Drawing on a variety of sources, including films, published interviews with directors and actors, novels, comics, and computer games, this volume explores the ways in which historical and contemporary events have been repurposed within Star Wars. It focuses on key themes such as fascism and the Galactic Empire, the failures of democracy, the portrayal of warfare, the morality of the Jedi, and the representations of sex, gender, and race. Through these themes, this study highlights the impacts of the fall of the Soviet Union, the War on Terror, and the failures of the United Nations upon the ‘galaxy far, far away’. By analysing and understanding these events and their portrayal within Star Wars, it shows how the most popular media franchise in existence aims to speak about wider contemporary events and issues. The History and Politics of Star Wars is useful for upper-level undergraduates, postgraduates, and scholars of a variety of disciplines such as transmedia studies, science fiction, cultural studies, and world history and politics in the twentieth and twenty-first centuries.* **Star Wars: Light of the Jedi (The High Republic)** [Random House Worlds](#) *#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even The Phantom Menace . . . many years fans wondered what became of the book and why it was never published, and so it was chalked up to yet another tragic "lostworlds" story that no one would ever get to read or enjoy... or so we thought! Kenneth C. Flint's complete novel *The Heart of the Jedi* has at last been unearthed! Published on [StarWarsTimeline.net](http://www.starwartimeline.net), it has been edited to fit into the existing Expanded Universe, taking place a short time after *The Truce at Bakura* and the end of issue #107 of the *Marvel* series, but before the *X-Wing* comic-book series. Reprinted here in paperback for the first time, this is a non-profit listing for private collectors only. This is an unofficial fan printing of an unofficial fan story. IE: Bootleg Fanfiction. Disney owns *Star Wars*®, not *The Heart of the Jedi*. I am not making money off this venture. This is being printed AT COST only. The price paid is merely to Amazon for printing charges. There was a fan printing briefly available in 2015. I, and most others, missed that one. Some time ago, I decided I wanted a copy of "The Heart of the Jedi" for my bookshelf. I downloaded the PDF, formatted it for paperback, sized it so it would fit in with other MMPs, and did some Photoshop work for a Batam-era appropriate cover. I put it on Amazon, ordered my copy, and was done. Then, quite frankly, I forgot about it. The increase in copies sold has lead to a few rumors. I'd like to address some of them: The increase in copies sold has lead to a few rumors. I'd like to address some of them: I am not Ken Flint. I am not Joe Bongiorno. I am not affiliated with Disney. This book is not outselling Disney *Star Wars*. The way the Amazon Ranking algorithm works is based on sales per hour, not lifetime sales. I am not Timothy Zahn. I know him. He is an amazing mentor and an inspiration to me. I would never try and sabotage his work or steal his thunder. Everyone go buy *Thrawn*. I want to say everyone go buy MY book! But at this point, I think anonymity is safer than infamy. EU fans, stop trying to stick a thumb in Disney's eye. We're not going to change anything. Disney fans, just ignore the EU fans and let them have their silly little book. Stop tattling to Disney. Finally, I would like to publicly apologize to Ken for any appearance that I might be stealing his work. That was not the intent. --A *Star Wars* Fan **Fatal Alliance** [Titan Books](#) This *Star Wars* novel ties in with the MMORPG of the same name, and is written by Sean Williams, the acclaimed science fiction author whose previous *Star Wars* game tie-in *The Force Unleashed* debuted at #1 in the *New York Times* bestseller list. 3,500 years in the past of the far-away galaxy, when the Jedi and Galactic Republic clashed with the Sith Empire, smuggler Jet Nebula has stumbled across a treasure richer than he ever dreamed. The Hutts want to auction it to the highest bidder, be it the Republic or the Empire, both of whom hope to bolster their chances in the coming conflict. But the Sith are interested too, and they don't bargain with anyone; the Jedi High Council is sending someone to investigate; a mysterious Mandalorian is chasing something connected to a long-forgotten crime; while a spy plays every side at once. What Jet has unearthed will surprise all of them, and leave none of them unchanged. **Star Wars Darth Plagueis** [Del Rey](#) Darth Plagueis, a Sith Lord who knows the Dark Side so well that he has power over life and death, joins forces with his apprentice, one-day emperor Darth Sidious, to try to dominate the whole galaxy. A metaphor for the universal life energy that connects us all, the Force can be both light and dark, good and bad. Now, more than ever, it is our responsibility to overcome the Dark Side. This book does not aim to convert, but to inspire its readers to live a life of meaning and purpose according to the universal spiritual teachings of "the way of the Jedi." It includes: • Daniel's own fascinating spiritual journey and how overcoming personal struggles has awakened him to his purpose. • A complete toolkit that will allow anyone to genuinely embrace "the way of the Jedi" and use Jedi teachings to empower mind, body, heart and spirit. • A comprehensive explanation of Jediism as a spiritual movement (a universal desire for self-awareness, spiritual awakening, peace, love and harmony) rather than a religion. *Become the Force* shows that the Jedi-minded among us might usher in a new spirituality and shift in global consciousness towards peace and harmony that is more powerful than any we can possibly imagine. **Star Wars: Galaxies - The Ruins of Dantooine** [Random House](#) It is a time of great turmoil. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. **Star Wars®: Episode III: Revenge of the Sith** [Scholastic Inc.](#) Award-winning author Patricia C. With so much lost-and nothing less than the course of the future still at stake--there can be no turning back. No matter the consequences. The rebel cause is losing ground under the twin blows of Admiral Gilad Pellaeon's assassination and the death of Mara Jade Skywalker. Tormented and torn between the call of duty and the thirst for vengeance, Luke has searched the Force and beheld an unspeakable vision of the galaxy enslaved under tyranny more monstrous than even Palpatine's. Now it seems that the last, best hope lies in mobilizing the scattered Jedi for one decisive search-and-destroy mission. The objective: eliminate Darth Caedus.
