Hollywood Highbrow

From Entertainment to Art

Princeton University Press *Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.*

Robert Redford

The Biography

Simon and Schuster *A national symbol of romance since the 1970s, Redford's stardom has often eclipsed the life and trials of the man himself. In this biography -- written with Redford's personal papers, journals, script notes, correspondence, and hundreds of hours of taped interviews -- Michael Feeney Callan strips away the Hollywood façade, exposing the complicated, surprising man beneath. The life of Robert Redford is a series of contradictions: descended from impoverished East Coast barbers on his father's side and once-wealthy Texans on his mother's side, the young Redford suffered from aimlessness and semi-poverty, dropping out of college and briefly spending time in jail before launching a career in theatre. Redford has contributed more -- and more widely -- to entertainment than most stars of his calibre. As an actor, he's appeared on Broadway and film, with an Oscar-nominated performance in 1973's *The Sting*. As a director, he's earned Oscar nominations for Best Picture and Best Director and has received three Golden Globe nominations for Best Director. He won the Academy Award for Best Director in 1980 for *Ordinary People*. And as a producer of independent films -- including the patronage of his Sundance Institute -- he's worked on films including *All the President's Men* and 2004's *The Motorcycle Diaries*. This is a fascinating exploration of one of our most celebrated and least understood public figures, and an essential read for anyone interested in the rocky road to Hollywood.*

The Pine Tar Game

The Kansas City Royals, the New York Yankees, and Baseball's Most Absurd and Entertaining Controversy

Simon and Schuster *The New York Times* bestseller—"a rollicking account" (*The Kansas City Star*) of the infamous baseball game between the Yankees and Royals in which a game-winning home run was overturned and set off one of sports history's most absurd and entertaining controversies. On July 24, 1983, during the finale of a heated four-game series between the dynastic New York Yankees and small-town Kansas City Royals, umpires nullified a go-ahead home run based on an obscure rule, when Yankees manager Billy Martin pointed out an illegal amount of pine tar—the sticky substance used for a better grip—on Royals third baseman George Brett's bat. Brett wildly charged out of the dugout and chaos ensued. The call temporarily cost the Royals the game, but the decision was eventually overturned, resulting in a resumption of the game several weeks later that created its own hysteria. The game was a watershed moment, marking a change in the sport, where benign cheating tactics like spitballs, Superball bats, and a couple extra inches of tar on an ash bat, gave way to era of soaring salaries, labor strikes, and rampant use of performance-enhancing drugs. In *The Pine Tar Game* acclaimed sports writer Filip Bondy paints a portrait of the Yankees and Royals of that era, replete with bad actors, phenomenal athletes, and plenty of yelling. Players and club officials, like Brett, Goose Gossage, Willie Randolph, Ron Guidry, Sparky Lyle, David Cone, and John Schuerholz, offer fresh commentary on the events and their take on the subsequent postseason rivalry. "A sticky moment milked for all its nutty, head-shaking glory" (*Sports Illustrated*), *The Pine Tar Game* examines a more innocent time in professional sports, and the shifting tide that resulted in today's modern iteration of baseball. Some watchers of the Royals' 2015 World Series win over New York's "other baseball team," the Mets, may see it as sweet revenge for a bygone era of talent flow and umpire calls favoring New York.

The Moments We Stand

Book 1: Silence Breaks

Moments We Standan, Wellington 6144, New Zealand *My name is Ashlee. I am a victim of murder. Through a series of events and by two shots of a gun, I was made a widow at the age of 28, with my youngest child just six weeks old. I am a victim of infidelity. I have felt unlovable. I have felt rejected. I have had days in my life when I wasn't sure if I would ever take a breath again, let alone be able to raise my five children by myself. I have lived in fear. I have felt much heartache. I have felt truly broken to my core. I have carried some heavy burdens...not only of my own, but burdens put upon my shoulders by the death of my husband. I have felt alone. I have felt humiliated. I have been humbled to my knees. I have searched my soul to find my worth in this world, and in the life that was left for me. My world has been totally shattered. I have faced realities I never knew were possible, and found strength within myself to keep up the fight and live every day as if it was on purpose. I have been carried by Angels...both earthly beings and those unseen. I have found that being a "victim" doesn't mean we have an excuse to stop living. Being a victim means finding a reason for seeking a higher road. I have picked up the pieces left and carried on. I am a mother. We are survivors. In one way or another, we are all victims. There are times in our lives when we are forced to question who we are at our core. When we are presented with a path...we can go this way or we can choose that way. For some, this moment comes when the one person whom we love the most decides we are not enough. This person leave us-at a most vulnerable moment-alone to search within ourselves for who we really are. We are left trying to find who it is that was left behind. Sometimes the person we love dies. Sometimes it is merely an internal battle we are facing...all alone inside our minds. Whatever the situation and wherever you have been...you have been hurt. You have felt alone. You have been abandoned, either by your parents, your lover, your friends, complete strangers, or even yourself. We have all been at that crossroad where all we have left is ourselves. Sometimes these moments of lows have brought you to your knees and caused you to reflect and ponder your relationship with God...and other times they have made you question if He is even there, or if He knows you are alone. Whatever that moment has been for you, it is personal and real. It has defined and refined who you are, who you think you were, and who you want to become. This is my story...the defining moments that have truly brought me to my knees, the times when I've questioned to my core my very existence, and the experiences I've had that have shown me who I really am and who my Heavenly Father still needs me to become. The night of my husband's death was my darkest hour, but also the very moment when I saw firsthand that my Heavenly Father sent Angels on errands for me. He carried me. It was the hour when all my fears and all the pain of this world collided together and He was there...putting back together all the pieces, one step at a time.*
