## **THREE CHORDS OF CHAOS**

---

Once, lord of lyrics; once, prince of peace... Now a demon let off his leash... Three Chords of Chaos No greater musician than Gorge ever lived in the Realm of the Sidhe. No faerie musician ever delved so deeply into the taboo songs and the forbidden music-the Way of the Bone. Yet, Gorge refused to deny himself their temptations. In reward his true love betrayed him, and the faerie kings and

queens who once praised him stripped him of his magic and exiled him to the mortal world. Left to go mad and die, Gorge discovered new life in the arms of a mortal woman, Delilah-and new magic in the music that sings in the souls of mortals. Decades later, Gorge walks a dark path through the musical underground of New York City. He lives a secret life, hiding from the fae, waging a guerilla war of punk rock, and wielding his guitar like a weapon as he gathers magic and recharges his power. Until the day he's strong enough to return home and open the Way of the Bone to all the Faerie Kingdoms. But the mortal world is far more dangerous than it seems. Gorge never expected to discover such raw power, almost beyond his control, among the mortals who worship his music. Nor did he count on a mortal wizard to discover his secrets or turn the ancient weapons of the fae against him. Caught in a dangerous game of magic, music, and lies, Gorge must find the truth and uncover the source of his enemy's magic. Survival and love hang in the balance. And Gorge has only his music to protect him, only a song for any hope of salvation.... Praise for the work of James Chambers: ..".chillingly evocative writing..." -Publisher's Weekly "James Chambers writes stories that are paced fast enough to friction burn a reader's eyeballs." -Horror Reader.com

### **JAKE'S PREACHER GIG**

---

BabyBoomer Author Storefront "Jake's Preacher Gig" is a two-part story that focuses on characters from three separate families, tracking the daily life of the principle character, Reverend Jake Millsaps. The story takes place at picturesque but fictitious Hyacinth College in Plant City, in East Tennessee. The time period is the 1989-1990 school year. One of Jake's primary duties is to develop a drug intervention program to combat the college's flagging enrollment. The point of view of this tale is unique: we see all action

though the eyes of a group of stumbling demons. Our demons do not dispense curses, nor do they commit any physical mayhem. They exist only in the spiritual dimension and use their powers of suggestion to try to influence events in Jake's day-to-day life. Their purpose is to encourage chaos to undermine Jake's effectiveness as campus pastor.

## **MARK TWAIN'S LETTERS & SPEECHES**

---

---

### **EBOOK EDITION**

---

Jazzybee Verlag This huge volume contains Mark Twain's letters, starting from the year 1853, where he lived in New York and Philadelphia, and ending with his last trip to Bermuda in the year of his death, 1910. His most important speeches are also included in this volume.

---

## **MARK TWAIN'S LETTERS**

---

Jazzybee Verlag Like his other writings, Mark Twain's letters attest that he was not the greatest of all humorists, but that he did have

an amazing gift of depicting the average American, and what is more, that he could do it sympathetically and from the inside of the house, not ironically through the window as Thackeray depicted the absurdities of his contemporaries. The letters show, also, what a storybook life he led. Born obscurely in a western town without advantages, half-educated as a typesetter for a country newspaper, a runaway, a soldier "riding a small yellow mule" to the aid of the Confederacy, a runaway again, a mining prospector familiar with mountain gambling-saloons, a news reporter, he at last acquired some fame with his "Jumping Frog." His reputation travelled east and he became a lecturer and special correspondent. Then, of a sudden, he made himself conspicuous to the entire country with his "Innocents Abroad." He became a mighty traveller. He was feasted by kings, decorated by universities, and honored everywhere. From Hartford all around the earth and back, he was a leading citizen of the world. The ingenious authors of the most shocking fiction could not invent plots swifter or more romantic. This editions contains the letters from the year 1853 all through 1910.
