THE RATIONAL MALE -

POSITIVE MASCULINITY

Createspace Independent Publishing Platform Building once more on the core works of The Rational Male by Rollo Tomassi, Positive Masculinity is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to The Rational Male, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

THE RATIONAL MALE - PREVENTIVE MEDICINE

CreateSpace Building on the core works of The Rational Male - Preventive Medicine presents a poignant outline of the phases of maturity and the most commonly predictable experiences men can expect from women as they progress through various stages of life.Rational and pragmatic, the book explores the intergender and social dynamics of each stage of women's maturity and provides a practical understanding for men in dealing with women in those phases. Preventive Medicine also provides revealing outlines of feminine social primacy, Hypergamy, the 'Hierarchies of Love' and the importance of understanding the conventional nature of complementary masculinity in a world designed to keep men ignorant of it.The Rational Male - Preventive Medicine seeks to help men who "wish they knew then what they know now."The book is the first in of series complements to The Rational Male, the twelve-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the leading voices in the globally growing, male-focused online consortium known as the “Manosphere”.

THE RATIONAL MALE - RELIGION

Why is premarital sex forbidden by religion? Why is marriage the worst life-decision a man can make today? How is an idealistic Romantic Love destroying modern churches? Are female imperatives assimilating patriarchal religions? Why are so many religious men confused about masculinity? What's causing men to abandon religion? Why is pornography an "addiction" for religious men? Are Atheists 'religious' about finding love? Can Red Pill awareness and religious conviction coexist? Will there be a One-World Religion? The Rational Male(R) - Religion is an exploration of human intersexual dynamics and their influence on spiritual belief, religion and social values. In this 4th book of the Rational Male series author, Rollo Tomassi, connects the dots between human beings' evolved mating imperatives and the spiritual beliefs spawned by them that still influence society in the data age. It is a Red Pill look under the hood at the roots of men and women's "need to believe" in love, God and the metaphysical to solve our mating imperatives.Are Old Order beliefs hindering our progress in today's data-driven New Age of Enlightenment? Since 2000, global access to information has exploded. Like the Gutenberg Press in Renaissance Europe, the internet, technology and global communication has given rise to a new age of enlightenment that a global society is only beginning to acknowledge. For better or worse, this new information awakening is explaining and challenging our old investments in faith, tradition, metaphorical truth and magical thinking. And in no other area are humans more emotionally invested than in solving their reproductive problem. The Rational Male(R) - Religion succinctly explains the origins of this old order thinking, what it got right, where it's gone wrong and how we can correct our course for the future.Often called the "Godfather of the Red Pill", Rollo Tomassi has been a permanent fixture in the online men's consortium of the Manosphere for almost 20 years. He is the author of the internationally best selling book series: The Rational Male The Rational Male - Preventive Medicine The Rational Male - Positive Masculinity Rollo is also the essayist/blogger/owner of The Rational Male blog, a weekly panelist/host of the Rule Zero livestream and the host of his own YouTube channel, The Rational Male.

MEN ON STRIKE

WHY MEN ARE BOYCOTTING MARRIAGE, FATHERHOOD, AND THE AMERICAN DREAM - AND WHY IT MATTERS

Encounter Books American society has become anti-male. Men are sensing the backlash and are consciously and unconsciously going "on strike." They are dropping out of college, leaving the workforce and avoiding marriage and fatherhood at alarming rates. The trend is so pronounced that a number of books have been written about this "man-child" phenomenon, concluding that men have taken a vacation from responsibility simply because they can. But why should men participate in a system that seems to be increasingly stacked against them? As Men on Strike demonstrates, men aren't dropping out because they are stuck in arrested development. They are instead acting rationally in response to the lack of incentives society offers them to be responsible fathers, husbands and providers. In addition, men are going on strike, either consciously or unconsciously, because they do not want to be injured by the myriad of laws, attitudes and hostility against them for the crime of happening to be male in the twenty-first century. Men are starting to fight back against the backlash. Men on Strike explains their battle cry.

