A Savage Presence [BrixBaxter Publishing](#) **Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale. An Actor's Work A Student's Diary [Routledge](#) **Stanislavski's 'system' has dominated actor-training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading and difficult-to-read English-language versions. Some of the mistranslations have resulted in profound distortions in the way his system has been interpreted and taught. At last, Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively, fascinating and accurate text in English. He has remained faithful to the author's original intentions, putting the two books previously known as An Actor Prepares and Building A Character back together into one volume, and in a colloquial and readable style for today's actors. The result is a major contribution to the theatre, and a service to one of the great innovators of the twentieth century. No More Time [Sandy Appleyard](#) **A kidnapping gone wrong. A chronically ill child. And a union nobody sees coming...except the barrel of a gun. Quin Hedger is a rare breed.******

He's a doctor who grew up on a ranch, with four brothers, a pious mother and a father who left this earth not long ago. Quin is hard-working, has a heart of gold, and will do anything for any of his patients, namely one. Getting little Trinity a new kidney isn't any easy task, but he's been at it since she was a baby and he isn't giving up, not even when her corrupt Uncle arranges an ill-fated kidnapping that has a sudden twist. Whitney has raised Trinity all but on her own. Trinity's father left when he couldn't handle dealing with a sick child, but thankfully her brother Peter is there to sweep up the bits and fill the gaps...until he's more trouble than he's worth. Trinity's doctor, who insists on being called 'Dr. Quin' as a kind sentiment, has always put her daughter front and center, so it tugs at both their heartstrings when they have to watch her health start to deteriorate. When Trinity's father surprises Quin and Whitney, they're led down a path of hope, only to be let down once again, as Trinity lays in hospital, missing out on her young life. Although hopeful, Quin keeps hitting brick walls in his quest to find what the little girl needs, and in doing so, he also finds what he's always needed, but he can't have both until the one he loves can love again. It's a slippery slope and a tricky one at best. And when Quin finally sees the fog clear, he finds himself looking down the barrel of a gun.

Groombridge Log [BoD - Books on Demand](#) **In 2155, 20 years after a lost war, humanity is imprisoned on Earth under an impenetrable slave shield. The only humans outside are a group of nearly 2000 men and women, assigned to serve their masters on a starbase in Earth's orbit. The starbase was supposed to be resupplied every five years, but already eight have passed without a word. Energy cores are exhausted and life support is failing. But then, just when all hope seems lost, they get visitors who might have the power to change everything. This book is the first part of the novelization of Star Control 2, a computer game released in 1992, which many still consider one of the best games of all time.**

EVELINA The Alpha [David Gomadza](#) **A suspenseful romantic action-packed thriller. A gorgeous young lady turned Most Wanted. A romantic trip and a love to die for. A hidden secret. An evil brutal regime practicing a cult they believe existed even before God created the world. Until the regime is stopped life is on the line. A must read.**

ABOUT THE SERIES EVELINA **A secret cult that existed even before this world was created is still at the center of murder a thousand years later. A ruthless regime is using this cult to run rampage and havoc. A corrupt and evil world where murder is the norm. A place so dark and scary where they all come out in numbers where they are slaughtered in thousands. A place where they are naked:-no rights, hopes, or anything to hang on to. A place where the only hope and courage is the heart-engraved-belief that someone will solve God's Dilemma and rise to save humanity. A pledge to fight to the death because the sole existence of the regime is to restore the lost kingdom of darkness at humanity's expense. Where restoring it means slaughtering two-thirds of the world's population in 48 hours known as the 48 Hours of Darkness. It's a story of great courage in the face of death. The rise of Tomorrow's World Order citing the**

