Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy.

The War of Art

Break Through the Blocks and Win Your Inner Creative Battles

Black Irish Entertainment LLC **What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? The War of Art identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.**

The God of Small Things

Penguin UK **Still, to say that it all began when Sophie Mol came to Ayemenem is only one way of looking at it . . . It could be argued that it actually began thousands of years ago. Long before the Marxists came. Before the British took Malabar, before the Dutch Ascendancy, before Vasco da Gama arrived, before the Zamorin's conquest of Calicut. Before Christianity arrived in a boat and seeped into Kerala like tea from a teabag. That it really began in the days when the Love Laws were made. The laws that lay down who should be loved, and how. And how much.**

Basic English Grammar

For English Language Learners:

This two-book series was written specifically for English language learners and covers all the basic grammar topics for beginners. Contains clear and concise explanations of the rules and illustrates them with numerous examples. The "Did You Know?" and "Grammar Help" notes add further to the understanding of basic grammar. Topics include: nouns, pronouns, adjectives, verbs and tenses, subject/verb agreement, adverbs, prepositions, conjunctions, interjections, sentences, punctuation. Recommended for grades 3 to 6.

The 5AM Club

Own Your Morning. Elevate Your Life.

HarperCollins **Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.**

Mind Gym

An Athlete's Guide to Inner Excellence

McGraw Hill Professional **Praise for Mind Gym "Believing in yourself is paramount to success for any athlete. Gary's lessons and David's writing provide examples of the importance of the mental game." --Ben Crenshaw, two-time Masters champion and former Ryder Cup captain "Mind Gym hits a home run. If you want to build mental muscle for the major leagues, read this book." --Ken Griffey Jr., Major League Baseball MVP "I read Mind Gym on my way to the Sydney Olympics and really got a lot out of it. Gary has important lessons to teach, and you'll find the exercises fun and beneficial." --Jason Kidd, NBA All-Star and Olympic gold-medal winner In Mind Gym, noted sports psychology consultant Gary Mack explains how your mind influences your performance on the field or on the court as much as your physical skill does, if not more so. Through forty accessible lessons and inspirational anecdotes from prominent athletes--many of whom he has worked with--you will learn the same techniques and exercises Mack uses to help elite athletes build mental "muscle." Mind Gym will give you the "head edge" over the competition.**

The Smart Money Woman

Troubador Publishing Ltd **The Smart Money Woman—An African girl's journey to financial freedom Meet Zuri. She's living a fabulous life. Great car, gorgeous apartment, well paid job. Meet Zuri. Broken down car, an apartment she cant afford, a job she's about to lose. What's a broke girl to do? Follow his journey across the nation to his love, aided only by his ingenuity and a trustworthy band of friends.

Rich Dad's Cashflow Quadrant

Rich Dad's Guide to Financial Freedom

This work will reveal why some people work less, earn more, pay less in taxes, and feel more financially secure than others.

I Dared to Call Him Father

Dilip Kumar

The Substance and the Shadow

Hay House, Inc An authentic, heartfelt and compelling narrative - straight from the horse's mouth - that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another - in his almost six-decade-long career - on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma, Saudagar and Qila.

Screw It, Let's Do It

Lessons In Life

Random House Throughout my life I have achieved many remarkable things. In Screw It, Let's Do It, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on Gaia Capitalism to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In Screw It, Let's Do It I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

The Millionaire Mindset

How Ordinary People Can Create Extraordinary Income

Lifesuccess Pub Why is it that when some poor soul wins the lottery, he is often right back in the poor house within 10 years? It's because he never changed his thinking. He never acquired a Millionaire Mindset. The Millionaire Mindset reveals how you can finally break the cycle of poverty consciousness and take control of your life. You will see the power that your conditioning has on your current results, and you'll gain a powerful system for reversing that early programming.

