THE FAITH FACTOR

PROOF OF THE HEALING POWER OF PRAYER

Penguin Drawing from the latest scientific research, as well as numerous illustrative case studies, **The Faith Factor** offers convincing proof that religious practices can and do enhance the healing powers of medicine. And nationally renowned physician Dale A. Matthews offers a program any patient can follow to incorporate faith into their own healing. Dr. Matthews points out that encouraging an integration of religious beliefs and practices in medical settings can have important benefits for the entire medical community, from patients and doctors to national health policy makers. He shows how the national trend toward rediscovering religious values has led many patients to use prayer in conjunction with conventional treatment, and that the results have already confirmed that faith and religious practice can be valuable medicine. Finally, Dr. Matthews helps readers explore the connection between faith and medicine in their own lives through methods of prayer, community worship, and study of Scripture.

HEALING WORDS

THE POWER OF PRAYER AND THE PRACTICE OF MEDICINE

Harper Collins Proving prayer to be as valid and vital a healing tool as drugs or surgery, the bestselling author of *Meaning & Medicine* and *Recovering the Soul* offers a bold integration of science and spirituality.

THE HEALING POWER OF PRAYER

THE SURPRISING CONNECTION BETWEEN PRAYER AND YOUR HEALTH

Baker Books Prayer can heal you. It's not just hype or hope or a spiritual cliché. There is actual scientific evidence to support this. Recent medical and psychological studies claim that prayer can relieve stress, improve attitudes, and mend bodies. Prayer generates peace, power, and health—a triple preventative that guards against anxiety and disease. It's a simple act that heals. According to Chet Tolson and Harold Koenig prayer helps people function at their best when life serves them the worst. Even on good days, it enhances the mind-body-soul connection. In *The Healing Power of Prayer*, these authors explain the nature of prayer, what happens when we pray, the restorative benefits of prayer, how to organize prayer, and much more. Their facts and insights will encourage believers to increase, the fainthearted to revive, and skeptics to begin a life of prayer.

THE HEALING VOICE ON THE POWER OF PRAYER

FAITH LITERATURE, AND THE SCIENCE OF HEALING, PROVING TO THE WORLD THAT A LIVING FAITH GIVES US A PRACTICAL CHRISTIANITY (CLASSIC REPRINT)

Forgotten Books Excerpt from *The Healing Voice on the Power of Prayer: Faith Literature, and the Science of Healing, Proving to the World That a Living Faith Gives Us a Practical Christianity* The healing voice was sent forth in 1884 very as Noah sent forth the Dove, to see if the waters of the world had abated. We rejoice to say that the Voice has brought back to us the olive branch; the evidence that God has a covenant-keeping people on this earth, in whom He is working to will and to do of His own good pleasure. We find also, as Elijah did in his day, that there are many thousands who do not bow the knee to Baal. May the readers of this, our third edition, find in this volume the Spirit of union and oneness in Christ, that we have found, in all that is written therein. That spirit of love and wisdom which scatters in Jacob, but gathers in Israel. - For in the Israel of God all see eye to eye. I am looking and long ing for the appearing of the white robed throng, those who will stand together on the sea of glass, the mirror of truth, with Christ in God, judging the twelve tribes of Israel. SCIENTIFIC AND PASTORAL PERSPECTIVES ON INTERCESSORY PRAYER

