In *Spiritual Warrior II*, Bhakti Tirtha Swami offers profound insight into the critical issues of the body, mind, and spirit that touch us all. Tough questions are addressed, such as: What is love? Where does lust come from? How can

sexuality become a constructive force? How can we have better relationships? Provided with insightful answers stemming from a broad, compassionate perspective deeply grounded in spirituality, we are shown how to live from the heart, loving ourselves, one another and God. **Yoga and Veganism The Diet of Enlightenment** Mandala Publishing In *Yoga and Veganism*, Sharon Gannon—co-creator of the renowned Jivamukti Yoga method—weaves together a compelling exploration of the intersection between the spiritual practice of yoga, physical health, care for the planet, and a peaceful coexistence with other animals and nature. Through clear and accessible language, Gannon unpacks the wisdom of the Yoga Sutras of Patanjali, one of the oldest and most revered texts focused on the philosophy of yoga, and draws a fascinating course to greater enlightenment for the contemporary practitioner. With yama, or restraint, the Yoga Sutras outline the first step on the path to spiritual liberation through five ethical principles that help guide our relationships with the world around us: Ahimsa teaches us how to avoid personal suffering through not harming others, while satya reveals how telling the truth allows us to be better listened to. Through asteya, or nonstealing, we learn the secret of wealth. Brahmacharya reveals how refraining from sexual misconduct leads to health and vitality, and finally, aparigraha opens our eyes to the ways in which greed holds us back from true happiness and is destroying the planet. *Yoga and Veganism* shines a light on these five guiding principles, demonstrating how the practice of yoga is tied to an ethical vegan lifestyle, which opens the path to both physical wellness and spiritual enlightenment. Featuring a selection of delicious recipes from the author along with personal essays from individuals whose lives have been transformed by veganism—including filmmaker Kip Andersen (*Cowspiracy*) and activist Ingrid Newkirk (president of PETA)—*Yoga and Veganism* provides a framework for yoga students and teachers looking to bring their asana practice into alignment with the philosophy at the heart of the discipline, as well as with the Earth around them and all of the beings within it. **Art of Chanting Hare Krishna Japa Meditation Techniques** In 7 languages, this book explores the rich history and myriad uses of chanting the most powerful mantra for the modern age that has kindled the recent explosion of interest in this ancient art. The Vedas proclaim that chanting the Hare Krishna mantra is the maha-sadhana, the best and only yoga practice for this dark age of conflict, wherein terror and tension prevail. It is the most powerful way to open the heart and experience ecstatic divine love. There can be no peace or harmony in the world unless the people of all nations garland their hearts with the Hare Krishna mantra. Throughout the centuries, all divine masters have taught the same principle-praise the Lord by singing and chanting His holy names. Such praise will pacify the mind, cleanse the heart of lust, anger and greed, and surcharge the soul with joy. *The Art of Chanting Hare Krishna* reveals the science of Mantra Yoga and describes over 60 scientifically proven meditation techniques while chanting by giving practical suggestions for improving concentration and controlling the mind. Discover Spirit in Sound by accepting this sublime process and swim in the ocean of ever expanding bliss. **Living with the Himalayan Masters** Himalayan Institute Press Inspirational stories of Swama Rama's experiences and lessons learned with the great teachers who guided his life including Mahatma Gandhi, Tagore, and more. **Nectar Stream** Jaico Publishing House "The drop has expanded into a stream now. Experience the nectar flowing through the pages of the Nectar Stream." **Being Ram Dass** Sounds True "Ram Dass lived a full life and then some. His final statement is thorough and, yes, enlightening." —Kirkus Reviews Perhaps no other teacher has sparked the fires of as many spiritual seekers in the West as Ram Dass. If you've ever embraced the phrase "be here now," practiced meditation or yoga, tried psychedelics, or supported anyone in a hospice, prison, or homeless center—then the story of Ram Dass is also part of your story. From his birth in 1931 to his luminous later years, Ram Dass saw his life as just one incarnation of many. This memoir puts us in the passenger seat with the one-time Harvard psychologist and lifelong risk-taker Richard Alpert, who loved to take friends on wild rides on his Harley and test nearly every boundary—inner or outer—that came his way. Being Ram Dass shares his life's odyssey in intimate detail: how he struggled with issues of self-identity and sexuality in his youth, pioneered psychedelic research, and opened the doorways to Eastern spiritual practices. In 1967 he trekked to India and met his guru, Neem Karoli