Basic English Grammar

Learners Publishing Pte Limited

Like It Happened Yesterday

Penguin UK Has anyone ever asked you—What were the best days of your life? That one period of your life you always wanted to go back to? And live that life . . . one more time? When asked this, I closed my eyes and went back in my own past. And I thought of the days, when life's most complex choices had a simple solution of Akkad Bakkad Bambey Bo! . . . of the seasons when rains were celebrated by making paper boats. . . . of the times when waiting at the railway crossing meant counting the bogies of the train passing by. When I opened my eyes, it seems Like it Happened Yesterday! Like it was yesterday that I broke my first tooth and fell in love for the first time. Like it was yesterday, when I was about to lose my friend, and suddenly he became my best friend. I look back and it becomes a journey full of adventure. It makes me laugh, it makes me cry and I know I'm here because I was . . . Come, hold my hand, and take this trip with me. It will be yesterday for you, once again!

Broke Millennial

Stop Scraping By and Get Your Financial Life Together

Penguin WASHINGTON POST "COLOR OF MONEY" BOOK CLUB PICK Stop Living Paycheck to Paycheck and Get Your Financial Life Together (#GYFLT)! If you're a cash-strapped 20- or 30-something, it's easy to get freaked out by finances. But you're not doomed to spend your life drowning in debt or mystified by money. It's time to stop scraping by and take control of your money and your life with this savvy and smart guide. Broke Millennial shows step-by-step how to go from flat-broke to financial badass. Unlike most personal finance books out there, it doesn't just cover boring stuff like credit card debt, investing, and dealing with the dreaded "B" word (budgeting). Financial expert Erin Lowry goes beyond the basics to tackle tricky money matters and situations most of us face #IRL, including: - Understanding your relationship with moolah: do you treat it like a Tinder date or marriage material? - Managing student loans without having a full-on panic attack - What to do when you're out with your crew and can't afford to split the bill evenly - How to get "financially naked" with your partner and find out his or her "number" (debt number, of course) . . . and much more. Packed with refreshingly simple advice and hilarious true stories, Broke Millennial is the essential roadmap every financially clueless millennial needs to become a money master. So what are you waiting for? Let's #GYFLT!

MONEY Master the Game

7 Simple Steps to Financial Freedom

Simon and Schuster "Bibliography found online at tonyrobbins.com/masterthegame"--Page [643].

Learn to Earn

A Beginner's Guide to the Basics of Investing and

Simon and Schuster Mutual-fund superstar Peter Lynch and author John Rothchild explain the basic principles of the stock market and business in an investing guide that will enlighten and entertain anyone who is high-school age or older. Many investors, including some with substantial portfolios, have only the sketchiest idea of how the stock market works. The reason, say Lynch and Rothchild, is that the basics of investing—the fundamentals of our economic system and what they have to do with the stock market—aren't taught in school. At a time when individuals have to make important decisions about saving for college and 401(k) retirement funds, this failure to provide a basic education in investing can have tragic consequences. For those who know what to look for, investment opportunities are everywhere. The average high-school student is familiar with Nike, Reebok, McDonald's, the Gap, and the Body Shop. Nearly every teenager in America drinks Coke or Pepsi, but only a very few own shares in either company or even understand how to buy them. Every student studies American history, but few realize that our country was settled by European colonists financed by public companies in England and Holland—and the basic principles behind public companies haven't changed in more than three hundred years. In *Learn to Earn*, Lynch and Rothchild explain in a style accessible to anyone who is high-school age or older how to read a stock table in the daily newspaper, how to understand a company annual report, and why everyone should pay attention to the stock market. They explain not only how to invest, but also how to think like an investor.