A SKY WITHOUT EAGLES

A Sky Without Eagles is the first printed collection of The Way of Men author Jack Donovan's essays and speeches. Beginning with his viral hit, "Violence is Golden," A Sky Without Eagles assembles Donovan's best standalone commentary from 2010 through 2014. In his straightforward but disarmingly

sincere style, Donovan channels the widespread disillusionment and frustration of men in the increasingly restrictive developed world. *A Sky Without Eagles* covers race realism, criticizes feminism's degenerative influence on masculinity, and in the title speech, laments the lack of virtue and nobility in American leadership. Donovan wrote three new essays for *A Sky Without Eagles*. The first, "Train For Honor," deals with his search for meaning in strength training. "CROM!" sums up Donovan's agnostic take on what kind of religion men need today. This collection concludes with "The Brotherhood" -- Donovan's imagining of a better, manlier and more spiritually unified tribe of men. "With this collection, Jack Donovan clearly demonstrates his deep and prescient understanding of a very particular type of man: at once revolutionary and traditional - an outsider amongst outsiders. But Donovan goes further than mere understanding, for in his use of physiological warfare against epistemological enslavement, he offers each of us an escape route from the promise of a deracinated and emasculated future." Mark Dyal, Ph.D., author of *Ultras Contra Modernity: Romans in Revolt* (Arktos, 2014). "Jack Donovan writes what most men think." Mike Smock, *Pulse Firearms Training*. "Knowing the truth means little if you lack the courage to express it in a world built on lies. Expressing it means little either if you lack the skill to capture and convince an audience. The essays in *A Sky Without Eagles* teem with ancient truths and new insights delivered with courage, humor, and compelling logic. Truth + courage + style = the latest Jack Donovan book." Greg Johnson, author of *New Right vs.Old Right* "I loved reading "Violence is Golden." It was provocative and inspiring. I enjoyed it so much that I shared it online and was stunned by how much controversy it created. (I'm sure that those that "violently" opposed the views of Mr. Donovan, missed the irony of their anger). Embracing violence doesn't mean you must be violent ... as a self-defense consultant, it means you must understand violence so that you can do your best to intercept it. In a real fight, when you are the target, it's not who's right that matters, its who's left." Tony Blauer, Blauer Tactical Systems

KICKING AWAY THE LADDER

DEVELOPMENT STRATEGY IN HISTORICAL PERSPECTIVE

Anthem Press How did the rich countries really become rich? In this provocative study, Ha-Joon Chang examines the great pressure on developing countries from the developed world to adopt certain 'good policies' and 'good institutions', seen today as necessary for economic development. His conclusions are compelling and disturbing: that developed countries are attempting to 'kick away the ladder' with which they have climbed to the top, thereby preventing developing countries from adopting policies and institutions that they themselves have used.

THE BOOK OF POOK

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children.

ALPHA GOD

THE PSYCHOLOGY OF RELIGIOUS VIOLENCE AND OPPRESSION

Prometheus Books This book uses evolutionary psychology as a lens to explain religious violence and oppression. The author, a clinical psychologist, examines religious scriptures, rituals, and canon law, highlighting the many ways in which our evolutionary legacy has shaped the development of religion and continues to profoundly influence its expression. The book focuses on the image of God as the dominant male in Judaism, Christianity, and Islam. This traditional God concept is seen as a reflection of the "dominant ape" paradigm so evident in the hierarchical social structures of primates, with whom we have a strong genetic connection. The author describes the main features of male-dominated primate social hierarchies— specifically, the role of the alpha male as the protector of the group; his sexual dominance and use of violence and oppression to attain food, females, and territory; in-group altruism vs. out-group hostility (us vs. them); and displays of dominance and submission to establish roles within the social hierarchy. The parallels between these features of primate society and human religious rituals and concepts make it clear that religion, especially its oppressive and violent tendencies, is rooted in the deep evolutionary past. This incisive analysis goes a long way toward explaining the historic and ongoing violence committed in the name of religion.