AN EXCHANGE BETWEEN LARRY DOSSEY, MD, AND HEALTH CARE CHAPLAINS

Routledge Many people agree that prayer is a central feature of spiritual life. But what is prayer? *Scientific and Pastoral Perspectives on Intercessory Prayer: An Exchange Between Larry Dossey, MD, and Health Care Chaplains* explores common questions and concerns about intercessory prayer, or the act of praying for the benefit of others, from several different points of view. Chaplains, priests, ministers, and clergy in the health care profession will learn how prayer is examined from sources other than traditional Christian views, such as parapsychology. From *Scientific and Pastoral Perspectives on Intercessory Prayer*, you will learn what prayer means to some chaplains and to their ministry and how prayer can make drastic changes in the lives of your parishioners, patients, and their families. Written by eight chaplains, the articles in this text are in response to an essay by Larry Dossey, a nationally known physician who speaks and writes about prayer. The contributors to *Scientific and Pastoral Perspectives on Intercessory Prayer* discuss his points of view on intercessory prayer, which are based on quantum physics. You will learn if this area of physics can make a difference in how you practice your faith, how you worship, and what you think about or expect from prayer. *Scientific and Pastoral Perspectives on Intercessory Prayer* examines several other topics related to prayer, including: discovering whether or not intercessory prayer is truly different from other methods of meditation exploring the relationship between intercessory prayer and meditative or praise prayer linking prayers and their results to the expectations or intentions of those who engage in them differentiating between an intercession and a wish deciding for yourself what constitutes evidence or proof when discussing the aspects of prayer how our opinion of prayer relates to how we think about the universe and about God Since *Scientific and Pastoral Perspectives on Intercessory Prayer* focuses on the cooperation between science and theology, you will discover that, in many instances, people believe that the power of prayer should be taken seriously. This text also shows you how the questions and functions of prayer are shared by everyone, despite religious differences or methods of praying. Encompassing research and personal experiences, *Scientific and Pastoral Perspectives on Intercessory Prayer* will help you answer questions about religion and its role in the lives of parishioners, patients, and clergy, as well as provide you with evidence to the positive and healing power of prayer.

GOD'S HEALING POWER

Word Alive Press Is there a need for healing in your life? This book can help you access God's amazing healing power. Karen Henein explores the Bible's teaching about healing, referencing hundreds of verses and relating encouraging stories. Why not learn how to actively use every point of access to God's healing power? God loves you and wants to extend His kindness, compassion, mercy, and grace. In response to your prayers and other steps of obedience, God will choose the measure, method, timing, and duration of the healing He will provide for you and your loved ones. While generating faith for healing, God's Healing Power also explores why God allows seasons of suffering, what the Bible says about life span, obstacles to our healing, the reality of death, and the promise of eternal life. Hope for healing and hope for heaven can run simultaneously on side-by-side tracks. Those distinct hopes will merge at the believer's last earthly horizon. God will fully restore us some day, providing a resurrected body that's immortal, indestructible, and forever free from pain. Here or there, now or then, a positive outcome awaits each believer. Whether you need faith for healing, or peace and comfort as life nears its end, God's Healing Power will provide substantive help for your journey.

THE PRACTICE OF HEALING PRAYER

A HOW-TO GUIDE FOR CATHOLICS

The Word Among Us Press Most Catholics did not grow up learning how to pray with others for healing or to expect that their prayers could be powerful and transformative. In this book, Francis MacNutt, an early leader in the Catholic Charismatic Renewal and head of Christian Healing Ministries, encourages Catholics to do both. This easy-to-read and informative book: includes a step-by-step guide for how to pray with others through the laying on of hands; explains the various types of healings that we can expect—physical, emotional, and spiritual; discusses the healing effects of the sacraments; features many stories of people who have been healed through prayer. This book will help Catholics view healing prayer as an integral part of their life in Christ and step out in faith by praying with others and by asking for prayer when they need healing.

TRANSFORMING ACTS

ACTS OF THE APOSTLES AS A 21ST CENTURY GOSPEL

Energion Publications In *Healing Marks* (Energion Publications, 2012), Dr. Bruce Epperly challenged Christians to take the healings of Jesus seriously as a pattern for how we can become healing communities. Now he turns to the book of Acts as a pattern for the church in the 21st century. He says, "I believe that Acts of the Apostles provides a fluid, open-spirited, and holistic faith for twenty-first century people as well as a vision for congregational transformation and renewal. Anything can happen to those who follow Jesus. Life is adventurous, surprising, and interesting. Worship leads to mission and mission challenges narrow-mindedness and self-imposed limitations. For those who embrace the spirit of Acts of the Apostles, worship will never be boring and every day will be a holy adventure." This book is not just an exposition of the book of Acts. It is a call to action. But it is more than that. It draws from the lessons of the early church a plan of individual and communal action to live an adventurous life of faith and to change the world. Each chapter includes activities to help you apply the content to your life and mission. Labeled "Transforming Acts" these point to the transforming acts you can take in your personal or congregational life. Acts is a story of a small group of people who set out to do what appeared humanly impossible - change their world. In this book you are invited to become a part of that story, to attempt the humanly impossible, and to bring transformation and renewal to the church and to the entire world.

