in this area is an echo of the disrespect fathers have for their own office. Biblical courtship provides a wonderful freedom. It involves familial wisdom and godly protection. Grounded upon the involved authority of the father, courtship delights in its public connection to the lives of families. Sexual purity is a great inheritance for a marriage, and part of a father's job is to guarantee and protect that heritage. Biblical courtship is a humble affront to the sterility of modern relationships. And as a new generation rejoices in this ancient wisdom, the current waves of broken relationships will begin to recede.

WHY LOVE HURTS

A SOCIOLOGICAL EXPLANATION

John Wiley & Sons Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to us, being heartbroken when we're abandoned by a lover, engaging in Sisyphean internet searches, coming back lonely from bars, parties, or blind dates, feeling bored in a relationship that is so much less than we had envisaged - these are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or insufficiently self-aware psyches, but rather the institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy and what people imagine to be the spectrum of their choices: all these aspects of choice have transformed the very core of the will, how we want a partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors.

LOVEOLOGY

GOD. LOVE. MARRIAGE. SEX. AND THE NEVER-ENDING STORY OF MALE AND FEMALE.

Zondervan In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is just that—a theology of love. With an autobiographical thread that turns a book into a story, pastor and speaker John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world. Loveology starts with marriage and works backward. Comer deals with sexuality, romance, singleness, and what it means to be male and female; ending with a raw, uncut, anything goes Q and A dealing with the most asked questions about sexuality and relationships. This is a book for singles, engaged couples, and the newly married—both inside and outside the church—who want to learn what the Scriptures have to say about sexuality and relationships. For those who are tired of Hollywood's propaganda, and the church's silence. And for people who want to ask the why questions and get intelligent, nuanced, grace-and-truth answers, rooted in the Scriptures.

THE ARC OF LOVE

HOW OUR ROMANTIC LIVES CHANGE OVER TIME

*University of Chicago Press Is love best when it is fresh? For many, the answer is a resounding "yes." The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze'ev takes these experiences seriously, but he's also here to remind us of the benefits of profound love—an emotion that can only develop with time. In *The Arc of Love*, he provides an in-depth, philosophical account of the experiences that arise in early, intense love—sexual passion, novelty, change—as well as the benefits of cultivating long-term, profound love—stability, development, calmness. Ben-Ze'ev analyzes the core of emotions many experience in early love and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying the rigorous analysis of a philosopher, but writing clearly and in an often humorous style with an eye to lived experience, he takes on topics like compromise, commitment, polyamory, choosing a partner, online dating, and when to say "I love you." Ultimately, Ben-Ze'ev assures us, while love is indeed best when fresh, if we tend to it carefully, it can become more delicious and nourishing even as time marches on.*
