The Routledge Handbook of English Language Teaching

Routledge The Routledge Handbook of English Language Teaching is the definitive reference volume for postgraduate and advanced undergraduate students of Applied Linguistics, ELT/TESOL, and Language Teacher Education, and for ELT professionals engaged in in-service teacher development and/or undertaking academic study. Progressing from 'broader' contextual issues to a 'narrower' focus on classrooms and classroom discourse, the volume's inter-related themes focus on: ELT in the world: contexts and goals planning and organising ELT: curriculum, resources and settings methods and methodology: perspectives and practices second language learning and learners teaching language: knowledge, skills and pedagogy understanding the language classroom. The Handbook's 39 chapters are written by leading figures in ELT from around the world. Mindful of the diverse pedagogical, institutional and social contexts for ELT, they convincingly present the key issues, areas of debate and dispute, and likely future developments in ELT from an applied linguistics perspective. Throughout the volume, readers are encouraged to develop their own thinking and practice in contextually appropriate ways, assisted by discussion questions and suggestions for further reading that accompany every chapter. Advisory board: Guy Cook, Diane Larsen-Freeman, Amy Tsui, and Steve Walsh

The Handbook of Language Teaching

Wiley-Blackwell Bringing together an international and interdisciplinary team of contributors, this Handbook is a wide-ranging and invaluable reference guide to language teaching. A comprehensive reference work on language teaching, which combines the latest research findings, coverage of core topics, and examples of teaching experience from a variety of languages and settings Provides a unique breadth of coverage, including: the psycholinguistic underpinnings of language learning; social, political, and educational contexts; program design; materials writing and course design; teaching and testing; teacher education; and assessment and evaluation Offers a balanced evaluation of the major positions and approaches, including examining the increasingly important social and political context of language teaching Written by an international and interdisciplinary group of authors from a dozen different countries; English is only one of the many languages used as examples throughout the volume

The Handbook of Technology and Second Language Teaching and Learning

John Wiley & Sons The Handbook of Technology and Second Language Teaching and Learning presents a comprehensive exploration of the impact of technology on the field of second language learning. The rapidly evolving language-technology interface has propelled dramatic changes in, and increased opportunities for, second language teaching and learning. Its influence has been felt no less keenly in the approaches and methods of assessing learners' language and researching language teaching and learning. Contributions from a team of international scholars make up the Handbook consisting of four parts: language teaching and learning through technology; the technology-pedagogy interface; technology for L2 assessment; and research and development of technology for language learning. It considers how technology assists in all areas of language development, the emergence of pedagogy at the intersection of language and technology, technology in language assessment, and major research issues in research and development of technologies for language learning. It covers all aspects of language including grammar, vocabulary, reading, writing, listening, speaking, pragmatics, and intercultural learning, as well as new pedagogical and assessment approaches, and new ways of conceiving and conducting research and development. The Handbook of Technology and Second Language Teaching and Learning demonstrates the extensive, multifaceted implications of technology for language teachers, learners, materials-developers, and researchers.

The Routledge Handbook of Sign Language Pedagogy

Routledge The Routledge Handbook of Sign Language Pedagogy is the first reference of its kind, presenting contributions from leading experts in the field of sign language pedagogy. The Handbook fills a significant gap in the growing field of sign language pedagogy, compiling all essential aspects of current trends and empirical research in teaching, curricular design, and assessment in one volume. Each chapter includes historical perspectives, core issues, research approaches, key findings, pedagogical implications, future research direction, and additional references. The Routledge Handbook of Sign Language Pedagogy is an essential reference for sign language teachers, practitioners, and researchers in applied sign linguistics and first, second, and additional language learning.

The Cambridge Handbook of Task-Based Language Teaching

Cambridge University Press Task-based language teaching (TBLT) is an innovative approach to language teaching which emphasises the importance of engaging learners' natural abilities for acquiring language incidentally. The speed with which the field is expanding makes it difficult to keep up with recent developments, for novices and experienced researchers alike. This handbook meets that need, providing a comprehensive, up-to-date overview of the field, written by a stellar line-up of leading international experts. Chapters are divided into five thematic areas, and as well as covering theory, also contain case studies to show how TBLT can be implemented in practice, in a range of global contexts, as well as questions for discussion, and suggested further readings. Comprehensive in its coverage, and written in an accessible style, it will appeal to a wide readership, not only researchers and graduate students, but also classroom teachers working in a variety of educational and cultural contexts around the world.

It will be an essential resource for all those interested in the role of corrective feedback in second and foreign language learning and how they can be used to enhance classroom teaching.

Second Handbook of English Language Teaching

Springer The Second Handbook of English Language Teaching provides a comprehensive examination of policy, practice, research and theory related to English language teaching in international contexts. Over 70 chapters focus on the research foundation for best practices, frameworks for policy decisions, and areas of consensus and controversy in second-language acquisition and pedagogy. In countries around the globe, English has become the second language taught most frequently and intensively. In many countries, particularly in Asia, government policies have made English a part of the curriculum

from primary school on. Demand for English teaching by parents and adult learners is fueled by the desire to increase economic competitiveness, globalization of the workforce, immigration, and a move toward lifelong learning. Immigration has led to an increased demand for English-language teaching even in countries where English is the dominant language.