MAKING SENSE OF AIDS

CULTURE, SEXUALITY, AND POWER IN MELANESIA

University of Hawaii Press In Melanesia, rates of HIV infection are among the highest in the Pacific and increasing rapidly, with grave humanitarian, development, and political implications. There is a great need for social research on HIV/AIDS in the region to provide better insights into the sensitive issues surrounding HIV transmission. This collection, the first book on HIV and AIDS in the Pacific region, gathers together stunning and original accounts of the often surprising ways that people make sense of the AIDS epidemic in various parts of Melanesia. The volume addresses substantive issues concerning AIDS and contemporary sexualities, relations of power, and moralities—themes that provide a powerful backdrop for twenty-first century understandings of the tensions between sexuality, religion, and politics in many parts of the world.

A DICTIONARY OF CHRIST AND THE GOSPELS

VOLUME I, PART ONE (AARON - EXCUSE)

The Minerva Group, Inc. The purpose of this dictionary is to give an account of everything that relates to Christ - His Person, Life, Work, and Teaching. It is in a sense complementary to the Dictionary of the Bible, in which, of course, Christ has a great place. But a dictionary of the Bible, being occupied mainly with things biographical, historical, geographical, or antiquarian, does not give attention to the things of Christ sufficient for the needs of the preacher, to whom Christ is everything. This is, first of all, a preacher's dictionary. The authors of the articles have been carefully chosen from among those scholars who are, or have been, themselves preachers. And even when the articles have the same titles as articles in the Dictionary of the Bible, they are written by new men, and from a new standpoint. It is thus a work which is quite distinct from, and altogether independent of, the Dictionary of the Bible. It is called a Dictionary of Christ and the Gospels, because it includes everything that the Gospels contain, whether directly related to Christ or not. Its range, however, is far greater than that of the Gospels. It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world. There will be articles on the Patristic estimate of Jesus, the Medieval estimate, the Reformation and Modern estimates. There will be articles on Christ in the Jewish writings and in the Muslim literature. Much attention has been given to modern thought, whether Christian or anti-Christian. Every aspect of modern life, in so far as it touches or is touched by Christ, is described under its proper title. James Hastings (1852-1922) was a distinguished scholar and pastor. He was founder and editor of the Expository Times and is also well known for editing the five-volume Dictionary of the Bible, as well as the Encyclopaedia of Religion and Ethics, the Dictionary of Christ and the Gospels, and the Dictionary of the Apostolic Church.

HOSTILITY TO HOSPITALITY

SPIRITUALITY AND PROFESSIONAL SOCIALIZATION WITHIN MEDICINE

Oxford University Press Spiritual sickness troubles American medicine. Through a death-denying culture, medicine has gained enormous power—an influence it maintains by distancing itself from religion, which too often reminds us of our mortality. As a result of this separation of medicine and religion, patients facing serious illness infrequently receive adequate spiritual care, despite the large body of empirical data demonstrating its importance to patient decision-making, quality of life, and medical utilization. This secular-sacred divide also unleashes depersonalizing, social forces through the market, technology, and legal-bureaucratic powers that reduce clinicians to tiny cogs in an unstoppable machine. *Hostility to Hospitality* is one of the first books of its kind to explore these hostilities threatening medicine and offer a path forward for the partnership of modern medicine and spirituality. Drawing from interdisciplinary scholarship including empirical studies, interviews, history and sociology, theology, and public policy, the authors argue for structural pluralism as the key to changing hostility to hospitality.