Baba. He returned with a perspective on spirituality and psychology that changed millions. Featuring 64 pages of color photographs, this intimate memoir chronicles the cultural and spiritual transformations Ram Dass experienced that resonate with us to this day, a journey from the mind to the heart, from the ego to the soul. Before, after, and along these waypoints, readers will encounter many other adventures and revelations—each ringing with the potential to awaken the universal, loving divine that links us to this beloved teacher and all of us to each other. **Spiritual Initiation - What It Is** Sri Ramakrishna Math This book is a compilation of material culled from the three articles written by Revered Swami Bhuteshananda Maharaj, former president of the Ramakrishna Order, and lucidly explains the need of guru in leading the spiritual aspirants along the spiritual path by giving a formula called mantra repeating which they can reach the Supreme Goal. It is a very handy material for those thinking of taking spiritual initiation. **Chaitanya His Life and Associates** Mandala Publishing Group This is an intriguing biographical account of the 16th century avatar and propagator of the Bhakti Yoga devotional tradition and his principal associates. Chaitanya's doctrine of divine love created a renaissance of spiritual conception that continues to vibrate its timeless teachings to the present day. This biography brings the reader through the lives and deeds of his closest confidants — each of whom are considered saints in their own right. It includes a fold-out biographical map detailing the personalities appearing in Gaura Lila and Krishna Lila, for the first time available for an English audience. Foreword by Swami B.P. Puri. **The Jewish Encounter with Hinduism History, Spirituality, Identity** Springer Hinduism has become a vital 'other' for Judaism over the past decades. The book surveys the history of the relationship from historical to contemporary times, from travellers to religious leadership. It explores the potential enrichment for Jewish theology and spirituality, as well as the challenges for

*Jewish identity. **The Agni and the Ecstasy: Collected Essays of Steven J. Rosen** Arktos The Agni and the Ecstasy compiles essays that the renowned scholar of Vaishnavism, Steven J. Rosen, has published throughout his 25-year writing career. Ranging from commentary on transcendental philosophy and scriptures such as the Bhagavad Gita, to personal reminiscences of prominent spiritual figures and devotional music, there is virtually no topic on which he does not shed illumination. This book is an excellent introduction to Rosen's work, whether one is a newcomer or a long-time reader. " T]here is something in this book for everybody. If one leans toward academia and intellectual approaches to spirituality, one will appreciate the articles included here that are informative, well-researched, and conveyed with an authoritative tone. On the other hand, if the reader prefers essays that entertain and arouse emotions - that speak to one's internal spiritual quest and a personal search for answers - then there are also pieces that address those particular needs." --from the Introduction by Steven J. Rosen "Having imbibed the compassionate spirit of Srila Prabhupada, his beloved guru, and having dedicated his life to uplifting humanity through transcendental knowledge, Satyaraja is specially empowered to reach our hearts. We can rejoice upon the release of this volume of his collected articles." --from the Foreword by His Holiness Radhanath Swami Steven J. Rosen (Satyaraja Dasa) is an initiated disciple of His Divine Grace A. C. Bhaktivedanta Swami Prabhupada. He is also founding editor of the Journal of Vaishnava Studies and associate editor for Back to Godhead. He has published more than thirty books in numerous languages, including the recent Krishna's Other Song: A New Look at the Uddhava Gita (Praeger, 2010); The Jedi in the Lotus: Star Wars and the Hindu Tradition (Arktos, 2010) and Christ and Krishna: Where the Jordan Meets the Ganges (FOLK Books, 2011). **Evolve Two Minute Wisdom** Jaico Publishing House The conscious force within our body, our true self, is illuminating our body and mind with consciousness. When the real wealth of the soul is uncovered, then we enter into the ocean of spiritual satisfaction and are able to tolerate the miseries of material existence. **The Journey Home** Hay House, Inc This parable The Journey Home, from Kryon, is filled with penetrating insights about how we can return to our true selves. As soon as you read this wonderful story, you will be hooked as you recognize yourself, and your own situations. **Theology as Autobiography The Centrality of Confession, Relationship, and Prayer to the Life of Faith** Wipf and Stock Publishers Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church, academy, and society. Yet these voices have the potential to reshape the ways in which each of these fields function. To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession, but to demonstrate a bold theological reflection that needs to be more explicitly understood. By turning to spiritual autobiographies as theological source texts, we learn to place our emphasis where it matters most, on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness. Moving through a range of ancient, early modern, and contemporary spiritual writers in order to demonstrate a profound connection that unites them all, this book portrays how a critical self-examination of one's most personal, internal fractures (our "poverty" as it were) is the only way to develop a life of faith—the dual meaning of the word "confession,"*

