SHE COMES FIRST

THE THINKING MAN'S GUIDE TO PLEASURING A WOMAN

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

HE COMES NEXT

Harper Collins Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on—and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest—You're Not That Into Him Either* so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest—and ensuring that he does the same.

THE MAN'S GUIDE TO WOMEN

SCIENTIFICALLY PROVEN SECRETS FROM THE "LOVE LAB" ABOUT WHAT WOMEN REALLY WANT

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

BE HONEST--YOU'RE NOT THAT INTO HIM EITHER

RAISE YOUR STANDARDS AND REACH FOR THE LOVE YOU DESERVE

Harper Collins Avoid the booty call blues and get the love -- and sex -- you deserve! Come on. Admit it. He may not be that into you, but were you ever really that into him? He was never "the one," but you lowered your standards and dated him in the meantime. Why? For any number of reasons: you were lonely, you were horny, you thought dating him was

better than being alone, all your friends are getting married -- you name it. And before you knew it, you got hung up on the jerk. Go figure. The world is full of sensational women, but in today's market there are too few good men to go around (or so it appears). Now Dr. Ian Kerner, clinical sexologist and author of the smash hit *She Comes First*, explores the battlefield of sex, hook ups, go-nowhere relationships, and the dismal dating treadmill, simultaneously arming women with a sharper set of insights and the tools for change. With humor and sincerity, Kerner shows women how to break the cycle of dating defeat and use the power of sex to find love, "with a great guy who is into you." So raise your standards - and reach for the love you deserve!

SHOPPING FOR PLEASURE

WOMEN IN THE MAKING OF LONDON'S WEST END

Princeton University Press In Shopping for Pleasure, Erika Rappaport reconstructs London's Victorian and Edwardian West End as an entertainment and retail center. In this neighborhood of stately homes, royal palaces, and spacious parks and squares, a dramatic transformation unfolded that ultimately changed the meaning of femininity and the lives of women, shaping their experience of modernity. Rappaport illuminates the various forces of the period that encouraged and discouraged women's enjoyment of public life and particularly shows how shopping came to be seen as the quintessential leisure activity for middle- and upper-class women. Through extensive histories of department stores, women's magazines, clubs, teashops, restaurants, and the theater as interwoven sites of consumption, Shopping for Pleasure uncovers how a new female urban culture emerged before and after the turn of the twentieth century. Moving beyond the question of whether shopping promoted or limited women's freedom, the author draws on diverse sources to explore how business practices, legal decisions, and cultural changes affected women in the market. In particular, she focuses on how and why stores presented themselves as pleasurable, secure places for the urban woman, in some cases defining themselves as instrumental to civic improvement and women's emancipation. Rappaport also considers such influences as merchandizing strategies, credit policies, changes in public transportation, feminism, and the financial balance of power within the home. Shopping for Pleasure is thus both a social and cultural history of the West End, but on a broader scale it reveals the essential interplay between the rise of consumer society, the birth of modern femininity, and the making of contemporary London.

HOW SEX GOT SCREWED UP: THE GHOSTS THAT HAUNT OUR SEXUAL PLEASURE - BOOK TWO

FROM VICTORIA TO OUR OWN TIMES

Vernon Press The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city-states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt, and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But, it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists, such as Alfred Kinsey and Margaret Sanger, sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Book Two of this two-part publication traces the history of sex from the Victorian Era to present day. Interspersed with 'personal hauntings' from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about 'how sex got screwed up' for millennia. For Knowles, if we know the history of sex, we can get over it.