SMITE THE ENEMY AND DESTROY THEIR POWER

WHY PRAYER IS POWERFUL

GOD'S LINK VENTURES You must be merciless in the battle field of prayer. Our daily warfare depends on the angle we look at it. When people sleep at night and wake in the morning with nothing to do or pursue, destruction is close by. Such person is in the battle field of survival. You hardly survive without overcoming one problem or the other. You hardly survive without overcoming one problem or the other. You must pray without season and back it up with fasting. Before you can smite the enemy and destroy them, you must learn the act of a soldier in the Lord, a prayer warrior and a prayer warlord in the war room of fire. A war room of fire is an incubator fire house that rebuilds and rebrands you to be dangerous before your enemies. Graduates in this room are fire proof, bullet proof, arrow proof, sword proof, flood proof, and machete proof. They are dangerous to dangers of darkness. They are dangerous that enemies see them and flee. Spiritually, their eyes can't be comprehended; no wonder enemies see them and flee! This book is powerful and spiritually loaded with warfare prayer that will set you free from the camp of the enemy. Enemies that surround you will scatter. Every camp of the enemy that vows you shall be brought down shall scatter. They shall flee one by one, until you see them no more. You are not a candidate of defeat. With this book you shall scatter the plans of the enemy against you and make them lick the dust. This book will prepare you for war, win war and rule over your enemy. You will hardly experience poverty of ideas or stagnancy in life. The

book shall build your faith with heavenly security that batter stagnancy and backwardness to nothing and open great doors of success to you. Surely, you will rise from the pit to the top and from the valley to mountain top. There is nothing too wrong for God to correct. Every witchcraft power assign to humiliate and harass you shall fail, in the name of Jesus. It is time you take control of situation that surrounds you. The time has come and must be fulfilled. You shall not plant for others to harvest it. No locust shall consume your harvest. Your sweat shall not be in vain. To the Lord Almighty, be the glory. Amen. Pick this book and experience wonders of God.

WHO HEALETH ALL THY DISEASES

HEALTH, HEALING, AND HOLINESS IN THE CHURCH OF GOD REFORMATION MOVEMENT

Scarecrow Press Who Healeth All Thy Diseases is a history of divine healing and 19th-century health reform in the Church of God, one of the earliest and most influential pre-Pentecostal radical holiness movements. The Church of God taught that Wesleyan entire sanctification was creating a visible unity of saints that restored the New Testament church of the apostles. As the movement grew and experimented with the implications of visible sainthood, physical healing—miraculous divine healing and the physical perfectionism of health reform—became integral to the life and theology of the Church of God, shaping everything from proof of membership and evidence of ministerial authority to childrearing practices and acceptable clothing styles. Physical healing manifested and embodied the movement's claim that God was healing the universal church (the Body of Christ) by cleansing individuals from the corruption of inbred sin. By 1902, the prevailing opinion in the Church said that divine healing was an essential aspect of the gospel, use of medicine was sinful, and every minister had to exhibit the gifts of healing. In the early 20th century, the Church's theology and practices of healing became increasingly problematic. Tragic failures of divine healing, epidemics, medical advances, court trials, mandatory inoculations of schoolchildren, and general opprobrium combined to prevent a simplistic equation of the Church of God and the church of the apostles. By 1925, the Church had reversed its radical, anti-medicine doctrines. Church members continued to affirm that Jesus answered prayers for healing, but they no longer claimed to know exactly how he would answer prayers. With that loss of certainty, healing lost its power to serve as evidence of holiness and its central place in the history of the Church of God.

THE POWER OF GOD TO HEAL

ALL THE HEALINGS IN THE BIBLE TO HELP YOU HEAL YOURSELF AND OTHERS

iUniverse As evidence accumulates regarding the effect of thought and emotion on health, more people are investigating spiritual healing. This book supports this search by compiling all the healings to be found in the Old and New Testaments. Reading these passages will give you insights into the process of Christian healing, and you will feel a beneficial effect. The healing experiences can inspire caregivers, health-care professionals, and workers in the psychological and spiritual fields. Discerning titles and subtitles help you relate to biblical events and teachings. There are 228 Old Testament healings and prayerful passages: These narratives reveal how the patriarchs and prophets, such as Elijah and Elisha, triumphed over a range of difficulties that still challenge people today. There are 176 New Testament healings and inspiring passages: All the great deeds accomplished by Jesus and his followers are here. He expected that all who believe his teachings would follow his example by healing sickness and sin and by mastering adverse circumstances. We can rise to this challenge! This book records biblical cures of deafness, lameness, blindness, mental illness, deformity, and the effects of accident. It describes miracles such as the expansion of food supply, protection from danger, dominion over the weather, and instant transportation. It also reports the overcoming of grief, hunger, infertility, inherited illnesses, loss, lust, old age, and poverty. Brighten your life with the encouragement this book offers, or share it with a friend in need.