Handbook for Arabic Language Teaching Professionals in the 21st Century

Routledge This landmark volume offers an introduction to the field of teaching Arabic as a foreign or second language. Recent growth in student numbers and the demand for new and more diverse Arabic language programs of instruction have created a need that has outpaced the ability of teacher preparation programs to provide sufficient numbers of well-qualified professional teachers at the level of skill required. Arabic language program administrators anticipate that the increases in enrollment will continue into the next decades. More resources and more varied materials are seriously needed in Arabic teacher education and training. The goal of this Handbook is to address that need. The most significant feature of this volume is its pioneer role in approaching the field of Arabic language teaching from many different perspectives. It offers readers the opportunity to consider the role, status, and content of Arabic language teaching in the world today. The Handbook is intended as a resource to be used in building Arabic language and teacher education programs and in guiding future academic research. Thirty-four chapters authored by leaders in the field are organized around nine themes: *Background of Arabic Language Teaching; *Contexts of Arabic Language Teaching; *Communicative Competence in Arabic; *The Learners; *Assessment; *Technology Applications; *Curriculum Development, Design, and Models; *Arabic Language Program Administration and Management; and *Planning for the Future of Arabic Language Learning and Teaching. The Handbook for Arabic Language Teaching Professionals in the 21st Century will benefit and be welcomed by Arabic language teacher educators and trainers, administrators, graduate students, and scholars around the world. It is intended to create dialogue among scholars and professionals in the field and in related fields--dialogue that will contribute to creating new models for curriculum and course design, materials and assessment tools, and ultimately, better instructional effectiveness for all Arabic learners everywhere, in both Arabic-speaking and non-Arabic speaking countries.

The language dimension in all subjects

A handbook for curriculum development and teacher training

Council of Europe Mastering the language of schooling is essential for learners to develop the skills necessary for school success and for critical thinking. It is fundamental for participation in democratic societies, and for social inclusion and cohesion. This handbook is a policy and working document which promotes convergence and coherence between the linguistic dimensions of various school subjects. It proposes measures to make explicit – in curricula, pedagogic material and teacher training – the specific linguistic norms and competences which learners must master in each school subject. It also presents the learning modalities that should allow all learners, and in particular the most vulnerable among them, to benefit from diversified language-learning situations in order to develop their cognitive and linguistic capacities.

The Handbook of Second Language Acquisition

John Wiley & Sons The Handbook of Second Language Acquisition presents an integrated discussion of key, and sometimes controversial, issues in second language acquisition research. Discusses the biological and cognitive underpinnings of SLA, mechanisms, processes, and constraints on SLA, the level of ultimate attainment, research methods, and the status of SLA as a cognitive science. Includes contributions from twenty-seven of the world's leading scholars. Provides an invaluable resource for all students and scholars of human cognition, including those in linguistics, psychology, applied linguistics, ESL, foreign languages, and cognitive science.

Second Language Needs Analysis

Cambridge University Press No language teaching program should be designed without a thorough analysis of the students' needs. The studies in this volume explore Needs Analysis in the public, vocational and academic sectors, in contexts ranging from service encounters in coffee shops to foreign language needs assessment in the U.S. military. In each chapter, the authors explicitly discuss the methodology they employed, and in some cases also offer research findings on that methodology. Several studies are task-based, making the collection of special interest to those involved in task-based language teaching. Contributions include work on English and other languages in both second and foreign language settings, as well as a comprehensive overview of methodological issues in Needs Analysis by the editor.

Common European Framework of Reference for Languages: Learning, Teaching, assessment

Companion volume

Council of Europe The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains: ► an explanation of the key aspects of the CEFR for teaching and learning; ► a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; ► a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ► promote and support the learning and teaching of modern languages; ► enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ► protect linguistic and cultural diversity in Europe; and ► promote the right to quality education for all.

Volume II addresses these challenges. It is designed to generate a dialogue—continued from Volume I—among professionals in the field leading to improved practice, and to facilitate interactions, not only among individuals but also among educational institutions within a single country and across different countries.

Handbook of Research on Effective Online Language Teaching in a Disruptive Environment

IGI Global The COVID-19 pandemic radically and rapidly, and perhaps forever, changed the K-20 educational landscape. In March 2020, K-12 schools and institutions of higher education were forced to pivot quickly to online and remote teaching. This new paradigm resulted in many teachers, regardless of content area, being unprepared. In the field of second language teaching and learning, world language and TESOL educators require the investigation of techniques used during the global pandemic to ensure continued success in online teaching practice. The Handbook of Research on Effective Online Language Teaching in a Disruptive Environment provides strong and cogent guidance in the use of pedagogically sound methods of online language instruction. This book builds an innovative knowledge base about teaching during disruptive times in the context of K-20 language learning that is supported with empirical evidence. Covering topics such as online work engagement, reflective practice, and flipped classroom methods, this handbook serves as a powerful resource for instructors of English language arts and TESOL, TESOL professionals, pre-service teachers, professors, administrators, instructional designers, curriculum developers, students, researchers, and academicians.