which expresses both a revealing of one's sins, or brokenness, and the articulation of what one believes. **Chants of a Lifetime Searching for a Heart of Gold** Hay House, Inc Chants of a Lifetime offers an intimate collection of stories, teachings, and insights from Krishna Das, who has been called "the chant master of American yoga" by the New York Times. Since 1994, the sound of his voice singing traditional Indian chants with a Western flavor has brought the spiritual experience of chanting to audiences all over the world. He has previously shared some of his spiritual journey through talks and workshops, but now he offers a unique book-with-audio download combination that explores his fascinating path and creates an opportunity for just about anyone to experience chanting in a unique and special way. Chants of a Lifetime includes photos from Krishna Das's years in India and also from his life as a kirtan leader—and the audio that is offered exclusively in the book consists of a number of "private" chanting sessions with the author. Instead of just being performances of chants for listening, the recordings make it seem as if Krishna Das himself is present for a one-on-one chanting session. The idea is for the listener to explore his or her own practice of chanting and develop a deepening connection with the entire chanting experience. **If Truth Be Told: A Monk's Memoir** Black Lotus An honest and straightforward account of Om Swami's life, one of the foremost spiritual leaders of India. **Branding Bhakti Krishna Consciousness and the Makeover of a Movement** "How do religious groups reinvent themselves in order to attract new audiences? How do they rebrand their messages and recast their rituals in order to make their followers more diverse? In Branding Bhakti, Nicole Karapanagiotis considers the new branding of the Hare Krishna Movement, or the International Society for Krishna Consciousness (ISKCON). Known primarily for their orange robes, shaved heads, ecstatic dancing on the streets, and exuberant Hindu-style temple worship, many contemporary ISKCON groups are radically reinventing their public presentation and their style of worship in order to attract a global audience to their movement. Karapanagiotis explores their innovative and complex approaches in both the United States and India by following three new ISKCON brands aimed at gathering new followers. Each is led by a world-renowned ISKCON guru and his global disciples, and each is promoted through a mix of digital and social media and the construction of an innovative "worship-scape." These new spaces trade ISKCON's traditional temples for corporate work-life balance programs, posh yoga studios, urban spiritual lounges, edgy mantra clubs/lofts, and rural meditative retreat facilities. Branding Bhakti not only investigates the methods the ISKCON movement uses to position itself for growth but also highlights devotees' painful and complicated struggles as they work to transform their shrinking, sectarian movement into one with global religious appeal"-- **Miracle on Second Avenue Hare Krishna Arrives in New York, San Francisco, and London 1966-1969** Torchlight Publications Miracle on Second Avenue is a short, carefully researched documentary book written in a you-are-there style, that catalogs the start and growth of the Hare Krishna movement. The work is a memoir of Mukunda Goswami, one of the pioneers of the religious group that is now known throughout the world formally as the International Society for Krishna Consciousness (ISKCON). Miracle on Second Avenue is a series of historical events that include the movement's founder, A.C. Bhaktivedanta Swami Prabhupada, and his interactions on two continents with the author over the

three-year period from August 1966 until December 1969. Mukunda Goswami's book *Miracle on Second Avenue* won the 2012 National Indie Excellence Award, as their 2012 Biography-General prize winner. **Hollywood to the Himalayas A Journey of Healing and Transformation** Simon and Schuster *Hollywood to the Himalayas* is the enlightening memoir of a reluctant spiritual seeker who finds much more than she bargained for when she travels to India. As a Stanford grad in the midst of getting her PhD in Psychology, Sadhvi Sarawati was comfortable with her life. Despite years of grappling with an eating disorder and trauma from her early childhood, she felt as if she was successfully navigating her way through early adulthood. When she agreed to travel to India to appease her husband—and because she loved the food—Sadhvi would have never