PRAYING WITH PASSION

GROUNDING IN OBEDIENCE

WestBow Press "Praying with Passion is the perfect antidote to listless prayer. Judge McCaig's admonitions are on target." —Dr. Charles J. Wisdom, senior associate pastor, Second Baptist Church, Houston, Texas "In fifty-nine years as a pastor, I've read many books on prayer. Praying with Passion is the first that looks at all facets of one's prayer life. I wish I had Praying with Passion during my early years as a believer. I recommend this book to anyone serious about his or her prayer life." —Lowell F. Thompson, retired editor and consultant, Baptist Sunday School Board (now LifeWay Christian Resources) If everyone prayed just like you do, what would the world be like? If everyone prayed exactly like you wish you prayed, what would the world be like? The answers to those two questions are very telling. Praying with passion means having an intense, real relationship with God. It means having a conversation with God in which you truly know in your heart that He hears you. Praying with Passion seeks to help you learn to communicate with God and move closer to Him in all parts of your life. Learn to seek God's will, discern that will, and courageously follow it. Praying with Passion enables you to become passionate in your prayer life, as passion on fire has a far greater effect than knowledge on ice.

TESTING PRAYER

Harvard University Press In Candy Gunther Brown's view, science cannot prove prayer's healing power, but what scientists can and should do is study prayer's measurable effects on health. If prayer benefits, even indirectly, then more careful attention to prayer practices could impact global health, particularly in places without access to conventional medicine.

THE CHRISTIAN HEALING POWER

CHRISTIAN HEALING & JESUS CHRIST HEALS

e-artnow Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills. However, very few have dared even to suggest that Jesus applied universal law in His restorative methods. Charles Fillmore have found that Jesus' healing methods were based on universal mental and spiritual laws that anyone can utilize. Ultimately, that cognition led him to the conclusion that man and the universe are founded on mind and that all changes for good or ill are changes of mind. THE FASTING PRAYER

Ravenio Books "And, behold, I send the promise of my Father upon you:" To obtain the "power," the commandment given to us by Jesus: "Tarry ye in the city of Jerusalem (your present city) until ye be endued with power from on high" (Luke 24:49) must be obeyed. Many Christians claim the experience of Acts 2:4, but they have not attained the experience provided for in Luke 24:49. The progress so far is fine, but the deceiver still has many of us lulled to sleep, deluded, and self-satisfied, far from the goal Jesus intended for us to reach. I once owned an airplane, but owning an airplane and getting the motor going so it will take off with its own power are two different things. If you have the Holy Spirit, He still may not have sufficient sway in your life for you to have the advanced experience of power and the gifts of the Spirit. Many do not seek God far enough, and in quite the right manner to allow the Holy Spirit to exert His power, even though He has been received. Every evidence points to the fact that the early church and apostles put into practice what the church has failed to do today. Therefore, they had an experience that overshadows ours. Every single new testament church was founded in fasting and prayer. Acts 14:23. After Jesus said, "I send the promise of the Father upon you" He also told them, "Tarry . . . until ye be endued with power." Where there is a lack of perfection and refinement among God's people, as there is today, this power and the gifts of the Holy Spirit cannot very well be received by prayer alone. (If they can be received in this manner, I ask, where are they? Even in the days of the apostles, they too, found it necessary at times to employ this method to arrest the flesh and become refined in order to receive this power. They were in a state of perfection that far exceeded ours today. We believe many put into practice the prophet's-length fast and obtained the power and gifts. Without following their example and deeds, we are without their mighty experiences. Consecrated fasting acts as a refining fire to the saint of God, and enables him to become purified and cleansed to such an extent he can obtain the power and the gifts of the Spirit. It actually requires a further process of purification and sanctified living to obtain and retain the gifts of the Spirit than otherwise. The best means of reaching that goal is to do as Paul asked us to do, follow him "in fastings often." This volume endeavors to take what has generally been overlooked, and reveal, perhaps for the first time in detailed form, the secret of the early church. It is made so simple and easy of accomplishment that anyone can have an experience as dynamic as those of any of the apostles and followers of Jesus Christ.