system as the root of all evil setting a collision course with the regime. The suspenseful questions are when and of what magnitude will the collision be and the devastating outcome? Will the regime allow a system change? Where stakes are high and the regime will defend the system at any cost will they succeed and at what cost? How can mankind survive the most feared devil's ghosts? Are you to be the lucky few to be spared in the 48 hours of darkness? Is mankind doomed or there is hope? What is God's Dilemma and can it really be solved? Unless God's Dilemma is solved mankind is doomed. A race against time where it's a matter of life or death for the strongest men let alone for Evelina caught up in all this. Will she survive the greatest manhunt since the world was created with everyone after her with the most powerful man demanding her too? Only one way to find out. Get this book right now. Charles Dickens' Most Influential Works (Illustrated) Oliver Twist, The Pickwick Papers, Great Expectations, A Tale of Two Cities, Hard Times, David Copperfield, A Christmas Carol, Bleak House, Little Dorrit, Our Mutual Friend, The Life of Dickens [e-artnow](#) Our Mutual Friend - explores the conflict between doing what society expects of a person and the idea of being true to oneself The Pickwick Papers - To extend his researches into the quaint and curious phenomena of life, Samuel Pickwick suggests that he and three other "Pickwickians" should make journeys to places remote from London and report on their findings to the other members. Oliver Twist is an orphan who starts his life in a workhouse and is then sold into apprenticeship with an undertaker. He escapes from there and travels to London, where he meets the Artful Dodger, a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin... A Christmas Carol tells the story of a bitter old miser named Ebenezer Scrooge and his transformation after visitations by the ghost of his former business partner and the Ghosts of Christmas Past, Present and Yet to Come. David Copperfield is a fatherless boy who is sent to lodge with his housekeeper's family after his mother remarries, but when his mother dies he decides to run away... Hard Times is set in the fictional city of Coketown and it is centered around utilitarian and industrial influences on Victorian society. A Tale of Two Cities depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, and many unflattering social parallels with life in London during the same period. Great Expectations depicts the personal growth and development of an orphan nicknamed Pip in Kent and London in the early to mid-19th century. Bleak House - legal thriller based on true events. Little Dorrit - criticize the institution of debtors' prisons, the shortcomings of both government and society. COLLECTED LETTERS THE LIFE OF CHARLES DICKENS by John Forster The Complete Works of C. H. Spurgeon, Volume 54 Sermons 3073 to 3124 [Delmarva Publications, Inc.](#) Volume 54 Sermons 3073-3124 Charles Spurgeon (19 June 1834 - 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth

century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6 (1878)* quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon. Low Rider Improving the Research Infrastructure at U.S. Universities and Colleges Hearing Before the Committee on Science and Technology, U.S House of Representatives, Ninety-eighth Congress, Second Session, May 8, 1984 Chamber's Journal of Popular Literature, Science and Arts Managing More with Less [Routledge](#) Managing More with Less is an innovative book linking a range of core management skills and re-interpreting them to meet current organizational needs. The Irrational Knot (Illustrated) The Irrational Knot was first published in 1905, having been written in 1880. Within a framework of leisure class preoccupations and frivolities Shaw disdains hereditary status and proclaims the nobility of workers. Marriage, as the knot in question, is exemplified by the union of Marian Lind, a lady of the upper class, to Edward Conolly, always a workman but now a magnate, thanks to his invention of an electric motor that makes steam engines obsolete. The marriage soon deteriorates, primarily because Marian fails to rise above the preconceptions and limitations of her social class and is, therefore, unable to share her husband's interests. Foundations of Astronomy [Cengage Learning](#) Fascinating, engaging, and extremely visual, Foundations of Astronomy Twelfth Edition emphasizes the scientific method throughout as it guides students to answer two fundamental questions: What are we? Dad was a "trailblazer" and fought on the front line in France and Germany. He was a radio man and was in charge of managing the location of his troop. This story will make you laugh and certainly make you cry. It is a truly amazing story! Autographs Don't Burn Letters to the Bunins, Part 1 [Academic Studies PRes](#) This book sprang from three handwritten lines by Ivan Bunin, Russia's first winner of the Nobel Prize for Literature. Found inside a first edition of Mitya's Love, they led to the discovery of one of the largest corpora of letters written to Ivan and Vera Bunin by two people whose lives and legacy had been, until now, forgotten. These letters are now in the Russian Archive in Leeds (RAL), and are published here for the first time. The book also focuses on memory and history in its purest form, as narrated by witnesses who lived through the most tragic century in Russian history. Their stories involve Grand Dukes, Russian literary and political giants, as well as one of the architects of the Gulag, and show how these lives intertwined. It also sheds new light on the life and works of Chekhov, Gorky, A. Tolstoy, and Bunin.