imagined that she would be embarking on a journey of healing and awakening. *Hollywood to the Himalayas* describes Sadhvi's odyssey towards divine enlightenment and inspiration through her extraordinary connection with her guru and renewed confidence in the pleasure and joy that life can bring. Now one of the preeminent female spiritual teachers in the world, Sadhvi recounts her journey with wit, honesty, and clarity and, along the way, offers teachings to help us all step onto our own path of awakening and discover the truth of who we really are—embodiments of the Divine. “Sadhviji models for us, at the deepest level, that in the true teaching of the spiritual traditions, healing and grace are always possible.” —Prince Ea, in the foreword to *Hollywood to the Himalayas* “Vivid and poetic...her journey is a river of love, compelling in its authenticity and unflinching honesty. ...a must for anyone who is interested in exploring different paths to fulfilment and to the Creator.” —Jane Goodall “Sadhvi Bhagawati Saraswati is a great teacher of spirituality and consciousness. Her inspiring wisdom illuminates the path to healing, happiness, and inner peace.” —Deepak Chopra “For so many of us, the road to the Divine sometimes begins with deep trauma. And, then Grace is bestowed upon us and we blossom in the holiness of love. *Hollywood to the Himalayas* is filled with wisdom and truth about the powerful revelations that unfold on the path to a deeper relationship to the divine. This is a beautiful book.” —Rev. Iyanla Vanzant, executive producer, *Iyanla, Fix My Life* **Kundalini An untold story** Jaico Publishing House You don't have to be a monk to enter the ultimate realm of happiness! Yes, it's true. In his book *Kundalini - An Untold Story*, Himalayan ascetic Om Swami unveils the enigmatic story of kundalini, the formless aspect of the Goddess or your primordial energy. With workable steps for awakening this energy source, the author explains the esoteric and practical meaning of kundalini and the seven chakras in his usual humorous style. These riveting anecdotes are based on his personal experience gained from years of intense meditation. Take an awe-inspiring journey - something no other book on spirituality can offer - from the origins of kundalini all the way to Swami's own sadhana in the modern age. Om Swami is a mystic living in the Himalayan foothills. He has a bachelor's degree in business and an MBA from Sydney, Australia. Prior to his renunciation of this world, he founded and ran a multi-million dollar software company successfully. He is the bestselling author of *A Fistful of Love*. **Black Lotus The Spiritual Journey of an Urban Mystic** Independently Published *Black Lotus: The Spiritual Journey of an Urban Mystic* explores the life and mission of His Holiness Bhakti Tirtha Swami, an African-American seeker who became one of the most influential spiritual leaders of the twentieth

century. His story begins in a Cleveland ghetto and culminates in the spiritual world. Along the way, readers meet John Favors, known by family and friends as "Johnny Boy." A particularly gifted youth, he overcame numerous obstacles, including a speech impediment and impoverished conditions, to reveal his exceptional character, wisdom, and spirituality. In his teenage years, he worked with Dr. Martin Luther King and the Southern Christian Leadership Conference and became a young but prominent participant in the Civil Rights movement. As months turned to years, he excelled in school and went on to Princeton University, uncommon for an African-American in the late-1960s. While there, he majored in psychology and learned the science of yoga. His abiding interest in black consciousness, the powers of the mind, and Eastern philosophy, however, was overshadowed by his spiritual inclinations, which led him to the Hare Krishna movement, known in India by its traditional name, Vaishnavism. This is the ancient science of the soul, long forgotten in the West and known in its purest form only to a select few even in the mystic East. Through his intense practice, "Johnny Boy" quickly transformed into "Bhakti Tirtha Swami," an adept who became renowned for his severe asceticism; his heartfelt praying; his material and spiritual welfare work around the world; his initiation of hundreds of students into the practice of bhakti (devotional yoga); and his coronation as a High Chief in the prestigious Warri kingdom of Nigeria. But his greatest accomplishments involved pragmatic application of high ideals - simple living and high thinking. To this end, he established farm communities, schools for children, published books, and founded the nonsectarian Institute for Applied Spiritual Technology (IFAST), which sponsors seminars and provides workshops for professionals and spiritual seekers of various persuasions. In the process, he demonstrated that effective spiritual life includes the best aspects of psychology and principle-centered leadership. More, he taught how to balance head and heart in pursuit of the spirit. His inspiring story is enriched by personal interviews with family, friends, college