Captain Cool

The MS Dhoni Story

Westland 'It must be my power, the bat speed I generate, and the swing of the bat...' Mahendra Singh Dhoni is as calm and unruffled a sportsman on the field as he is self-effacing off it. But 'brute strength', 'murderous form' and 'a man possessed' were some of the phrases that came to mind when, on 5 April 2005 in Visakhapatnam, he exploded onto international consciousness by becoming the first regular Indian 'keeper to score a one-day century. With his striking form on the day, his long locks visible beneath his helmet, red tints glinting in the sunlight, 'Mahi' Dhoni had transformed from a boy HAILING from an obscure small town to a sports legend with the aura of a rock star. And yet, Dhoni was no child prodigy, no overnight success. When he made his international debut at 23, he was already mature by Indian cricket standards—with five grinding years of domestic cricket behind him. How that legend came to be—and grew from game to game—is told here by noted sportswriter Gulu Ezekiel in his crackling but measured prose. Captain Cool is the story of MS Dhoni, Indian cricket's poster boy; it is also the heartwarming account of the life of a young man who won India the World Twenty20 in 2007, the 50-over World Cup title in 2011 and the Champions Trophy in 2013, but can still tell his throngs of admirers, 'I am the same boy from Ranchi'.

Happily Ever After (Cinder & Ella #2)

The end of one story is often the beginning of another. Hollywood heartthrob Brian Oliver and his Cinderella princess Ellamara Rodriguez have finally found love outside the digital world. But leaving their anonymity behind creates a whole new set of obstacles for the nation's new favorite sweethearts. With the stress of Brian's fame and the pressures of a new relationship weighing down on them, the It Couple quickly begins to wonder if they can hold on to their newfound joy, or if maybe happily ever after is only a fairy tale.

Kali and the Rat Snake

Tulika Books Kali hates school. And school hates him, he thinks, for he has no friends. The children there find him strange. He wishes his father were an 'ordinary' bus-conductor or postman instead of a snake-catcher, even if one of the most celebrated in the Irula tribe. He worries that others will see him eating fried termites (his favourite snack!) and laugh. And then one day, a large rat snake creates havoc in the classroom . . . and Kali becomes a hero! A simple, sensitive story crafted by a writer deeply involved with environmental issues. Zai Whitaker works closely with the Irulas, and her empathy with them is as evident in this book as it was with the Jarawas in *Andamans Boy*, also published by Tulika. The watercolour illustrations are evocative and detailed, suffusing the story with many hues of mood.

The Successors of Genghis Khan

Managing Your Emotions

Instead of Your Emotions Managing You

FaithWords God Gave You Emotions on Purpose! Our emotions play a vital role in living happy, healthy, successful lives. All emotions, from love and joy to anger and fear, have an important part to play in understanding ourselves and others. They help us discover the wonders of this life as well as warn us when we are in danger. But this diversity of feelings is meant to complement our life, not determine it! In this life-transforming book, Joyce Meyer reveals powerful truths from God's Word that will help you learn to manage all of your emotions in the right direction. Through hilarious illustrations and real-life applications, Joyce delivers the keys to keeping your emotions in the proper place while allowing the Spirit of God to lead and direct you. Dynamic scriptural insights are included on topics such as: * How not to be led by feelings * Codependency * Forgiveness * Mood swings * Healing for damaged emotions * Depression * And much more! Don't allow your feelings to determine your destiny! Instead, manage your emotions to complement and enhance your attitude for a joyful, victorious life!

Zero to One

Notes on Start Ups, or How to Build the Future

Random House WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar. Every new creation goes from 0 to 1. This book is about how to get there. 'Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.' ELON MUSK, CEO of SpaceX and Tesla 'This book delivers completely new and refreshing ideas on how to create value in the world.' MARK ZUCKERBERG, CEO of Facebook 'When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic.' NASSIM NICHOLAS TALEB, author of *The Black Swan*

Comparative Indo-European Linguistics

An Introduction

John Benjamins Publishing This book gives a comprehensive introduction to Comparative Indo-European Linguistics. It starts with a presentation of the languages of the family (from English and the other Germanic languages, the Celtic and Slavic languages, Latin, Greek and Sanskrit through Armenian and Albanian) and a discussion of the culture and origin of the Indo-Europeans, the speakers of the Indo-European proto-language. The reader is introduced into the nature of language change and the methods of reconstruction of older language stages, with many examples (from the Indo-European languages). A full description is given of the sound changes, which makes it possible to follow the origin of the different Indo-European languages step by step. This is followed by a discussion of the development of all the morphological categories of Proto-Indo-European. The book presents the latest in scholarly insights, like the laryngeal and glottalic theory, the accentuation, the ablaut patterns, and these are systematically integrated into the treatment. The text of this second edition has been corrected and updated by Michiel de Vaan. Sixty-six new exercises enable the student to practice the reconstruction of PIE phonology and morphology.