THE BETA MALE REVOLUTION

WHY MANY MEN HAVE TOTALLY LOST INTEREST IN MARRIAGE IN TODAY'S SOCIETY

Alan Roger Currie "The Beta Male Revolution is for men in the 21st Century what Feminism was for women in the 1960s and 1970s" says Author and Professional Dating Coach Alan Roger Currie in his latest book. Most men don't want to remain 'just friends' with women. Men want either sex only from women, or a combination of sexual companionship and non-sexual companionship. Unlike men, women have as many as FOUR types of men they want to spend time with: - Men who women only want to spend time with for sexual enjoyment and satisfaction: These are 'Total Alpha males' - Men who women only want to spend time with for a combination of sexual companionship and non-sexual companionship. These are 'Alpha males with a few Beta traits and tendencies' - Men who women want to spend time with primarily for the benefit of entertaining conversation, enjoyable social companionship, and financial assistance and support. These are 'Beta males with a few Alpha traits and tendencies' - Men who women only want to spend time with for strictly platonic friendship, flattery, and to have men provide them with an 'empathetic listening ear' when they are feeling bored, frustrated, or depressed. These are 'Total Beta males' Many women socially interact exclusively with Alpha male types between the ages of 18 and 29, and then begin looking for a nice, sweet, polite, monogamy-oriented Beta male type for marriage once they reach the age of 30. Well, the Beta male types are tired of this routine, and they are now avoiding proposing to marriage to women who they perceive as "Alpha male leftovers." Beta males are now well aware that the vast majority of women want to spend time with Alpha males for sexual enjoyment and satisfaction. They are also well aware that most women want to spend time with Beta males for platonic friendship, financial favors, and entertaining conversation. The Beta Male Revolution is a brutally honest assessment of where we as a society have been, where we are now, and where we are headed regarding the state of dating, long-term romantic relationships, marriage, and monogamy vs. promiscuity vs. polyamory. Women can also learn from this book because Currie explains just why men pursue some women for short-term non-monogamous 'casual' sex only, while they pursue other totally different women for long-term romantic relationships and marriage. Purchase this book right now and be educated and enlightened. You are guaranteed to have a better understanding of the manner in which the mind of the opposite sex works, and why men and women gravitate toward the type of romantic companions and sexual companions that they do after reading this book. This book will be talked about for years to come.

I DARE YOU!

Digireads.com Considered to be one of the most important self-help books ever written, "I Dare You!" was first published in 1931 by William Danforth, the founder of the Ralston-Purina pet food company and the American Youth Foundation. Danforth was a successful entrepreneur who spent much of his life helping and counseling young people and founded a youth camp in Michigan dedicated to mentoring youth. In this influential work, he expounded on his belief that a healthy and productive life depended on keeping four important elements in balance. These elements were physical, mental, social, and religious. A person must develop each element individually, but must not focus on one element to the detriment of the others. Danforth also believed in the importance of dedicating one's attention and efforts to the task at hand and treating each job and day as the most important one ever. Danforth never approached any challenge with less than complete attention and he inspired countless young people with his unwavering enthusiasm and determination. "I Dare You!" is a timeless classic that will encourage everyone to face life's challenges with a determined spirit. This edition is printed on premium acid-free paper.

ALPHA MALE STRATEGIES ADVANCED GAME

MAINTAINING THE ATTACHMENT IN THE SOCIAL MEDIA AGE

Welcome to my second dating book and my third book overall. After the success of my first book "Alpha Male Strategies, Dating in the Social Media Age" which was centered around becoming more of a catch to attract the quality of women you wanted to attract and how to build an attachment, I decided to write this book which is centered around maintaining those attachments. What's the point in attracting and building an attachment with women if you don't know how to maintain those attachments. This book is more for men who like to build rotations, have long term non-monogamous relationships and maintain them, or men who like long term monogamous relationships whether that be marriage or just the regular committed relationship.

THE TRADITION

Pan Macmillan WINNER OF THE PULITZER PRIZE FOR POETRY The Tradition by Jericho Brown, is a cutting and necessary collection, relentless in its quest for survival while revelling in a celebration of contradiction. A Poetry Book Society Choice 'To read Jericho Brown's poems is to encounter devastating genius.' Claudia Rankine Jericho Brown's daring poetry collection The Tradition details the normalization of evil and its history at the intersection of the past and the personal. Brown's poetic concerns are both broad and intimate, and at their very core a distillation of the incredibly human: What is safety? Who is this nation? Where does freedom truly lie? Poems of fatherhood, legacy, blackness, queerness, worship, and trauma are propelled into stunning clarity by Brown's mastery, and his invention of the duplex - a combination of the sonnet, the ghazal, and the blues - testament to his formal skill.

HISTORY OF THE INQUISITION

History of the Inquisition by William Rule Harris, first published in 1868, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

THE FEMINIST LIE

IT WAS NEVER ABOUT EQUALITY

Createspace Independent Publishing Platform Feminist ideology has seeped into every aspect of our society. This book is a sobering true story of tragedy, suicide, and murder directly caused by feminism. It not only chronicles true stories that show feminism's discrimination against men, it's backed by peer-reviewed research. Additionally, it includes investigative journalism that proves feminism was never about equality. The reality is that feminism doesn't just victimize men. It also victimizes women, children, families, and communities.

THE WAY OF MEN

What is masculinity? Ask ten men and you'll get ten vague, conflicting answers. Unlike any book of its kind, The Way of Men offers a simple, straightforward answer-without getting bogged down in religion, morality, or politics. It's a guide for understanding who men have been and the challenges men face today. The Way of Men captures the silent, stifling rage of men everywhere who find themselves at odds with the over-regulated, over-civilized, politically correct modern world. If you've ever closed your eyes and wished for one day as a lion, this book is for you.