professors, mentors, disciples, and other fellow travelers on the spiritual path. These interviews make their appearance in the book as inset quotes, allowing his associates to speak for themselves. As a result, *Black Lotus* offers an intimate look at the Swami's life and times, which blossom on these pages for the first time in written form. As the beauty and sublime perfection of a lotus rises in supreme majesty above its stem, which is buried deeply in clouded waters, so *Black Lotus* is a tribute to one who rose above all boundaries and limitations, and inspired others to do the same. **Spiritual Warrior I Uncovering Spiritual Truths in Psychic Phenomena** Get ready for a roller-coaster ride into the intriguing realm of ancient mysteries! It is rare to find the subjects in this book handled in such a piercing and straightforward way. *Spiritual Warrior I: Uncovering Spiritual Truths in Psychic Phenomena* focuses on the spiritual essence of many topics that have bewildered scholars and scientists for generations, such as extraterrestrials, the pyramids and psychic intrusion. A fresh perspective is revealed, inviting the reader to expand the boundaries of the mind and experience a true and lasting connection with the inner self. "As we rapidly approach the new millennium, more and more people are searching for spiritual answers to the meaning and purpose of life. The search, of course, begins with Self, and Swami Krishnapada's book, *Spiritual Warrior*, provides a practical companion for the journey of the initiate. I am honored to recommend it."-- Gordon-Michael Scallion Futurist:

Editor Earth Changes Report Matrix Institute, Inc. **Heart of Miracles My Journey Back to Life After a Near-Death Experience**

"This book is a flashlight for people in the dark. Karen Jones, an Ivy League graduate, had walked a conventional path - until a sudden cardiac event at age 30 took her to the brink of death. During her ordeal, Karen was presented with a choice. When her request to live was granted, she had to come to terms with the reality of divine communication. With this knowledge, Karen now had to decide how to live her life again. Her journey is filled with light - and lightness - as she crosses countries and cultures on her way to healing and understanding. With warmth, wonder and wit, Karen takes us along on a ride of a lifetime ...through India, Italy, Bhutan, and the Holy Land of Israel. Exploring the mysterious power of Kundalini yoga, the transforming doctrines of reincarnation and the teachings of Jesus, she encourages us to embrace the full power of our spiritual selves. Through rapturous storytelling, Karen shows that love is the song that heals us all."--Wheelers.co.nz. **Wise-Love Bhakti and the Search for the Soul of Consciousness** We long for boundless love as we long for home. But how can we find our home our meaning and purpose if we don't know our self? Wise-Love is an exploration of the self, or consciousness, guided through the meditative eyes of saints, sages, seers, and mystics. We discover that the self's most charming characteristic -- part of its unchanging nature is that it is a lover, a lover only when ordinary love evolves into wise-love. Pranada, a devoted pilgrim and teacher, illuminates bhakti's wisdom school of heartfulness and shows why mindfulness can never satisfy the self. Joy comes from an awakened heart not a stilled mind. The first part of Wise-Love explores the nature of self/consciousness and how we interface in the world with our physical and subtle body (mind, intelligence, and ego). Understanding the distinctions between our real and false selves, we can answer the questions Who am I? What is my purpose? How can I be happy? The second half examines the nature of matter, the world of consciousness, karma, faith, mysticism, the efficacy of sacred sound, the maha-mantra, kirtan, humility, depth compassion, and how to culture wise-love. Each chapter unfolds with an understanding of matter and consciousness to present a key that unlocks our eternal nature so that we can experience the unbounded joy of the self in our daily lives. When we encounter the self, we're automatically introduced to our Divine Inner Suitor and our loving relationship. Filled with insight and fresh perspectives, Wise-Love offers a map for the journey to our home of eternal affection, where a porch light is always lovingly lit, and a warm embrace from our Divine Other awaits. Secretly nestled in the Upanishads and extolled in the Bhagavad Gita, bhakti yoga shines as the crown jewel on the head of India's timeless wisdom about consciousness and how to live one's meditation. Often over-simplified as devotion, bhakti is the method of experiencing the self and its Essence/Source. This concise, comprehensive handbook exploring the meaning of bhakti's sophisticated philosophy promises to enrich you wherever you are on the spiritual path. **Swami in a Strange Land** Jaico Publishing House Foreword by Klaus K. Klostermaier, PhD The Biography of A.C. Bhaktivedanta Swami Prabhupada A remarkable journey into the deepest dimensions of the human experience, Swami in a Strange Land shows how one man with a dream can change the world. In 1965, a seventy-year-old man—soon to be known as Prabhupada—set sail from India to America with a few books in his bag, pennies in his pockets, and a message of love in his heart. He