The Education of a Value Investor

My Transformative Quest for Wealth, Wisdom, and Enlightenment

St. Martin's Press What happens when a young Wall Street investment banker spends a small fortune to have lunch with Warren Buffett? He becomes a real value investor. In this fascinating inside story, Guy Spier details his career from Harvard MBA to hedge fund manager. But the path was not so straightforward. Spier reveals his transformation from a Gordon Gekko wannabe, driven by greed, to a sophisticated investor who enjoys success without selling his soul to the highest bidder. Spier's journey is similar to the thousands that flock to Wall Street every year with their shiny new diplomas, aiming to be King of Wall Street. Yet what Guy realized just in the nick of time was that the King really lived 1,500

miles away in Omaha, Nebraska. Spier determinedly set out to create a new career in his own way. Along the way he learned some powerful lessons which include: why the right mentors and partners are critical to long term success on Wall Street; why a topnotch education can sometimes get in the way of your success; that real learning doesn't begin until you are on your own; and how the best lessons from Warren Buffett have less to do with investing and more to do with being true to yourself. Spier also reveals some of his own winning investment strategies, detailing deals that were winners but also what he learned from deals that went south. Part memoir, part Wall Street advice, and part how-to, Guy Spier takes readers on a ride through Wall Street but more importantly provides those that want to take a different path with the insight, guidance, and inspiration they need to carve out their own definition of success.

The Cosmic View of Albert Einstein

Sterling Ethos Draws from various sources to relate Albert Einstein's ethical and philosophical views on the cosmos, touching on such topics as God, prayer, wealth, peace, creativity, nature, imagination, and curiosity.

Chains to Lose, Life and Struggles of a Revolutionary

Memoirs of Dada Amir Haider Khan

India Unbound

from Independence to the Global Information age

Penguin UK India Unbound is the riveting story of a nation's rise from poverty to prosperity and the clash of ideas that occurred along the way. Gurcharan Das examines the highs and lows of independent India through the prism of history, his own experiences and those of numerous others he has met—from young people in sleepy UP villages to chiefs of software companies in Bangalore. Defining and exploring the new mindset of the nation, India Unbound is the perfect introduction to contemporary India.

Fahrenheit 451

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

The Tipping Point

How Little Things Can Make a Big Difference

Little, Brown From the bestselling author of *The Bomber Mafia*: discover Malcolm Gladwell's breakthrough debut and explore the science behind viral trends in business, marketing, and human behavior. The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate. This widely acclaimed bestseller, in which Malcolm Gladwell explores and brilliantly illuminates the tipping point phenomenon, is already changing the way people throughout the world think about selling products and disseminating ideas. "A wonderful page-turner about a fascinating idea that should affect the way every thinking person looks at the world." —Michael Lewis

Playing It My Way

My Autobiography

Hachette UK 'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne This is cricket icon, Sachin Tendulkar's life story in his own words - his journey from a small boy with dreams to becoming a cricket god. His amazing story has now been turned into a major film, *A Billion Dreams*, in which he stars. The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

World Englishes

The Study of New Linguistic Varieties

Cambridge University Press The spread of English around the world has been and continues to be both rapid and unpredictable. *World Englishes: The Study of New Linguistic Varieties* deals with this inescapable result of colonisation and globalisation from a social and linguistic perspective. The main focus of the book is on the second-language varieties of English that have developed in the former British colonies of East and West Africa, the Caribbean, South and South-East Asia. The book provides a historical overview of the common circumstances that gave rise to these varieties, and a detailed account of their recurrent similarities in structure, patterns of usage, vocabulary and accents. Also discussed are debates about language in education, the rise of English in China and Western Europe, and other current developments in a world of global travel and migration.