THE EROGENOUS PLEASURE ZONES OF THE FEMALE BODY

Createspace Independent Publishing Platform Most men would like their female partners to experience the maximum possible pleasure during sex. On the other hand men tend to be rather simple and straightforward creatures when it comes to pleasure and go straight in there without paying attention to foreplay and the pleasure zones. This is a really big and basic mistake and one that many men make - especially (but not only) when they are young and sexually inexperienced. While there's no formula that will please each individual woman, there are a few general ground rules that you can follow. So what's a man to do if he wants new ways to give his sexual partner real pleasure? No matter who you're with it's nice to spice up your sex life with some new moves that she is likely to find pleasurable. If you're doing the same things in bed time after time, things are bound to become a little stale. That's why you need to mix things up and surprise your partner. The pleasure or 'erogenous' zones are placed all over the female body and are easy to find and stimulate. Your partner will love you for it - and I assure you that you will get back at least as much extra pleasure as you give. It's time to go on an erogenous zone exploration! One easy clue to where the erogenous zones are placed is that they are the areas that women draw attention to with perfume and jewellery and other adornments. This is like a sexual signal to men to draw their eyes to these places - the neck (with a necklace or choker), the ear lobes (with ear rings). The most obvious example is the use of lipstick to redden the lips - this echoes the reddening of the vaginal lips when sexually excited and is a really basic female human signal of availability (or at least possible availability) for sexual contact. From her head all the way to her toes, here is a selection of the top erogenous zones to turn her on and give her maximum pleasure.

LESBIAN SEX SECRETS FOR MEN

THE ULTIMATE GUIDE TO PLEASING AND SATISFYING A WOMAN - FROM WOMEN WHO KNOW

Virgin Books 'The aim of Lesbian Sex Secrets for Men is to teach men what lesbians know about pleasing women. This is more than a primer on body parts and oral sex (though yes, there's plenty of that). It's also about how to talk (the best way to find out what your partner likes), how to listen, how to open up, and how to get your mind off your member. The chapter entitled "Foreplay? Honey, It's All Play!" should make women cheer. The writing is clever, graphic, intimate, and festive. No subject is off limits: sex toys, sex during menstruation ("When the Moon Is Between Her Legs"), "Finger Love (Becoming a Digital Master)," "The Lowdown on Going Down," anal play ("Ass-istance for Two"), and much more. In many short quotes, women frankly discuss their likes and dislikes. Notes of special importance, titled "Honey, Come Closer," include: "Quit thinking of the clitoris as a little pea-sized bump.... It is actually a whole system of erectile tissue, spongy tissue, muscles, nerve endings, blood vessels, and glands." "By taking your time, not only do you create steamy anticipation in your partner; you also get to check out the territory and get a good sense of where everything is so there is no clumsy fumbling." "A steady hand is worth a thousand orgasms." If men understood what great sexual tools their brains, mouths, and hands were, say the authors, they'd see sex and pleasure differently and communicate in new ways. This book is guidebook and roadmap--and very entertaining besides! (Warning: If you're offended by slang terms for sex and sexual parts, this book isn't for you.)' --Joan Price

AESTHETIC PLEASURE IN TWENTIETH-CENTURY WOMEN'S FOOD WRITING

THE INNOVATIVE APPETITES OF M.F.K. FISHER, ALICE B. TOKLAS, AND ELIZABETH DAVID

Routledge This book explores the aesthetic pleasures of eating and writing in the lives of M. F. K. Fisher (1908-1992), Alice B. Toklas (1877-1967), and Elizabeth David (1913-1992). Growing up during a time when women's food writing was largely limited to the domestic cookbook, which helped to codify the guidelines of middle class domesticity, Fisher, Toklas, and David claimed the pleasures of gastronomy previously reserved for men. Articulating a language through which female desire is artfully and publicly sated, Fisher, Toklas, and David expanded women's food writing beyond the domestic realm by pioneering forms of self-expression that celebrate female appetite for pleasure and for culinary adventure. In so doing, they illuminate the power of genre-bending food writing to transgress and reconfigure conventional gender ideologies. For these women, food encouraged a sensory engagement with their environment and a physical receptivity toward pleasure that engendered their creative aesthetic.