landed in New York at the peak of the revolutionary counterculture movement of the '60s, and went on to spark a global spiritual renaissance that led to the creation of the International Society for Krishna Consciousness, which has changed millions of lives. Through the depiction of Prabhupada as both an enlightened luminary and a personable, funny, and conscientious individual, Swami in *A Strange Land* shows why cultural icons such as George Harrison and Allen Ginsberg incorporated Prabhupada's teachings into their lives, and why millions more around the globe embarked upon the path of bhakti yoga in his footsteps. Carefully researched, skillfully crafted, and extraordinarily intimate, this narrative follows Prabhupada as he rises from an anonymous monk to a world-renowned spiritual leader. Set in locations as far ranging as remote Himalayan caves and the gilded corridors of Paris's City Hall, this book traces the rise of Eastern spirituality in the West—and in particular, the rise of yoga culture and vegetarianism and the concepts of karma and reincarnation. JOSHUA M. GREENE has produced films for PBS and Disney, has served as vice president for New York's largest PR firm, and was appointed director of strategic planning for the United Nations Peace Summit of Religious and Spiritual Leaders. He was also an adjunct professor at Hofstra University in New York. "Joshua Greene reveals the true, thrilling adventure story of Bhaktivedanta Prabhupada..." —SHARON GANNON, author and co-founder of Jivamukti Yoga "Overflowing from his heart was a treasure of spiritual love that he yearned to share with the world. And miraculously, he did—within a few years Prabhupada had inspired a movement that spread across the planet." —RADHANATH SWAMI, author, *The Journey Home*

Far Out Countercultural Seekers and the Tourist Encounter in Nepal University of Chicago Press *Far Out* charts the history of Western countercultural longing for Nepal that made the country, and Kathmandu in particular, a premier tourist destination in the twentieth century. Anthropologist and historian Mark Liechty describes three distinct phases: the immediate post-war era when the country provided a Raj-like throwback experience for rich foreigners (mainly Americans), Nepal's emergence as the most exotic outpost of hippie counterculture in the 1960s and early '70s, and, finally, the Nepali state's rebranding of itself as an adventure destination from the 1970s on. Liechty is attuned to how the dynamics of mid-twentieth century globalization--the Cold War and shifting international relations, modernization and development ideologies, the rise of consumerist middle classes, increased mobility and the birth of mass tourism, and emerging global youth countercultures--drew Nepal into the web of geopolitical, economic, and sociocultural transformations that shaped the modern world. But Liechty doesn't want to tell the story of tourism as something that "just happened" to Nepalis. He shows how Western projections of Nepal as an isolated place inspired creative Nepali enterprises and paradoxically gave locals the opportunity to participate in the highly coveted global economy. The result is a readable cultural history of a place that has been in many ways defined by a (sometimes bizarre) cultural encounter. The author's lifelong interest in Nepal and his almost twenty-five years of research make his account both sophisticated and empathic--but not without a touch of humor. **Inner Yoga Entering the Heart of the Tradition** The Bhaktivedanta Book Trust International, Inc. Touch the Top of the World A Blind Man's Journey to Climb Farther than the Eye Can See: My Story Penguin The incredible bestselling book from the author of No Barriers and The Adversity Advantage Erik Weihenmayer was born with retinoscheses, a degenerative eye disorder that would leave him blind by the age of thirteen. But Erik was determined to rise above this devastating disability and lead a fulfilling and exciting life. In this poignant and inspiring memoir, he shares his struggle to push past the limits imposed on him by his visual impairment-and by a seeing world. He speaks movingly of the role his family played in his battle to break through the barriers of blindness: the mother who prayed for the miracle that would restore her son's sight and the father who encouraged him to strive for that distant mountaintop. And he tells the story of his dream to climb the world's Seven Summits, and how he is turning that dream into astonishing reality (something fewer than a hundred mountaineers have done). From the snow-capped summit of McKinley to the towering peaks of Aconcagua and Kilimanjaro to the ultimate challenge, Mount Everest, this is a story about daring to dream in the face of impossible odds. It is about finding the courage to reach for that ultimate summit, and transforming your life into something truly miraculous.