The Celestine Prophecy

Grand Central Publishing THE #1 BESTSELLING INTERNATIONAL PHENOMENON - NOW WITH A NEW PREFACE You have never read a book like this before--a book that comes along once in a lifetime to change lives forever. In the rain forests of Peru, an ancient manuscript has been discovered. Within its pages are 9 key insights into life itself -- insights each human being is predicted to grasp sequentially; one insight, then another, as we move toward a completely spiritual culture on Earth. Drawing on ancient wisdom, it tells you how to make connections among the events happening in your life right now and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystallize your perceptions of why you are where you are in life and to direct your steps with a new energy and optimism as you head into tomorrow. Praise for *The Celestine Prophecy* "A gripping adventure story filled with intrigue, suspense, and spiritual revelations." - *Commonwealth Journal* "A spiritual classic...a book to read and reread, to cherish, and to give to friends." - Joan Borysenko, PhD, author of *Fire in the Soul* "In his inimitable style of great storytelling, Redfield opens us up to a world of insight, inspiration, synchronicity, and power." - Deepak Chopra

The Startup Owner's Manual

The Step-By-Step Guide for Building a Great Company

John Wiley & Sons More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? *The Startup Owner's Manual* guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to

repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

The Bet

The Women's Decameron

Henry Holt & Company Ten Leningrad women quarantined in a maternity home for ten days pass the long evenings trading anecdotes on subjects like love, farcical sex, seduction, rape, revenge, good deeds, and happiness. The women range from "bigwig," engineer, secretary (Voznesenskaya's Everywoman) to dissident's wife and tramp. The tales, seemingly collected by Voznesenskaya during her own time in a labor camp, offer a funny, pathetic view of unfamiliar aspects of Soviet daily life. They also depict conditions known all too well worldwide: women as victims of male lust and scapegoats for frustrated ambition and claustrophobic living conditions. The protagonists' earthy good sense, mutual respect, and valiant optimism transcend the artifice of the form and unify a hundred anecdotes into a compelling book well worth reading.

The Miracle Morning

What's being widely regarded as "one of the most life changing books ever written" may be the simplest approach to achieving everything you've ever wanted, and faster than you ever thought possible. What if you could wake up tomorrow and any-or EVERY-area of your life was beginning to transform? What would you change? The Miracle Morning is already transforming the lives of tens of thousands of people around the world by showing them how to wake up each day with more ENERGY, MOTIVATION, and FOCUS to take your life to the next level. It's been right here in front of us all along, but this book has finally brought it to life. Are you ready? The next chapter of YOUR life-the most extraordinary life you've ever imagined-is about to begin. It's time to WAKE UP to your full potential...

Spoken English Learned Quickly

An Accelerated Spoken English (ASE) Course for Individual Or Group Instruction

Are you frustrated with your English study? You want to speak English. Instead, you are taught to write English sentences and memorize grammar rules. There is a better way. The best way for you to learn a language is to speak it. Therefore, the author of SPOKEN ENGLISH LEARNED QUICKLY developed a method so that you can learn English by speaking it even when you do not yet know the language. Two U.S. patent applications have been filed on the method. This new method allows even the beginning student to speak grammatically correct English for two or more hours each day. The Fluency Builder Course provides enough audiotape material for nine months of spoken English study. Through repeating grammatically correct English sentences, you will quickly learn to speak fluently. The course emphasizes correct use of the English verb. SPOKEN ENGLISH LEARNED QUICKLY uses neither beginning nor advanced levels of study - all students use the same course, and are immediately immersed in normal, spoken English. This is a self-taught course for highly motivated students. Fluency is achieved at almost twice the rate attainable with typical ESL courses. www.spokenli.com gives two free demonstration lessons.