Dakinidancerpress We live in a culture that teaches us to both fear and ignore our sexuality, and repress our sensuality. Women are largely uneducated about their full pleasure-potential, and are discouraged from exploring their own unique style of healthy sensual expression. Shake Your Soul-Song presents the idea of using pleasure as a path to self-empowerment and soul connection. By using the methodology of The 4 Principles of Self-Pleasure, each woman will more deeply understand her relationship to The 4 Forms of Pleasure, and how to use them for accessing more of her personal & spiritual potential. Each of The 4 Principles of Self-Pleasure uses practical and fun tools designed to effectively connect, heal, awaken, & transform every woman's heart, body, mind & soul. Shake Your Soul-Song includes authentic and soulful insight into: * Creating a New "Pleasure Paradigm" with The 4 Principles of Self-Pleasure * The 4 Forms of Pleasure and how to use them for accessing more of your personal potential * The difference between sensuality & sexuality * Gratification vs. Pleasure * How cultivating conscious sense-uality can help you experience more presence, passion & connection in all areas of your life * How the Walt Disney Syndrome keeps us disempowered as women & contributes to relational dysfunction between partners * Ancient, powerful tools for transforming your life-experience on a cellular level * The Secret to Sensual Sovereignty * The 11 different orgasms for women, what they are and how to activate them for more passion, pleasure, and soul expression. Includes an effective and enjoyable 'Pleasure Program' for cultivating the ultimate pleasure potential in your everyday life. That day was one of my worst days and I vowed to handle this part of my life once and for all. I was so embarrassed. I'll save you from your bedroom depression and frustration. Investing in your sex life is an investment for your future. Some people will discourage you by saying, "Make money first, or go to school first." Both are good advice, but your ego will be shattered when you suck with women in general and mostly in bed. You will be tired of tramadol, alcohol, Viagra, marijuana, cocaine, codeine, or any other substances you believe in. Remember, most of them have side effects. Why not acquire these skills naturally? One day, you'll travel abroad and may not get your local enhancer there. Think of the money you waste on paying for sex with women just to get in their panties or get them to love you. Or, the money you spend on buying sexual enhancers and substances. Calculate the money for a year and you'll see how much you've been wasting. When you have this skill, The table will turn Women will be the ones spending on you just to have a taste. Lasting long enough to make a woman have an orgasm or squirt is more gratifying than being in the office. When your woman is satisfied, You will feel great about yourself and You will do things you have never done before with joy It will boost your confidence. Who doesn't want to last longer in bed? All men want to be the men who always rock their women at any given time. If you cannot last long enough for your woman to reach an orgasm and fulfill her sexual needs, then she'll find it somewhere else, and you know what that means? You'll start making fun of men who use Viagra Or other sex-enhancing substances to boost their performances You'll become one of those men who will NEVER need an enhancer to last long Your eyes will open to sexual realities. It's not easy, but it's achievable if you put your heart to it. We have trained lots of men who didn't believe they could do it. Be careful, this book will forever change your sex life for good. PAYING FOR PLEASURE

MEN WHO BUY SEX

Routledge Drawing on original empirical data with men who buy sex, this book takes a fresh look at the relationships clients have with female sex workers. The core questions that form the backbone of the research are not only the expected inquiry into 'why men buy sex', but also into the sociological and psychological processes that men encounter in order to enter an assumed 'deviant' sexual behaviour as part of their everyday lives. These sociological processes of finding, negotiating and buying sexual services are complicated by

the stigma directed towards men who buy sex. Exactly how do men behave with sex workers; what are their relationships like; what emotions are involved and can intimacy be bought? Questioning the dichotomy made between commercial and non-commercial relationships, the data suggests that intimacy and commerce are compatible. Managing secrecy, stigma and the consumption of intimacy takes this book into some of the more challenging theoretical areas of masculinity and emotional consumption in contemporary society. Drawing some parallels from the author's earlier book *Sex Work: A Risky Business*, the book offers insights into why engagement in commercial sex is prolific as sexual culture is transformed in late modernity.

RISE SISTER RISE

A GUIDE TO UNLEASHING THE WISE, WILD WOMAN WITHIN

Hay House, Inc Rise Sister Rise is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system - but now the world has changed. Rise Sister Rise is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman - a woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith - because in healing ourselves we are healing the world.
